

271 CMR: BOARD OF EXAMINERS OF SHEET METAL WORKERS

271 CMR 4.00: CONTINUING EDUCATION

Licensed Sheet Metal Workers are encouraged to continue their expand knowledge by attending educational programs; however, no continuing education is currently required by the Board. The Board anticipates adding such a requirement at some date in the future. That will occur in a separately promulgated regulation change, and any requirements will be announced in future renewal documents.

REGULATORY AUTHORITY

271 CMR 4.00: M.G.L. c. 112, §§ 237 through 251.
