¹ Information reported by HMOs as of the end of the second quarter of 2007 based upon the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 3.0"

that instructs HMOs to exclude members for whom the HMO did not bear any financial risk. Beginning January 1, 2004, membership reflects those persons enrolled only in closed network plans; so-called "dual certificate option" plan (POS) members and insured preferred provider plan members are not included in this report.

² Includes all members who do not belong to a group and contract directly with the HMO as defined in the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 3.0." This includes persons enrolled in guaranteed issue managed care plans offered beginning October 1, 1997 and persons covered under so-called closed health plans offered prior to October 1, 1997.

³ Carriers that do not show any individual members are not reflected on this report.
