<sup>1</sup> Information reported by HMOs as of the end of the second quarter of 2009 based upon the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 5.0" that instructs HMOs to exclude members for whom the HMO did not bear any financial risk. Beginning January 1, 2004, membership reflects those persons enrolled only in closed network plans; so-called "dual certificate option" plan (POS) members and insured preferred provider plan members are not included in this report.

<sup>2</sup> Includes all members enrolled in the HMO whose group coverage and COBRA coverage have expired and who have converted to an individual (conversion) policy as defined in the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 5.0." This includes persons who enrolled in group conversion plans offered prior to October 1, 1997.

<sup>3</sup> Carriers that do not have any members in closed group conversion plans are not reflected in this report.

<sup>4</sup> Doing business as Tufts Associated Health Plan ("TAHMO") and as Tufts Health Plan (THP).
