TELECOMMUNICATIONS AND ENERGY

D.T.E. 05-82

April 28, 2006

Petition of Dig Safe System, Inc. for Implementation of 811 as the Abbreviated Dialing Code for Providing Notification of Excavation Activities to Underground Facility Operators Within Massachusetts.

PROCEDURAL NOTICE

On April 26, 2006, the Department of Telecommunications and Energy ("Department") held a technical conference in D.T.E. 05-82. At the technical conference, the Department determined that briefing was premature. Accordingly, a revised briefing schedule will be established, if necessary, at a later date.

Additionally, the Department requires all telecommunications carriers to discuss and coordinate 811 implementation efforts with Dig Safe System, Inc. ("Dig Safe"). Telecommunications carriers, including wireline, wireless, and payphone providers must contact Dig Safe no later than Friday, June 2, 2006. The contact person for Dig Safe is:

Robert S. Finelli, Executive Director
Dig Safe System, Inc.
331 Montvale Avenue
Woburn, MA 01801
Phone: (781) 721-0990
Fax: (781) 721-0047
Email: bfinelli@digsafe.com

The Department also requires Dig Safe to report to the Department by Monday, July 10, 2006 as to the status of its discussions with carriers. In its report, Dig Safe shall identify any issues or disputes regarding implementation of 811, including but not limited to cost recovery, which require Department resolution. Should there be any questions regarding this notice, please contact Tina W. Chin at (617) 305-3578.
