**RE: 50% Construction Document Approval**

Dear LHA Executive Director:

This is to advise your Authority that this Department has completed a review of the 50% construction documents (plans and specifications) submitted in accordance with the above-captioned project. These documents have been technically reviewed and approved with comments as detailed in the Submission Review Memo located in CapHUB.

Please be advised that your Authority is authorized to proceed to produce 95% construction documents for our review and approval. The due date for this submission can be found in your 50% CD Approval Email Notification.

Should you have any questions, please contact your DHCD Project Manager or Simone Early, Design Reviewer at (617) 573-1148.

Sincerely,

Project Manager
