### MarineFisheries Advisory

#### **SOUTH ATLANTIC FISHERY MANAGEMENT COUNCIL TO HOST REGIONAL VIRTUAL MEETINGS TO DISCUSS KING MACKEREL AND SPANISH MACKEREL FISHERIES**

The South Atlantic Fishery Management Council (SAMFC) is hosting a series of regional meetings focused on recreational and commercial fisheries for king mackerel and Spanish mackerel. The meetings for New England will be held virtually on May 14, May 15, and May 16 beginning at 6PM. You may register for these meetings [here](#). The purpose of these meetings are to evaluate current management goals and objectives and discuss strategies for managing these fisheries moving forward given how changing environmental conditions may impact fishery dynamics. For more information, please visit the [SAMFC's website](#).
