    - 1. Certain details need to be supplied or certain information needs to be verified;
    - 2. The officer was unable to satisfy a training requirement because the officer was on approved leave, experienced a demonstrable hardship, or had another valid reason; or
    - 3. The officer has taken all required steps in connection with the SRO certification process, but circumstances beyond the officer's control have delayed a final decision on the application; and
  - (b) The Division shall require, as a condition of any such conditional SRO certification, that, within a reasonable and specified period of time, the officer complete any training that was required but not completed.
- (2) The Division shall attach the following to an SRO certification that it grants an officer pursuant to 555 CMR 10.06(3) or 10.07(1):
- (a) Any conditions, limitations, or restrictions that the Commission has attached to that individual's officer certification pursuant to 555 CMR 7.04 or otherwise; and
  - (b) Any other conditions, limitations, or restrictions that the Division deems warranted.

10.07: continued

- (3) The Division may determine that an officer is not required to satisfy any conditions attached to a conditional SRO certification, and that any time periods associated with any such conditions do not begin to elapse, before the conclusion of any review or hearing, or the expiration of the time afforded for the officer to seek such review or hearing, pursuant to 555 CMR 10.08.
- (4) The Division may extend the time initially allowed for an officer to satisfy a condition attached to a conditional certification, provided that:
  - (a) The officer has requested an extension of time from the Division prior to the deadline initially set by the Division;
  - (b) The officer has offered good cause for an extension of time; and
  - (c) The extension of time does not exceed 30 calendar days, unless the Commissioners approve a longer period of time through an action taken pursuant to M.G.L. c. 6E, § 2(e).
- (5) When an officer fails to satisfy a condition of a conditional SRO certification within the time allowed, taking into account the provisions of 555 CMR 10.07(3), the Division shall terminate the officer's SRO certification.
- (6) When an officer satisfies all conditions of a conditional SRO certification within the time allowed, taking into account the provisions of 555 CMR 10.07(3), and neither the officer's SRO certification nor the officer's officer certification is otherwise limited, restricted, or suspended, the Division shall convert the conditional SRO certification into a full SRO certification with an expiration date of three calendar years from the date on which the initial conditional SRO certification was issued.
- (7) In all other respects, an officer who holds a conditional SRO certification possesses a "specialized certification" and is "specially certified" as those terms are used in M.G.L. c. 6E, § 3(b).

10.08: Possible Action Following Decision Declining to Grant Full SRO Certification

- (1) An applicant that receives a decision from the Division declining to grant a full SRO certification for an individual may seek review by the Executive Director as follows.

  - (b) If the petition will be submitted by the individual alone, the individual shall serve a copy of the petition upon the chief of police by email or first-class mail prior to submitting the petition to the Executive Director, and the petition shall include a certificate of service stating the date of service, the method of service, and the address used for service.
  - (c) If the petition will be submitted by the chief of police alone, the chief of police shall serve a copy of the petition upon the individual by email or first-class mail prior to submitting the petition to the Executive Director, and the petition shall include a certificate of service stating the date of service, the method of service, and the address used for service.
  - (d) The Executive Director may ask any entity or individual to provide additional information, orally or in writing, or to appear at a meeting concerning the matter.  
 At any such meeting, the Executive Director shall have discretion to determine the extent to which an individual who does not have a right to appear may attend and participate.
  - (e) The Executive Director shall provide the individual and the chief of police with a written decision on the petition within a reasonable time.
- (2) Following the process described in 555 CMR 10.08(1), an applicant may request and obtain a hearing before the Commission concerning an application for SRO certification in accordance with 555 CMR 1.10: *Final Disciplinary Hearings and Appeals of Certification Decisions*.
- (3) The Commission may place an individual's SRO certification on restricted status while review pursuant to 555 CMR 10.08(1) or a hearing pursuant to 555 CMR 10.08(2) is pending.
- (4) The Commission may decline to afford review or a hearing where an application was denied because it was not timely filed.

10.08: continued

(5) Where an individual has received a final decision denying a full SRO certification, the Commission may attach limitations, conditions, or restrictions on the individual's ability to reapply.

10.09: SRO Certification Status

(1) An SRO application process shall be deemed ongoing and not "finally determined", as that term is used in M.G.L. c. 30A, § 13, absent a final decision.

(2) The granting of an SRO certification shall not preclude the limiting, conditioning, restricting, suspending, or revoking of the SRO certification in accordance with law, when warranted.

(3) An SRO certification may be made retroactive where such action is consistent with policies or protocols approved by the Commission either prior to or subsequent to the promulgation of 555 CMR 10.00.

(4) Unless the Commission provides otherwise, an SRO certification granted pursuant to 555 CMR 10.05 through 10.09 shall expire three calendar years after the effective date recognized by the Commission.

(5) SRO certification does not expand the scope of authority of an officer beyond that which is otherwise provided to SROs by law.

(6) The Commission may reconsider, and revise or vacate, a decision on an application for certification, when such action is warranted.

(7) If a decision to grant an SRO certification to an individual is vacated, the individual shall be deemed to have possessed an SRO certification during the period of time between the decision to certify and the decision to vacate.

(8) A decision regarding an individual's application for SRO certification shall not, by itself, affect an individual's officer certification.

(9) If an individual's officer certification is suspended, the individual's SRO certification shall be automatically deemed suspended.

(10) If an individual's officer certification is revoked, the individual's SRO certification shall be automatically deemed revoked.

(11) The Division shall terminate an SRO certification upon receiving a written request for such termination from the certified individual.

(12) An officer who possesses an SRO certification must promptly notify the Commission of any change in:

- (a) Contact information for the officer that has been provided to the Commission;
- (b) The officer's place of employment; or
- (c) The officer's work status, including on-leave status.

(13) The Division shall make information concerning SROs available on its website pursuant to a policy adopted by the Commission.

10.10: In-service SRO Training

(1) Any officer who is serving as an SRO or possesses an SRO certification is required to complete all SRO training that the MPTC requires pursuant to M.G.L. c. 6, § 116H or otherwise.

10.10: continued

(2) If an officer fails to complete the SRO training referenced in 555 CMR 10.10(1) within 90 days of any deadline or as soon as reasonably possible thereafter, the Division may administratively suspend the officer's SRO certification.

(3) The Division shall reinstate the SRO certification of an officer who was administratively suspended pursuant to 555 CMR 10.10(2) upon the officer's completion of all required SRO training.

(4) An officer's failure to complete the SRO training referenced in 555 CMR 10.10(1) shall not, by itself, constitute grounds for administrative suspension of an officer's officer certification pursuant to M.G.L. c. 6E, § 9(b).

10.11: Number of SROs

(1) The Commission may prescribe the number of SROs that a given municipality must ordinarily maintain.

(2) Agencies are encouraged to seek SRO certification and SRO training for more officers than are needed to staff participating schools at a given time, and to designate an SRO as an alternate who may serve in place of a regularly assigned SRO when needed.

10.12: Sub-specialties

The Division may grant an officer who has received an SRO certification an additional certification in a sub-specialty, or a specific aspect, of SRO service, pursuant to procedures that are substantially similar to those prescribed for SRO certification in 555 CMR 10.10.

10.13: Restricted Status

(1) Upon receiving a report that an individual with an SRO certification is serving as an SRO without being subject to both a sufficient MOU and sufficient Operating Procedures, the Division shall investigate the matter.

(2) If the Division determines that such individual is serving as an SRO without being subject to both a sufficient MOU and sufficient Operating Procedures, the Division may place the individual's SRO certification on restricted status.

(a) Any such determination shall be based on a comparison between the provisions of M.G.L. c. 71, § 37P and any terms governing the individual's work as an SRO.

(b) In deciding whether to place the individual's SRO certification on restricted status, the Division shall take into account all available information and circumstances known to it, including the impact on the individual's appointing agency and any school in which the individual has been serving.

(3) The Division shall terminate the restriction on the individual's SRO certification upon determining that the individual is subject to a sufficient MOU and sufficient Operating Procedures.
