(a) Family Composition and Size. Prior to issuing a child care financial assistance authorization, Family Access Administrators shall verify, through documentary evidence in accordance with EEC policy, the family size and household composition of the applicant by verifying the relationship of each child younger than 18 years old, or younger than 24 years old if the child is a full-time student, who resides in the household and is financially dependent on the parent(s) applying for child care financial assistance. Documents that reasonably establish the family composition and size shall be acceptable. Parents of young parents may include the young parent and their child(ren) in the applicant's family size provided that the young parent is not receiving EEC financial assistance for their child(ren).

(b) Identity. Prior to the initial authorization, the Family Access Administrator shall verify, through documentary evidence in accordance with EEC policy, the identity of each parent(s) applying for child care financial assistance. Required documentary evidence shall contain a photo of the applicant. If a parent cannot provide documentary evidence with a photo of the applicant, a parent may submit a combination of two secondary documents without photos to verify the identity of the applicant, in accordance with EEC policy. Secondary documents that reasonably establish identity shall be acceptable.

The Family Access Administrator must verify, through documentation in accordance with EEC policy, that families seeking child care assistance reside in a Massachusetts household because financial assistance administered by EEC is available only to residents of the Commonwealth of Massachusetts. Documents that reasonably establish residency in Massachusetts shall be acceptable.

(d) Citizenship or Immigration Status. In accordance with federal law, the Family Access Administrator shall verify, through documentary evidence in accordance with EEC policy, the United States citizenship status or immigration status of each child for whom care is requested. Any documents that reasonably establish the citizenship or immigration status of the child must be accepted, and no requirement for a specific type of documentation may be imposed. No child shall be denied child care financial assistance based solely on an applicant's failure to demonstrate citizenship or immigration status without final review by EEC.

(e) Eligibility Periods. Families shall be eligible for authorizations of a minimum of 12 months, and renewal is subject to the family's continued eligibility for child care financial assistance. Family Access Administrators shall notify families no fewer than two times that their eligibility period is ending. At least one of these notifications shall be in writing and shall be provided no fewer than 60 days prior to the end of their eligibility period.

(f) Contact Information. To ensure continued eligibility for child care financial assistance, parents must maintain current contact information, if any, with the Family Access Administrator and as directed in accordance with EEC policy. A family experiencing homelessness who does not have an address or telephone number must maintain as much current contact information as possible with the Family Access Administrator.

(g) Reauthorization. Prior to the end of the current authorization period, families must provide current documentation of continued income eligibility and service need to their Family Access Administrator, and shall provide documentation verifying their residency only if it has changed since their last reauthorization. Such documentation must be provided within a reasonable time prior to the authorization end date so that the authorization can be completed before the end of the current authorization. If documentation of a new approved activity is not provided prior to the end of the 12-week period, child care financial assistance may be terminated.

Failure to notify the Family Access Administrator of these changes within 30 days of each such change may result in an IPV, and may be subject to disqualification pursuant to 606 CMR 10.12.

b. At Reauthorization. A parent shall report all other changes at reauthorization. Failure to report these changes at reauthorization will not result in an IPV or disqualification. A parent may voluntarily choose to report a change prior to reauthorization if it will benefit the family to do so.

(i) Child Attendance. In order to remain eligible for a child care financial assistance, all children receiving EEC financial assistance shall attend the early education and care program, in accordance with the terms of the child care authorization. A non-approved break in care may result in the termination of child care financial assistance in accordance with 606 CMR 10.10.

(j) Data Sharing. For purposes of program integrity and in an effort to establish front end detection necessary to combat fraud, waste, and abuse, EEC may use data collected from child care financial assistance applicants to conduct data matches with other governmental entities. If data matches demonstrate inconsistencies with the statements or documents submitted by the child care applicant(s), the Family Access Administrator or EEC may request additional documentation. Failure to resolve the inconsistencies may result in the termination of an applicant's child care financial assistance, in accordance with 606 CMR 10.10.

(2) Fees. Parents receiving child care financial assistance may be required to contribute to the cost of the child care services they receive, in accordance with a sliding fee scale established by EEC.

(a) Parent Fee Scale. In accordance with M.G.L. c. 15D § 2(e) and pursuant to 45 CFR 98.45, EEC shall establish a schedule for revising its parent fee scale within six months of its most recent market rate survey or a federally-approved and adopted alternative methodology.

(e) Payment and Collection.

1. Parent fees must be paid on a payment schedule in accordance with EEC policy.

2. Educators/Providers are responsible for collecting parent fees in a timely fashion and must take appropriate action if parents fail to pay fees as required. (3) Priority in Funding.

(a) Children will be authorized for child care financial assistance in accordance with priorities and policies established by EEC, and subject to available funding.

(b) Parents whose eligibility for a specific EEC financial assistance program is ending have priority for access to other EEC financial assistance over parents who have not previously received EEC child care financial assistance. 10.10: Denial and/or Termination of Services

Parents aggrieved by the denial or termination of their DTA authorization for a child care financial assistance may request a fair hearing on the matter from DTA in accordance with DTA regulations and policies. Parents aggrieved by the denial or termination of their eligibility for DCF-related child care services may request a fair hearing on the matter from DCF in accordance with DCF regulations and policies. (4) Continuation of Child Care Financial Assistance Pending Request for Review and Request for Informal Hearing

- (a) Child care financial assistance shall continue after receipt of a notice of termination or denial at reauthorization pending the outcome of the request for review and, if necessary, Informal Hearing if the parent:
  1. submits to EEC a request for review, which shall serve as a request for the continuation of child care financial assistance, prior to the effective date of the termination or denial of the child care financial assistance;
  2. takes appropriate action to resolve any unpaid fee balance under 606 CMR 10.12(1) which caused the notice of termination prior to the effective date of the notice.
  3. at all times during the review process, including any Informal Hearing, if necessary, keep all undisputed fee payments current; and
  4. at all times during the review process, including any Informal Hearing, if necessary, ensure that the child continues to attend care in accordance with the child's Authorization.
- (b) If the denial was issued at an initial authorization, child care financial assistance shall not be available during the request for review or Informal Hearing process.
- (c) Child care financial assistance that is continued pending the outcome of a request for review or an Informal Hearing, and any unpaid fee balance, are subject to recoupment by EEC in cases where fraud is substantiated.

10.11: Review Process

(1) Reasons for Review. A parent may request an EEC review when EEC or the Family Access Administrator:

- (a) denies the parent's child care financial assistance.
- (b) terminates the parent's child care financial assistance;

- (e) imposes a sanction pursuant to 606 CMR 10.12.

(2) Scope of Review. A parent may not challenge the legality of state or federal law in the EEC review process. The scope of an EEC review shall be limited to determining whether the Family Access Administrator acted, or failed to act, in accordance with state or federal laws or EEC regulations or policies. A parent may raise specific issues of fact for consideration as part of their request, and the EEC Review Officer may overturn a decision on those grounds even if the Family Access Administrator otherwise acted in accordance with state or federal laws or EEC regulations or policies.

(3) Filing a Request for Review. The parent shall submit to EEC a written and dated request, which may be made *via* email, for a review within 30 days of notice that their child care is being terminated or denied, or within 30 days of an action or determination by the Family Access Administrator which the parent claims violates EEC financial assistance regulations or policy. The request for a review shall contain the parent's name, address, and telephone number, and the reason for the request. If a parent wishes to submit evidence in support of their request, such as documents or receipts, the evidence must be received by EEC within 14 calendar days of submitting the request for review in order to make such evidence a part of the review record.

(4) Representation. The parent may be represented by a person of their choosing at any stage of the review process.

(5) Termination of Continued Child Care Financial Assistance. Child care financial assistance continued in accordance with 606 CMR 10.11(5)(a) shall be terminated if at any time during the review process or any subsequent appeals:

- (a) a determination is made that the sole issue is a challenge to the validity of a particular law or EEC regulation;
- (b) a change affecting the parent's financial assistance occurs subsequent to the filing of the request for a review which makes the previously filed request for a review moot, and the parent does not appeal the subsequent matter within the applicable time period; or
- (c) the parent fails to comply with the requirements for continuing child care financial assistance listed in 606 CMR 10.10(4).

(6) Preliminary Review.

(a) Notification. Within seven days of receipt of the parent's request for review, the EEC Review Officer shall notify the Family Access Administrator of the request for review, and shall request that the Family Access Administrator submit evidence in support of their determination. EEC's Review Officer shall also notify the parent and the Family Access Administrator whether the child care financial assistance shall continue pending the outcome of the review.

(b) Response. Within seven days of the date of notification from EEC, the Family Access Administrator must submit to EEC's Review Officer evidence in support of their decision, action or inaction which allegedly forms the basis for the parent's request for review.

(c) Record. The case record shall consist of any evidence submitted by the Family Access Administrator, any evidence submitted by the parent, and, if applicable, any evidence obtained by EEC's Review Officer including, but not limited to, documentary evidence obtained from local, state, and/or federal agencies.

10.11: continued

(d) Decisions.

1. How Made. EEC's Review Officer will review all information submitted by the parent and Family Access Administrator and seek clarification from the parties, if necessary. The Review Officer may take administrative notice of general, technical or scientific facts within their specialized knowledge and may use their experience and specialized knowledge in the evaluation of the evidence presented. The EEC Review Officer may also take administrative notice of any public records or information from other local, state, and/or federal agencies.
2. When Made. Within 60 days of EEC's receipt of the request for review for a termination or denial at Reauthorization or as promptly as administratively feasible, EEC's Review Officer shall issue a written decision to the parent and the Family Access Administrator which upholds, reverses, or modifies the Family Access Administrator's decision, action, or inaction. Within 60 days of EEC's receipt of the request for review for denial at initial Authorization, EEC's Review Officer shall issue a written decision to the parent and the Family Access Administrator which upholds, reverses, or modifies the Family Access Administrator's decision.
3. When Implemented. Unless 606 CMR 10.10(4) applies, the EEC Review Officer's decision will be implemented in accordance with the timelines set forth in the decision.
4. Notice of Right to Appeal. The Review Officer's written decision shall inform the parent of the parent's right to appeal the written decision by requesting an Informal Hearing in accordance with 606 CMR 10.11(7). If the parent does not appeal, the Review Officer's written decision shall become EEC's final agency decision and child care financial assistance shall be terminated immediately.

(7) Informal Hearing. After a Preliminary Review, aggrieved parents may appeal the EEC Review Officer's decision by requesting an Informal Hearing.

(a) Requesting an Informal Hearing. Parents may request an Informal Hearing by submitting to EEC's General Counsel a written dated request, which may be made *via* email, for an Informal Hearing within 14 days of the date of the EEC Review Officer's written decision. The request for Informal Hearing must state the reason for the appeal. The General Counsel, or designee, may make disposition of the appeal, at the request of and with the consent of the parent, prior to the holding of a hearing; a parent shall have the continued right to an Informal Hearing after any such disposition or may choose to waive the hearing.

(b) Continuation of Benefits Pending an Informal Hearing. In order for child care financial assistance to continue pending the outcome of the appeal, the parent shall timely appeal the decision in accordance with 606 CMR 10.11(7)(a), and shall comply with the requirements under 606 CMR 10.10(4).

(c) Notice of Hearing. The General Counsel or the designated EEC Hearing Officer shall notify the parent, the Family Access Administrator, and EEC's Review Officer of the date, time, and place of the hearing. The notice shall also describe the hearing procedure and the right to contact EEC to obtain further information, including the case file and documents to be submitted by EEC at the hearing.

(d) Hearings.

1. Timing. Within 60 days of EEC's receipt of the request for an Informal Hearing, EEC shall hold the hearing.
2. Procedure. The Informal Hearing shall be conducted in accordance with 801 CMR 1.02: *Informal/Fair Hearing Rules*. The General Counsel may appoint an EEC Hearing Officer to preside over the hearing.
3. Adjustment of Matters Relating to the Hearing. EEC's Hearing Officer may make informal disposition of the adjudicatory proceeding by stipulation, agreed settlement, consent order, or default, and may limit the issues to be heard, in accordance with M.G.L. c. 30A, § 10.
4. Submission without a Hearing. The parent may elect to waive a hearing and to submit any documents without appearing at the time and place designated for the hearing. Submission of a case without a hearing does not relieve the parties from supplying all documents supporting their claims or defenses. Affidavits and stipulations may be used to supplement other documentary evidence in the record.
5. Location. The Informal Hearing shall be held in EEC's Central Office, or a location designated by EEC. The parent may request that the Informal Hearing be held at an EEC regional office more conveniently located to the parent or be scheduled *via* telephone or *via* a virtual, video enabled platform.

## 10.11: continued

6. Hearing Record. EEC's Hearing Officer shall ensure that a record is made of the hearing. All documents and other evidence offered and accepted shall become part of the record. The record shall also include the request for review, the request for Informal Hearing and the decision by EEC's Review Officer.
7. Burden of Proof. The EEC Hearing Officer's decision shall be supported by substantial evidence presented at the hearing. EEC shall have the burden of proof to uphold the decision of the EEC Review Officer.
- (e) Reasons for Dismissal. EEC's Hearing Officer may dismiss a request for an informal hearing if a parent:
  1. fails to appear at the informal hearing, in accordance with 801 CMR 1.02: *Informal/Fair Hearing Rules*;
  2. fails to prosecute their claim, in accordance with 801 CMR 1.02: *Informal/Fair Hearing Rules*; or
  3. withdraws the request for Informal Hearing in writing or on the record at the hearing.
- (f) Decisions. If the denial was issued at reauthorization, or if child care financial assistance was terminated, EEC's Hearing Officer shall issue the written decision in accordance with M.G.L. c. 30A, § 11(8) within 60 days of conducting the Informal Hearing or as soon as administratively feasible. If the denial was issued at an initial authorization, EEC's Hearing Officer shall issue a written decision in accordance with M.G.L. c. 30A, § 11(8) within 60 days of conducting the Informal Hearing.
- (g) Judicial Review and Finality of Decision. The decision of EEC's Hearing Officer following an Informal Hearing shall be the final agency decision for purposes of judicial review under M.G.L. c. 30A.
- (h) Further Appeal and Stay of Decision. Following the Informal Hearing, the decision of EEC's Hearing Officer shall be implemented in accordance with the timelines set forth in the EEC Hearing Officer's decision unless the parent:
  1. timely appeals the decision to superior court pursuant to M.G.L. c. 30A;
  2. submits a written request for a stay of the decision to EEC's General Counsel; and
  3. the General Counsel grants the request for a stay.

10.12: continued

(2) Non-payment of Fees. If a parent is determined to be in violation of the parent fee obligation required by 606 CMR 10.03(2), the parent may incur an Intentional Program Violation pursuant to the following:

- (a) Upon the non-payment of a parent fee, the provider shall issue a written warning to the parent that payment is due. If, after receiving the warning, the parent pays the balance owed prior to the due date for the next scheduled parent fee payment, no further action or sanction shall apply and an IPV shall not issue.
- (b) If the parent does not pay the balance owed following receipt of the warning and does not pay the next scheduled parent fee payment owed on or by its due date, the provider may enter a repayment plan with the parent or the provider or Family Access Administrator may issue a notice of termination for non-payment of fees to the parent.
- (c) The provider may choose to enter into a repayment plan with the parent in lieu of issuing a termination notice, the terms of which must be agreed upon by both parties. If a parent adheres to the payment schedule of the repayment plan, no further action or sanction shall apply and no IPV shall issue. If a parent does not adhere to the payment schedule of the repayment plan, the provider or Family Access Administrator may issue a notice of termination for non-payment of fees to the parent.
- (d) A termination notice for non-payment of fees must be delivered to the parent 14 calendar days prior to termination of care and must state that services to the family will end 14 calendar days from the date the notice is delivered if the parent does not pay the overdue balance.
- (e) If the parent does not pay the overdue balance prior to the termination date listed in the termination notice, EEC shall issue the parent an IPV and child care financial assistance shall be terminated until the unpaid balance is paid in full. Following termination, if the parent pays the unpaid balance in full, the parent is eligible to return to care if allowable under 606 CMR 10.10(4) or (5) or is eligible to return to the waitlist in accordance with 606 CMR 10.04, or pursuant to the applicable referral in accordance with 606 CMR 10.05 and 10.06.

(3) Exemptions to Sanctions.

- (a) A parent with an active TAFDC case in accordance with 606 CMR 10.05(4)(a) shall be exempt from the termination or disqualification sanctions during the period their TAFDC case remains open or through the end of their eligibility period under 606 CMR 10.05(4)(a), whichever is later.
- (b) A parent with an active DCF referral pursuant to 606 CMR 10.06 will be exempt from the termination or disqualification sanctions during the period the parent receives DCF-related child care pursuant to 606 CMR 10.06(4).
