Commonwealth of Massachusetts Board of Registration in Nursing

244 CMR 6.06(2):

(a) The Board may waive its on-site survey based on its review of a written waiver request submitted by the program administrator within three months of the program's receipt of its notice of full accreditation status by a Board-recognized accrediting agency in nursing, and accompanied by:

- 1. written evidence of the program's full accreditation;
- 2. the program's report evaluating its compliance with the accreditation standards of the Board-recognized accrediting agency in nursing;

3. the written findings and recommendations of the Board-recognized accrediting agency in nursing based on its review of the program. The Board may request a progress report from the program in response to the recommendation(s) of the accrediting agency; and

4. The program written report addressing its compliance with 244 CMR 6.04(1)(g) and (h); (2)(a) and (b); (4)(b); and (5)(b).

(b) The Board shall notify the program administrator of its action on the waiver request.

Guideline for 244 CMR 6.06(2): Waiver of 244 CMR 6.06(1)(a)Waiver of Site Survey for Fully Accredited Programs

The Board.

In accordance with regulation 244 CMR 6.06(2)(a), the Board of Registration in Nursing (Board) may waive the 244 CMR 6.06(1)(a) site survey of an approved nursing education program (Program) that is fully accredited by a Board-recognized accrediting agency in nursing. The Board will only consider a 244 CMR 6.06(1)(a) waiver application that is submitted in accordance with Board regulation, 244 CMR 6.06(2)(a) and its corresponding guideline. The Board will recognize the Program's Annual Report to the Board and any supplemental correspondence as equivalent to the documentation required at 244 CMR 6.06(2)(a)1-4.¹

Waiver Application Format:

- 1. A table of contents should be included, and pages should be numbered sequentially, including the appendices.
- 2. The waiver guideline should be attached to the report with page numbers and table numbers entered in the spaces provided.
- 3. All sections in the report should be clearly labeled and sequential in relation to the regulation being addressed.
- 4. Enter page number in submitted documents that addresses each regulation.
- 5. A hardcopy and an electronic version of the waiver application must be submitted by the due date.
- 6. Do NOT include student names (use codes or legends to identify students)
- 7. Include a current electronic version of the following: the program systematic evaluation plan, nursing Program student handbook, faculty handbook, and college catalog.
- 8. The report and application should be submitted in word format.
- 9. Reports that are not submitted in the correct format will be returned to the program for revision.

The Program application included the following, as required by 244 CMR 6.06(2)(a) 1-4:
