**BEFORE THE
COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF TELECOMMUNICATIONS AND ENERGY**

Investigation by the Department on its own motion as to the propriety of the rates and charges set forth in the following tariff: M.D.T.E. No. 14, filed with the Department on June 16, 2006, to become effective July 16, 2006, by Verizon New England, Inc. d/b/a Verizon Massachusetts.

D.T.E. 06-61

**PETITION TO INTERVENE OF BROADVIEW NETWORKS, INC.;
DSCI CORPORATION; EUREKA TELECOM, INC. D/B/A INFOHIGHWAY
COMMUNICATIONS; AND NEW HORIZON COMMUNICATIONS**

Pursuant to 220 C.M.R. § 1.03 and the Massachusetts Department of Telecommunications and Energy's ("Department") July 17, 2006 Notice of Investigation and Public Hearing in the above-captioned proceeding, counsel for Broadview Networks, Inc. ("Broadview"); DSCI Corporation ("DSCI"); Eureka Telecom, Inc. d/b/a InfoHighway Communications ("InfoHighway"); and New Horizon Communications ("New Horizon") (collectively "Joint Petitioners") hereby petition the Department to intervene as parties in this proceeding, stating in support thereof the following:

1. Joint Petitioners are Competitive Local Exchange Carriers ("CLEC") that are authorized to provide service throughout the Commonwealth of Massachusetts and provide local service consistent with that authorization. Their provision of services includes, among other things, obtaining certain services that Verizon-Massachusetts ("Verizon") offers on resale basis pursuant to 47 U.S.C. § 251(c)(4) and applicable state law.

2. On July 17, 2006, the Department initiated this proceeding to investigate Verizon's June 16, 2006 proposed reduction to its resale discount rates. It also invited all interested persons who are substantially and specifically affected by issues under investigation to petition to intervene in this proceeding by Monday, August 7, 2006.

3. Joint Petitioners accordingly request that they be permitted to intervene as parties in this proceeding so that they may represent and protect their interests during it. Joint Petitioners will be substantially and specifically affected by the Department's review and decision in this

proceeding because they are customers that purchase certain telecommunications services on a resale basis from Verizon and also are competitors of Verizon. Any changes to Verizon's current resale discount rate will specifically impact Joint Petitioners' ability to compete with Verizon.

4. The interests of the Joint Petitioners cannot be represented adequately by other parties to this proceeding. In order to ensure that the Joint Petitioners' interests are fully and properly represented, Joint Petitioners' participation as parties in this proceeding is necessary.

5. If allowed to intervene as parties, Joint Petitioners plan to participate fully in this proceeding, including propounding discovery, offering pre-filed and hearing witness testimony, and presenting written and oral argument on the issues raised.

6. In making this request, Joint Petitioners ask that all communications and correspondence for this proceeding be directed to the undersigned counsel and the following individuals at Broadview, DSCI, InfoHighway, and New Horizon:
