Dear Mr. Mackie,

Pursuant to 105 CMR 130: 122, I am writing to inform you of our intent to close an in-house outpatient therapy clinic located at 189 May Street, Worcester, MA. The effective date of discontinuation is December 12, 2020, which will meet the 90 day notice of intent to close services.

The in-house outpatient therapy clinic utilization rates are approximately 500 outpatient appointments per month. We anticipate a low impact on individuals in the hospital service area as there are many outpatient providers in the service area. This notification will be forwarded to the Department to the Health Policy Commission, Office of the Attorney General, Center for Health Information and Analysis and Executive Office of Labor and Workforce Development.

Should you have any question or need additional information please feel free to contact me at the information below.

Sincerely,
