Subject: Medical Assessment Reporting Instructions

The Department of State Police has begun performing medical assessments for 93rd RTT candidates. Medical appointments have been scheduled for candidates who have successfully passed the Physical Fitness Test (“PFT”). If you are still active in the selection process and have passed the PFT, your candidate number appears on the posted *Medical Appointments* list. If you are not presently scheduled for a medical assessment and are scheduled for the upcoming PFT, continue to monitor the 93rd RTT website for future appointments.

Medical assessments are being conducted in the following location:

Quadrant Health Strategies, Inc.
500 Cummings Center, Suite 4350
Beverly, MA 01915

Note: It is best to put “Balch Street” in your GPS. This will bring you to the back entrance of Cummings Center where Quadrant is located. Enter Cummings Center through the “West Drive” entrance and follow the attached directions from there. Quadrant is in the glass building (Building 500) in front of the parking garage, which will be on your right.

View the *Medical Appointment* documents posted to this website (93rd RTT), locate your Candidate ID Number, and the corresponding appointment date, time, and location.

In the event our medical staff identifies a condition that calls into question your ability to perform the essential duties of a Massachusetts State Trooper, you will be advised and may be instructed to provide certain personal medical records. ***Requests for supplemental medical records must be complied with as soon as possible, and no later than 30 days, upon receipt.***

Failure to appear for your appointment or failure to provide supplemental medical documentation will be considered a voluntary withdrawal from the selection process. Moreover, anyone who voluntarily withdraws from the selection process will not be considered for any other future appointment to the State Police Academy from the current eligible list.

Questions or concerns relative to your scheduled appointment are to be directed to the 93rd RTT at MSPRTT@pol.state.ma.us Based on the need to process hundreds of medical appointments, **requests for rescheduling will only be considered in cases of exigent circumstance.**
