**ALCOHOLIC BEVERAGES CONTROL COMMISSION ADVISORY**  
**REGARDING INDOOR SINGING PERFORMANCES AND**  
**INCREASED CAPACITY AT ARENAS, STADIUMS, AND BALLPARKS**

On April 27, 2021, Governor Charlie Baker announced a multi-step plan to roll back certain COVID-19 restrictions as part of reopening Massachusetts. The details of the Governor's plans can be found [HERE](#).

As part of the reopening plan, beginning Monday, May 10, 2021, indoor and outdoor arenas, stadiums, and ballparks may increase their capacity from 12% to 25%. These venues do not need to submit new safety plans to the Department of Public Health if they have previously done so.

Also starting Monday, all licensees may resume indoor singing performances. Licensees must follow all social distancing requirements as provided for in the Theater and Performance Venue Guidelines, which can be found [HERE](#).

As always, all licensees must ensure that they comply with the laws of the Commonwealth of Massachusetts, and that sales of alcoholic beverages take place only as authorized by federal, state, and local law.
