RE: ACO LEAP Re-Certification

Dear Mr. Jones:

Congratulations! The Health Policy Commission (HPC) is pleased to inform you that BMC Health System, Inc. meets the requirements for ACO Certification under our Learning, Equity, and Patient-Centeredness (LEAP) standards. This certification is effective from January 1, 2026, through December 31, 2027.

The ACO Certification program, in alignment with other state agencies including MassHealth, is designed to accelerate care delivery transformation in Massachusetts and promote a high quality, efficient health system. ACOs participating in the program have met a set of objective criteria focused on core ACO capabilities demonstrating dedication to patient-centered care, use of evidence-based and data-driven strategies to improve care delivery, and commitment to addressing long-standing health inequities. BMC Health System, Inc. meets those criteria.

The HPC will promote BMC Health System, Inc. as a Certified ACO on our website and in our marketing and public materials. Enclosed you will find an ACO Certification logo for your organization to use in accordance with the attached Terms of Use. We hope you will use the logo on promotional materials when you highlight your ACO Certification to your patients, payers, and others.

The HPC looks forward to your continued engagement in the ACO Certification program over the next two years.

Thank you for your dedication to providing accountable, coordinated health care to your patients, and to continued learning and improvement over time. If you have any questions about this letter or the ACO Certification program, please do not hesitate to contact Courtney Anderson, Senior Manager, at HPC-Certification@mass.gov.

Best wishes,
