# YOUR LIFE INSURANCE POLICY

**This plan is a two-part program. Part one is Basic Life and Accidental Death & Dismemberment (AD&D), and part two is Optional Life and AD&D. You must first be insured for Basic Life and AD&D before you can choose Optional Life and AD&D coverage.**

## ELIGIBILITY AND EFFECTIVE DATE

You are eligible for Basic Life and AD&D insurance as an employee/retiree of the Commonwealth of Massachusetts.

If you're an employee, you must work at a minimum:

- 20 hours in a 40 hour work week; or
- 18.75 hours per week.

Eligible employees/retirees are further defined under the Massachusetts General Laws in Chapter 32A. Contact information for the Group Insurance Commission is listed at the back of this booklet.

## BASIC LIFE AND AD&D ENROLLMENT

New employees' insurance becomes effective on the first day of the month following the earlier of 60 days or two calendar months of continuous active employment.

Should you decide not to enroll in the Basic Life insurance coverage when you are first eligible, you must wait until the next annual enrollment period. If you enroll at that time, your coverage will be effective on July 1st. Active employees and retirees are not required to submit Evidence of Insurability for Basic Life and AD&D insurance.

### LIFE INSURANCE QUESTIONS?

Contact the Group Insurance Commission at

**617.727.2310 ext. 1** or **MASS.GOV/GIC/LIFEINSURANCE**

## **OPTIONAL LIFE AND AD&D ENROLLMENT**

### **New Employees**

In order to enroll in the Optional Life and AD&D insurance program, you must first be enrolled in Basic Life and AD&D insurance. New employees may apply for up to eight times their salary when first eligible. The amount of Optional Life and AD&D insurance you may elect is up to you and is based on a multiple of your annual salary up to a maximum of \$1.5 million. In no event can it be more than eight times your annual salary.

### **Late Enrollment**

New employees who do not apply for Optional Life insurance when first eligible, or do not elect the maximum amount at that time, may at any time during the year enroll or apply to increase their coverage, subject to providing evidence of insurability. You will need to complete the GIC's Enrollment/Change Form-1, which you can obtain from your GIC Coordinator and on the GIC's website **[MASS.GOV/GIC/FORMS](https://www.mass.gov/gic/forms)**. The Hartford will then send you a letter with instructions on how to submit your personal health application (evidence of insurability form) online, or how to obtain a paper application to send in. The Hartford will notify you of your application's approval or denial. If approved, the GIC will determine the effective date of coverage.

### **At Retirement**

Retirees may elect to keep or reduce their Optional Life insurance in force upon retirement. If at the time of retirement you cancel or reduce your Optional Life insurance, you may apply to reinstate it up to the amount you carried at the time of retirement, subject to providing evidence of insurability. Before retirement, you should review the amount of your Optional Life insurance coverage and its cost to determine whether it will make economic sense for you to keep it when you retire. Optional Life insurance rates significantly increase when you retire and continue to increase based on your age. See page 7 for rates.

## SCHEDULE OF BENEFITS

### BASIC LIFE AND AD&D BENEFITS

All Employees and Retirees

**\$5,000\***

### OPTIONAL LIFE AND AD&D BENEFITS

All Employees and Retirees who have also elected to be insured for Optional Life and AD&D insurance<sup>1</sup>

<sup>1</sup> AD&D not available if insured has an approved Waiver of Premium.

## FAMILY STATUS CHANGE

Active state employees who have a qualifying family status change during the year may enroll in or increase their coverage without any medical review in an amount up to four times their salary provided that the GIC receives an enrollment form and required documentation within 31 days of the qualifying event. Family status changes include the following events:

QUALIFYING EVENT	REQUIRED DOCUMENTATION
<b>Marriage</b>	Marriage certificate
<b>Birth or adoption of a child</b>	Birth certificate and/or adoption placement letter
<b>Divorce</b>	Divorce decree
<b>Death of a spouse</b>	Death certificate

ENROLLEE PREMIUM CONTRIBUTIONS

Most of the cost of your Basic Life insurance premium is paid by the Commonwealth. You are responsible for the full premium for any Optional Life insurance you select. Optional Life rates are age-banded and increase as you get older. Your monthly contribution is deducted from your paycheck or pension one month in advance. If you have selected an amount of Optional Life that is a multiple of your salary (two to eight times), you have elected the Automatic Increase Option, which means that your Optional Life insurance will increase automatically after an increase in your annual salary. If you are not having payroll or pension deductions made, you must pay your part of the premium directly to the Group Insurance Commission each month. Failure to make the required premium payment on time will result in termination of your Life insurance.

CALCULATE YOUR OPTIONAL LIFE AND AD&D BENEFIT COSTS

		\$69,400
2.	—	- 400
3.	—	- 1,000
		<b>*\$68,000</b>

EXAMPLE OF MONTHLY PREMIUM COST CALCULATION<sup>2</sup>

Sarah is a 37 year old active state employee, a smoker, and earns \$34,700 annually. She has chosen Optional Life insurance in an amount equal to two times her salary. To calculate the cost of her Optional Life and AD&D insurance, she must:

- 1. Multiply her annual salary by 2 (\$69,400);
- 2. Round that amount down to \$69,000; and
- 3. Subtract \$1,000.

Her Optional Life insurance amount:

Sarah's premium rate is \$0.12 per \$1,000 of insurance: \$68,000 x 0.12 / \$1,000

Her monthly cost would be **\$8.16**

Her annual cost would be \$8.16 x 12 mos = **\$97.92**

Rates are based on the age of the Insured person and increase as the insured enters each new age category. Rates and/or benefits may be changed on a class basis. In addition, eligibility for non-smoker rates require that the insured has not smoked cigarettes, cigars or a pipe or used chewing tobacco, snuff or a nicotine delivery system during the 12 months before submitting an application for insurance.

# DEATH CLAIMS PAYMENT PROCEDURES

## **You have three options to choose from for claims payment:**

- Lump Sum
- Electronic Funds Transfer
- Safe Haven®

## **TO FILE A CLAIM, CONTACT THE GIC AT 617.727.2310 (EXT. 4)**

The Group Insurance Commission (GIC) wants to process your beneficiary's claim as soon as possible. A family member or a close friend should contact the GIC and provide the following information:

- A copy of your life insurance certificate or GIC annual benefit statement (if available).
- A certified death certificate (a photocopy is not acceptable).
- All beneficiary names, dates of birth, Social Security numbers and addresses.

This documentation must be received at the GIC within 365 days of the date of death.

If the death resulted from an accident, also provide the following additional information:

- Copy of any and all police reports.
- Copy of any related newspaper or verifiable online articles.

The GIC will process this information and forward it to the life insurance carrier.

The Hartford will then send payment to your beneficiary. This procedure applies for all deaths, regardless of cause. For Accidental Death and Dismemberment, The Hartford may request additional information.

## **METHOD OF CLAIMS PAYMENT**

**Your beneficiary has three options to choose from for claims payment: Lump Sum, Electronic Funds Transfer, or Safe Haven®**

### **1. LUMP SUM**

Unless an Electronic Funds Transfer or Safe Haven option (as shown below) is elected, your beneficiary(ies) will receive a lump sum check directly from The Hartford for any benefits paid under the Life and Accidental Death and Dismemberment section of your policy.

### **2. ELECTRONIC FUNDS TRANSFER (EFT)**

Beneficiaries can elect to receive the Life/AD&D benefits payable under your policy funded directly into their checking or savings account. To make arrangements for an EFT transfer, the beneficiary should call The Hartford at 1-888-563-1124.

### **3. SAFE HAVEN®**

A beneficiary may instead elect to have the policy proceeds paid through The Hartford's Safe Haven® program. Safe Haven is intended to provide beneficiaries with a convenient means for paying immediate expenses, while still allowing them time to decide how to use the remaining balance of their insurance proceeds during a time when making financial decisions may be difficult.

Safe Haven® is a claims settlement option using a draft book for group life insurance when the life insurance proceeds are \$6,000 or more to a single beneficiary. The beneficiary is provided with a book of drafts and will have access to other online account features such as transferring funds from their Safe Haven account into another bank account as needed. These features allow the beneficiary easy access to their proceeds at any time by simply going online or writing drafts (similar to a check) for any amount, up to the full balance including earned interest, if any. Payment of the full benefit amount is accomplished by the delivery of the draft book. It should be noted that other settlement options are no longer available once the Safe Haven claim option is elected.

## Safe Haven Disclosures:

- The money (beneficiary's insurance proceeds) in the Safe Haven Program is not held in a bank account and is not insured by the Federal Deposit Insurance Corporation; nor is it backed or guaranteed by any federal or state government agency. The money is held in the general account of the applicable issuing company of The Hartford and the beneficiary's ability to withdraw their money is based on the claims paying ability of the issuing company.
- The interest earned on the account is considered taxable income.<sup>3</sup>
- The Hartford at its sole discretion, determines the credited interest rate. Note that the Safe Haven Program does not charge any fees against the customer's account.
- Each quarter customers will be mailed a statement showing withdrawals, interest credited, cleared drafts, current interest rate, and any other activity.

**Note:** *interim monthly statements will only be provided upon request or when there are new transactions posted or credited to the customer's proceeds other than earned interest.*

A beneficiary has full control of his/her proceeds and may choose to end participation at any time by either writing a draft for the remaining balance or requesting a closeout check.

To learn more about the Safe Haven Program, please call **1-888-801-3873**  
**Monday-Thursday 8am-7pm (EST)**  
**Friday 8am-6pm (EST)**

## ACCELERATED DEATH BENEFIT

In the event that you have been diagnosed with a terminal illness while you are covered under The Policy, we will pay the Accelerated Benefit amount as shown below, provided we receive proof of Terminal Illness.

Terminal Illness means a life expectancy of 12 months or less.

You must make application for the portion of your Amount of Life Insurance to be paid as an Accelerated Death Benefit. To apply for this benefit, contact the GIC at **617-727-2310 Ext. 4.**

The Amount of Life Insurance payable upon your death will be reduced by any Accelerated Death Benefit Amount paid.

In no event will the Accelerated Death Benefit Amount exceed 80% or be less than 25% of your Amount of Life Insurance. This option may be exercised only once. Upon payment of the Accelerated Death Benefit Amount, future life insurance premiums will be waived regardless of your age.

Any benefits received under this benefit may be taxable. The Hartford is not responsible for any tax or other effects of any benefit paid. As with all tax matters, you should consult your personal Tax Advisor to assess the impact of this benefit.<sup>4</sup> Receipt of accelerated benefits may affect Medicaid and Supplemental Security Income (SSI) eligibility. In addition, exercising your option to receive accelerated death benefits before you apply for those programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Division of Medical Assistance and the Social Security Administration for more information.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
- 2) If a government agency requires you to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Death Benefit.

If you have executed an Assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Death Benefit, the GIC must receive a release from the assignee before any benefits are payable.

We reserve the right to require medical documentation of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a physician.

# HOW YOUR LIFE INSURANCE PROGRAM WORKS

**When you become insured, you must name someone as your beneficiary to receive your life insurance proceeds.**

**If you should die while insured under this program, The Hartford will pay your beneficiary the entire amount of life insurance in force after the GIC receives all required documentation and the GIC receives the certification of death.**

## NAMING YOUR BENEFICIARY

When you become insured, you must name someone as your beneficiary to receive your life insurance proceeds. You may name more than one person and determine the proportion each person is to receive. If more than one beneficiary is named, and you do not designate their order or share of payments, the beneficiaries will share equally. The share of a beneficiary who dies before you, or the share of a beneficiary who is disqualified, will pass to any surviving beneficiaries in the order you designated.

The effective date of your beneficiary designee will be the date that the GIC receives the completed beneficiary designation form.

You may change your beneficiary at any time by completing a new GIC life insurance beneficiary designation form and mailing it to the GIC. Active employees can obtain the form from their agency's GIC Coordinator. Retirees should contact the GIC for the form. If you do not name a beneficiary, or if all named beneficiaries do not survive you, or if your named beneficiary is disqualified, your insurance benefit will be paid to the first surviving family member, in the order listed below:

1. Your spouse
2. Your child or children
3. Your mother or father
4. Your sisters or brothers
5. Your estate
6. If none, to the person or persons determined to be entitled thereto under the laws of the Commonwealth of Massachusetts.

If any beneficiary is a minor, the benefit will be paid to the legal guardian of the minor's estate.

Beneficiary information is confidential. An insured can confirm his or her beneficiary information by reviewing their annual GIC benefit statement or by requesting in writing such confirmation from the GIC. Beneficiary information is not provided over the phone.

If any person otherwise entitled to payment does not make a claim for payment within one year of the death, payment may be made by order of precedence as if such person had died before the insured.

## **ASSIGNMENT OF LIFE INSURANCE**

Your Life and AD&D insurance generally cannot be transferred or reassigned. It is exempt from claims of your creditors or those of your beneficiary to the extent allowed by law.

However, you may “absolutely assign” all ownership of your Basic Life insurance and, if applicable, Optional Life insurance, including your right to convert to an individual policy, provided you follow the required rules and regulations of the GIC. To apply for assignment of life insurance, you must contact the GIC for an assignment form. The assignment form must be received and approved by the GIC and The Hartford before your insurance can be assigned to another party.

It is important to note that the GIC and The Hartford are not responsible for the validity of these assignments.

## WAIVER OF PREMIUM DUE TO DISABILITY

**If prior to age 60 you become disabled while insured, your Basic and Optional Life insurance may be continued without further premium cost to you.**

- You must apply for the Waiver of Premium benefit within two years of your date of disability.
- You must contact the GIC for an application.
- Your application will be submitted to The Hartford by the GIC.
- Your insurance premium payments must continue to be paid until the Waiver is approved.

If you qualify for Waiver of Premium, the amount of insurance in effect on the date you cease to be an Active Employee will be the amount continued under this Waiver provision. This amount will not increase.

If your Waiver of Premium was approved prior to May 1, 1983, under state law your Optional Life insurance benefits will end at age 70. You are then eligible to convert to a non-group policy. The waiver of your Basic Life insurance will remain in force for as long as you continue to remain disabled. Upon approval of the Waiver of Premium, your AD&D benefit will be discontinued.

You are disabled when The Hartford determines that, due to an injury or sickness, you are unable to perform the duties of any occupation for which you are, or could become, reasonably fitted by training, education or experience.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

The Hartford may require you to be examined by a doctor, other medical practitioner or vocational expert of its choice. The Hartford will pay for this examination. It can require an examination as often as it is reasonable to do so. The Hartford may also require you to be interviewed by an authorized Hartford Representative.

If your application for Waiver of Premium is denied or you fail to submit an application for Waiver within the designated two-year period, you may continue the coverage amount in force for you immediately prior to the date you became disabled, provided premiums continue to be paid for such coverage.

## **DEFERRED RETIREMENT**

A “deferred retiree” is defined as an insured employee who, when ending employment with the Commonwealth, has a right to receive a pension at some future date. Before the pension is received, the employee, for purposes of these life insurance programs, may be considered as if on a leave of absence without pay and may continue his or her insurance program by paying the full cost of the insurance.

Any withdrawal/transfer of monies from a state pension to a pension system not covered by the GIC shall disqualify you from deferred retiree coverage. It is your responsibility to report to the GIC any withdrawal/transfer of monies, so that the GIC can determine if Deferred Retiree Coverage will continue or end.

## RETIREMENT

If you retire from service with the Commonwealth and are eligible for a pension, you may continue your Basic and Optional Life insurance at the amount you had at your date of retirement. Your premium for Optional Life insurance will be at the retiree rate.

This rate differs from the premium you paid as an active employee. Refer to Monthly Premium Chart on page 7.

An employee thinking of retirement should visit the GIC Coordinator at his or her worksite to obtain GIC retirement forms. It is important to complete these forms before retirement and carefully review the amount of Optional Life insurance coverage and its cost to determine whether it will make economic sense for you to keep it or reduce your amount of coverage.

Be sure to indicate any changes you wish to make on your retirement forms as you will be responsible for the increased premiums if you do not change your coverage amount.

If on or after retirement you terminate or decrease your Optional Life insurance, you may apply for reinstatement up to the amount of Optional Life you had at the time of your retirement if you:

- Submit proof of good health which is satisfactory to The Hartford; and
- Forfeit the amount of insurance which has been converted to a non-group policy.

**See pages 26-27  
for information  
about portability  
and conversion  
options.**

# OPTIONS AVAILABLE UPON THE LOSS OF GIC COVERAGE

## PORTABILITY COVERAGE

Retirees and those terminating coverage at or above Social Security Normal retirement age are not eligible for the portability option.

See [MASS.GOV/GIC/LIFEINSURANCE](https://www.mass.gov/gic/lifeinsurance) for more information.

Active employees under Social Security Normal retirement age who terminate employment or become ineligible due to a reduction in hours may elect to “port” their coverage to a term policy similar to their Group Term Life or Accidental Death & Dismemberment insurance without providing evidence of insurability. This coverage provides more favorable rates than conversion coverage (see page 27).

The maximum amount of your Life and AD&D portability coverage cannot be more than:

- The amount of life insurance you carried under the group plan; or five times your annual earnings
- \$750,000 from all GIC Basic and Optional Life Insurance plans combined, whichever is less.

You must apply for portability coverage:

- Within 31 days after your coverage ends with the Commonwealth; or
- Within 15 days of the date you are notified by The Hartford or the Commonwealth, but in no event more than 90 days from the date coverage terminates.

You may apply for portability for your Basic Life and/or Optional Life coverage only, or for your Basic Life/AD&D and/or your Optional Life/AD&D. You are not eligible to apply for portability coverage if you failed to pay the required GIC monthly premium.

You are not eligible to apply for portability if you withdraw from GIC coverage.

You are not eligible to apply for portability coverage beyond 90 days from the coverage end date, even if the portability notice was not sent to you.

You may decrease the amount of portability coverage after the policy has been issued but not to less than 50 percent of the original amount. However, the amount of life insurance coverage cannot be decreased below \$5,000. Portability policies cannot be increased once they are issued.

Portability coverage will continue provided your premiums are paid when due. The Hartford may change premium rates for portability coverage at any time for reasons that affect the risk assumed, including those reasons shown below:

- Coverage levels change.
- A new law or a change in any existing law is enacted which applies to portable coverage.

The change in premium rates will be made on a class basis, according to The Hartford's underwriting risk studies. The Hartford will notify you in writing at least 31 days before a premium rate is changed.

## **CONVERSION COVERAGE**

If your employment with the Commonwealth ends, you may convert your Group life insurance policy to a non-group policy. The amount of insurance in effect may be converted to any type of individual policy issued by The Hartford (except term insurance or a policy that contains disability or accidental death benefits). No medical exam is required.

You are not eligible to apply for conversion if you withdraw from GIC coverage or discontinue paying your premiums.

The Hartford will provide you with a conversion application form, instructions, and cost information.

You must file the appropriate form within 31 days of the date on which your group life insurance coverage ends, or within 15 days of the date the notice of conversion right is sent to you.

It's important to remember that even if the conversion notice is not sent within 90 days of when your coverage ends, the conversion privilege will expire at the end of the 90-day period.

## **GENERAL TERMINATION PROVISIONS**

Your insurance under this group plan will expire on the earlier of the following:

- The last day of the month for which your life insurance premium has been paid.
- The date you retire from employment with the Commonwealth, unless you continue your Basic and Optional Life insurance by paying monthly premiums.
- After the GIC determines your date of termination based on receipt of your notice of withdrawal from life insurance.
- The date of termination of the group policy without continuation of your insurance under a successor group policy.

## **CANCELLATION PROVISIONS**

If you have health insurance through the GIC, you must maintain your Basic Life insurance.

To cancel your Basic and/or Optional Life insurance coverage, you must complete and send the GIC Enrollment/Change Form-1 to the GIC.

Your coverage will be canceled at the end of the month for which contributions are paid. Coverage will be reinstated only with approval by the GIC according to its rules and regulations. If you cancel coverage, there is no option for portability or conversion.

The coverage ends on the last day of the month following the month you leave state service, providing your premiums for that month are paid.

## **OTHER CONSIDERATIONS**

- If your Waiver of Premium was approved prior to May 1, 1983, under state law your Optional Life insurance benefits will end at age 70.
- Your Accidental Death & Dismemberment coverage will end on the date you are approved for Life Waiver of Premium.
