The office of finance shall be comprised of a department of the treasury, a department of assessing, and a department of accounting. The director shall be appointed by, and serve at the pleasure of, the town administrator. If removed as director, such person shall continue to hold the position which he had been filling until such time as he vacates the position, fails of reelection or reappointment, or is otherwise lawfully terminated or removed. The director shall devote full time to the duties of this position, which duties shall also encompass the director's daily oversight of a department within the office of finance. The director shall not engage in any other employment, the responsibilities of which are inherently incompatible to the duties of this position or to the underlying position to which they were elected or appointed, except with the prior written approval of the town administrator. Such approval shall be determined, in the sole discretion of the town administrator, on the basis of whether or not the business or occupation would conflict with the director's ability to discharge his duties for the town with undivided loyalty and fidelity.

The responsibilities and duties of the director shall include, but not be limited to, supervising and directing the office of finance and performing such other financial related duties and responsibilities as may be assigned by the town administrator or required by statute or by-law.

There shall be within the office of finance a department of the treasury, which shall be under the daily direction and control of a treasurer/collector. (1) There shall be within the office of finance a department of assessing which shall be under the daily direction and control of a principal assessor. The principal assessor shall be appointed by the town administrator for a term not to exceed 3 years; such appointment shall be made after consultation with the board of assessment certification and appeal. The principal assessor shall be a person of demonstrated professional ability, education, training, and experience in municipal assessment and taxation. The principal assessor shall be responsible for the day to day operations of the department of assessing, shall be responsible for the efficient administration of that department, and shall perform such other duties as may be assigned from time to time. (2) There shall be a board of assessment certification and appeal comprised of 3 persons elected for staggered 3-year terms. The board of assessment certification and appeal shall exercise and perform those powers, duties and responsibilities vested by statute or by-

law in the office of assessor with respect to (a) the certification of value of real and personal property for tax assessment purposes, (b) the application of exemptions, and (c) the granting of abatements.

(3) This section shall take effect at the regular annual town election to be held in 2008. The incumbent members of the board of assessors on the effective date of this act shall complete the terms for which they were elected and shall receive such compensation as fixed by town meeting subject to appropriation. The principal assessor and the elected members of the board of assessment certification and appeal shall be required to take the oath of office as required by section 29 of chapter 41 of the General Laws and to comply with training and certification requirements of the department of revenue.

There shall be within the office of finance a department of accounting which shall be under the daily direction and control of a town accountant. The town accountant shall be appointed by the town administrator for a term not to exceed 3 years. The town accountant shall have all the powers, duties, and responsibilities vested by statute or by-law in the office of town accountant.

SECTION 2. No person charged with the daily direction of an office within the office of finance shall hold any other position within that office except for director of finance. No person elected to the board of assessment certification and appeal shall hold any other position within the office of finance.

The town, by by-law, may establish additional requirements and standards for the office of finance and may modify and amend the organization and structure of said department; provided, however, that all such modifications and amendments are not inconsistent with the provisions and purposes of this act. Nothing in this act shall preclude the town from making any elected position an appointed position as otherwise permitted by law.

The town administrator shall appoint the director and non-elected department heads and staff within the office. The appointment and removal of the director and non-elected department heads shall be made in accordance with the provisions of the Spencer governmental act except as modified herein.

The town administrator shall have the authority to assign additional tasks to any department or office established herein as shall be consistent with best management practices or as required by statute, by-law, or policy directives of the board of selectmen.

All persons appointed to a position having a specific term hereunder shall continue to serve until their successor is appointed and duly qualified.

Upon the effective date of this act, all records, property, equipment, and facilities owned by the town and under the control of the offices, boards, or commissions which are abolished or superseded by this act shall be transferred to and be under the control of the office or department succeeding thereto.

All laws, special legislation, by-laws, votes, rules and regulations, whether enacted by authority of the town or any other authority, which are in force in the town on the effective

(31) to promote the city as a retail, commercial, industrial, professional and financial center.

(c) The corporation shall not participate or intervene in any political campaign on behalf of any candidate for public office or publish or distribute any statements with respect thereto. Notwithstanding any other provision of this act, neither the members, directors, of-

ficers, nor the corporation shall participate in any prohibited transactions, as defined in section 503 of the Internal Revenue Code, nor shall the corporation accumulate income or engage in any activities if the accumulation of income or the activities so engaged in are, or would be, within the prohibitions of section 504 of said Internal Revenue Code, nor shall the corporation be operated at any time for the primary or sole purpose of carrying on a trade or business for profit.

SECTION 4. The principal office of the corporation shall be located in the city of Marlborough.

SECTION 5. The corporation shall not be subject to chapter 63 of the General Laws, nor shall the corporation be liable for any taxes based upon or measured by income. The securities and evidences of indebtedness issued by the corporation shall be free from taxation by the commonwealth.

SECTION 6. In order to carry out the purposes of this act and exercise the powers of the corporation, the city may raise and appropriate, or may borrow in aid of the corporation, such sums as may be necessary to make a loan or grant to the corporation.

SECTION 7. Notwithstanding any general or special law to the contrary, or any provision in their respective charters, agreements of associations, articles of organization, or trust indentures, domestic corporations organized for the purpose of carrying on business within the commonwealth, including without implied limitation any electric or gas company as defined in section 1 of chapter 164 of the General Laws, railroad corporations as defined in section 1 of chapter 160 of the General Laws, financial institutions, trustees and the city may acquire, purchase, hold, sell, assign, transfer, or otherwise dispose of any bonds, securities or other evidence of indebtedness of the corporation and may make contributions to the corporation, all without the approval of any regulatory authority of the commonwealth.

A contribution made under this section to the corporation shall be in addition to contributions authorized by section 12C of chapter 155 of the General Laws and by other general or special law.

SECTION 8. The corporation shall be managed by a board of directors consisting of 25 members as follows: the mayor or his designee, the president of the city council or his designee, the chairman of the board of Olde Marlborough, Inc., the chairman of the board of Marlborough Convention and Visitors Bureau, the chairman of the board of the Marlborough Sports Partnership Association, 1 member to be appointed by the mayor, and 19 additional members to be elected from the general membership of the corporation at the corporation's first annual meeting. The 19 members to be elected from the general membership of the corporation at the corporation's first annual meeting shall include persons with education and experience in the fields of law, finance, real estate, architecture or planning and local government. Each member shall be sworn to the faithful performance of his official duties as a director of the corporation. A majority of the 25 members shall constitute a quorum for the transaction of any business; provided however, that any action of the board of directors shall require the affirmative vote of a majority of the entire board.

Chap. 40

The members of the board shall be deemed to be special municipal employees for the purposes of chapter 268A of the General Laws.

There shall be elected by and from the board of directors a president, treasurer, secretary/clerk, and any other officers as may be considered necessary by the board.

The members of the board of directors shall not receive compensation for the performance of their duties under this act, but each member may be reimbursed by the corporation for expenses actually incurred in the performance of his duties.

SECTION 9. The board of directors shall adopt a corporate seal for the corporation and designate the custodian thereof. The board of directors shall cause at all times accurate accounts to be kept of all receipts and expenditures of the funds of the corporation and shall make a report annually to the city council, containing an abstract of such accounts and detailed information of all receipts and expenditures, including prices paid for property acquisition, contracts for construction of facilities and for the leasing thereof, and such other detailed information as may be helpful. The corporation shall cause an audit of its books and accounts to be made biannually by certified public accountants and the cost thereof shall be treated as a current expense. Except as otherwise provided in this act, the corporation shall have the full power to exercise care of its property and the management of its business and affairs. The treasurer shall give bond for the faithful performance of his duties, with a surety company authorized to do business in the commonwealth as surety, in such sum as the board of directors may determine, the premium of which shall be paid by the corporation.

SECTION 10. The corporation, from time to time, may provide by resolution for the issuance of revenue bonds of the corporation for the purposes of paying all or any part of the cost of a development project or projects. The principal of and interest on the bonds shall be payable solely from the funds herein provided for the payment. The bonds of each issue shall be dated, shall bear interest at the rates and shall mature at the time or times not exceeding 20 years from their date or dates, as determined by the corporation, and may be redeemable before maturity, at the option of the corporation, at the price or prices and under the terms and conditions fixed by the corporation before the issuance of the bonds. The corporation shall determine the form of the bonds, including any interest coupons to be attached thereto, and the manner of execution of the bonds, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within the commonwealth. In case any officer whose signature, or a facsimile thereof, shall appear on any bonds or coupons shall cease to be an officer before the delivery of the bonds, the signature or facsimile shall nevertheless be valid and sufficient for all purposes as if that officer had remained in office until the delivery. The bonds may be issued in coupon or registered form or both, as the corporation may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest. The corporation may sell the bonds in a manner and for a price, either at public or private sale, as it may determine to be for the best interests of the corporation.

The proceeds of the bonds shall be used solely for the payment of the cost of a development project and shall be disbursed in a manner and under such restrictions, if any, as the corporation may provide. Before the preparation of definitive bonds, the corporation may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when the bonds have been executed and are available for delivery. The corporation may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Revenue bonds may be issued under this act subject only to those proceedings, conditions or things which are specifically required by this act.

The corporation may provide by resolution for the issuance of revenue refunding bonds of the corporation for the purpose of refunding any revenue bonds then outstanding and issued under this act, including the payment of any redemption premium thereon on any interest accrued or to accrue to the date of redemption of the bonds and, if deemed advisable by the corporation, for the additional purpose of construction or reconstructing and extensions or improvements of the development project. The issue of the bonds, the maturities, and other details thereof, the rights of the holders thereof, and the duties of the corporation relative thereto shall be governed by this act insofar as it is applicable.

While any bonds issued by the corporation remain outstanding, the powers, duties or existence of the corporation shall not be diminished or impaired in any way that will adversely affect the interests and rights of the holders of the bonds.

Revenue and revenue refunding bonds issued under this act, unless otherwise authorized by law, shall not constitute a debt of the commonwealth or the city, or a pledge of the full faith and credit of the commonwealth or of the city, but the bonds shall be payable solely from the funds herein provided therefore from revenues generated by the corporation. If the corporation or the city or commonwealth is not obliged to pay the revenue or revenue refunding bonds, all the revenue and revenue refunding bonds shall contain on the face thereof a statement to the effect that neither the corporation nor the commonwealth nor the city shall be obliged to pay the same or the interest thereon except from revenues, and that neither the faith and credit nor taxing power of the commonwealth or of the city is pledged to the payment on the bonds.

All revenue and revenue refunding bonds issued under this act shall have all the qualities and incidents of negotiable instruments as defined in section 3-104 of chapter 106 of the General Laws.

SECTION 11. In the discretion of the corporation, the revenue bonds or revenue refunding bonds may be secured by a trust agreement by and between the corporation and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the commonwealth. The trust agreement may pledge or assign the revenues to be received, but shall not convey or mortgage any development project or part thereof.

Either the resolution providing for the issuance of bonds or the trust agreement may contain provisions for protecting and enforcing the rights and remedies of the bondholders,

including, without limitation, provisions defining defaults and providing for remedies in the event thereof, which may include the acceleration of maturities, and covenants setting forth the duties of and limitations on the corporation in relation to the acquisition, construction, improvement, enlargement, alteration, equipping, furnishing, maintenance, operation, repair, insurance and disposition of property, the custody, safeguarding, investment and application of moneys, the use of any surplus bond or note proceeds and the establishment of reserves. The resolution or trust agreement may also contain covenants by the corporation in relation to: (1) the establishment, revision and collection of rents and charges for services of facilities furnished or supplied by the corporation that provide revenues sufficient with other revenues of the development project, if any, to pay (i) the cost of maintaining, repairing and operating the development project and of making renewals and replacements in connection therewith, (ii) the principal of and the interest on the revenue bonds as they become due and payable, (iii) payments in lieu of taxes, betterment and special assessments, and (iv) reserves for such purposes; (2) the purpose or purposes for which the proceeds of the sale of the bonds will be applied and the use and disposition thereof; (3) the use and disposition of the gross revenues of the corporation from the development project, any additions thereto and extensions and improvements thereof, including the creation and maintenance of funds for working capital and for renewals and replacements to the development project; (4) the amount, if any, of additional revenue bonds payable from the revenues of the development project and the limitations, terms and conditions on which the additional revenue bonds may be issued; and (5) the operation, maintenance, management, accounting and auditing of the development project and of the income and revenues of the corporation.

It shall be lawful for any bank or trust company incorporated under the laws of the commonwealth to act as depository of the proceeds of the bonds or of revenues and to furnish indemnifying bonds or to pledge securities as required by the corporation. The trust agreement may set forth the rights and remedies of the bondholders and of the trustees and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of corporations. The trust agreement may contain other provisions as the corporation considers reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the trust agreement may be treated as a part of the cost of the operation of the development project. The pledge by any trust agreement or resolution shall be valid and binding from the time when the pledge is made; the revenues or other moneys so pledged and then held or later received by the corporation shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act; and the lien of the pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the corporation, irrespective of whether the parties have notice thereof. Neither the resolution nor any trust agreement by which pledge it is created need be filed or recorded except in the records of the corporation, and no filing need be made under chapter 106 of the General Laws.

SECTION 12. Revenue bonds and revenue refunding bonds issued under this act

are hereby made securities in which all public officers and public bodies of the commonwealth and its political subdivisions, all insurance companies, trust companies in their commercial departments and within the limits set by section 6 of chapter 167E of the General Laws, banking associations, investment companies, executors, trustees and other fiduciaries, and all other persons who are now or may hereafter be authorized to invest in bonds or other obligations of a similar nature may properly and legally invest funds, including capital in their control and belonging to them; and the bonds are hereby made obligations which may properly and legally be made eligible for the investment of savings deposits and income thereof in the manner provided by section 2 of said chapter 167F. The bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the commonwealth for any purpose for which the deposit of bonds or other obligations of the commonwealth is now or may hereafter be authorized by law.

SECTION 13. To provide funds for the general purposes of the corporation, including working capital, the corporation may, from time to time, issue debentures which, unless otherwise authorized by law, shall not constitute a debt of the commonwealth or of the city, or a pledge of the full faith and credit of the commonwealth or of the city, and shall be subordinated to all other obligations of the corporation and shall be payable at the time and in installments, if any, as the corporation shall determine, but solely out of the net assets of the corporation; and the holders thereof shall be entitled to interest thereon, but only out of the net earnings of the corporation, and in no event at a rate higher than the rate specified therein.

The debentures may be secured by a trust agreement by and between the corporation and a corporate trustee, which shall be a trust company or bank located within the commonwealth having the powers of a trust company. The trust agreement shall contain provisions for protecting and enforcing the rights and remedies of the debenture holder. It shall be lawful for any bank or trust company incorporated under the laws of the commonwealth which may act as a depository under the trust agreement to furnish indemnifying bonds or to pledge securities as required by the corporation. The trust agreement shall set forth the rights and remedies of the debenture holders and of the trustee, and may restrict individual right of action by debenture holders. The trust agreement may contain such other provisions as the corporation may consider reasonable and proper for the security of the debenture holders. All expenses incurred in carrying out the trust agreement may be treated as an item of current expense.

Debentures may be issued under this act without obtaining the consent of any department, division, office, commission, board, bureau or agency of the commonwealth or the city, and without any other proceedings or the happenings of any other condition or things other than those proceedings, conditions or things which are specifically required by this act.

SECTION 14. Any holder of bonds or debentures issued under this act or of any coupons appertaining thereto, and the trustee, except to the extent the rights herein given may be restricted by the trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce all rights under the laws of the commonwealth or

Chap. 40

granted hereunder or under the trust agreement, and may enforce and compel the performance of all duties required by this act or by the trust agreement, to be performed by the corporation or by any officer thereof.

SECTION 15. The corporation shall not deposit any of its funds in a banking institution unless such institution has been designated as a depository by a vote of a majority of the directors present at an authorized meeting of the board of directors, exclusive of any director who is an officer or director of the depository so designated. Said corporation shall not receive money on deposit.

SECTION 16. The corporation shall be liable in contract and in tort in the same manner as a municipal corporation. The directors, employees, officers and agents of the corporation shall be liable in contracts and tort, in the same manner as municipal employees under the General Laws. The corporation shall indemnify the directors, officers, employees and agents of the corporation under sections 9 and 13 of chapter 258 of the General Laws as public employees. The property or funds of the corporation shall not be subject to attachment or to levy and sale on execution, but if the corporation refuses to pay a judgment entered against it in any court of competent jurisdiction, the superior court may direct the treasurer of the corporation to pay the judgment. The real estate owned by the corporation shall not be subject to liens under chapter 254 of the General Laws, but sections 28 and 29 of chapter 149 of the General Laws shall be applicable to any construction work by the corporation.

SECTION 17. The corporation shall file annual reports with the state secretary and the city council. These annual reports shall also be published in a newspaper of general circulation in the city within 60 days after the close of the corporation's fiscal year. The state secretary shall make copies of such reports available to the commissioner of insurance and to the commissioner of banks, and the corporation shall also furnish such other information as may, from time to time, be required by the state secretary.

SECTION 18. The corporation is hereby designated as a community-based development organization for purposes of carrying out community or economic development projects with federal financial assistance.

SECTION 19. The corporation is hereby designated as a non profit organization that may act as a land trust for purposes of carrying out preservation projects as defined in section 2 and for receiving assignment of the city's first refusal options under chapter 61, chapter 61A or chapter 61B of the General Laws.

SECTION 20. The corporation may, upon the affirmative vote of $\frac{2}{3}$ of its members, petition for its dissolution by order of the supreme judicial or superior court, in the manner provided in section 11A of chapter 180 of the General Laws.

SECTION 21. If the corporation shall fail to commence operations within 6 years after the effective date of this act, then the provisions of this act shall cease to be effective.

SECTION 22. This act shall take effect upon its passage.

Approved May 16, 2007.

SECTION 4. Chapter 118E of the General Laws is hereby amended by striking out section 23, as amended by section 28 of chapter 58 of the acts of 2006, and inserting in place thereof the following section:-

Section 23. As used in this section, health care insurer, health insurer and health insurance shall include, but not be limited to, any health insurance company, health maintenance organization, group or nongroup health plan, self-insured plan, service benefit plan, managed care organization, pharmacy benefit manager or other public or private third party that is, by law, contract, agreement or arrangement legally responsible for payment of a claim for health care benefits.

Notwithstanding any general or special law to the contrary, the division shall be subrogated to the rights of a recipient of medical assistance under this chapter and may take any action available to such recipient to secure benefits under a policy issued by a health care insurer that is or may be liable to pay for health care benefits obtained by a recipient of medical assistance to the extent of any health care benefits provided by the division on behalf of such recipient or such recipient's dependents. A health care insurer shall reimburse the division for any health care benefits provided by the division on behalf of a recipient of medical assistance, and shall not reduce the amount of the total reimbursement by a division

payment; provided, however, that any part of the total that is a reimbursement for a division payment shall not exceed the amount actually paid by the division.

No health care insurer shall require written authorization from the recipient before honoring the division's rights pursuant to this section. Chap. 61

(c) of the second paragraph of section 35 of chapter 10 of the General Laws, shall be \$935,028,283 and shall be apportioned to the cities and towns in accordance with this section.

Notwithstanding any general or special law to the contrary, the total amounts to be distributed and paid to each city and town from item 0611-5500 of section 2 shall be as set forth in the following lists. The amounts to be distributed from said item 0611-5500 of said section 2 shall be in full satisfaction of the amounts due under section 37 of chapter 21 of the General Laws.

Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2008 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts to be distributed from said item 7061-0008 of said section 2 shall be in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2008, the foundation budget categories for each district shall be calculated in the same manner as in fiscal year 2007; provided, that the limited English allotments in the foundation budget shall be increased by \$50; and provided further, that the low-income allotments in the foundation budget shall be increased by \$25. The target local share shall be calculated using the same methodology used in fiscal year 2007. Preliminary local contribution shall be the municipality's fiscal year 2007 minimum required local contribution, increased or decreased by the municipal revenue growth factor; provided, that if a municipality's preliminary contribution as a percentage of foundation is more than 5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; provided further, that if a municipality's preliminary contribution as a percentage of foundation is more than 10 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points. Required local contributions shall be calculated using the same methodology used in fiscal year 2007; provided, that in any municipality with a preliminary contribution higher than its target local contribution, required local contribution shall be the preliminary local contribution reduced by 25 per cent of the gap between the preliminary local contribution and the target local contribution. Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts.

For fiscal year 2008, the "foundation aid increment" shall be the difference between: (a) the positive difference between a district's foundation budget and its required district contribution; and (b) prior year aid. The "down payment aid increment" shall be 30 per cent of the positive difference between 100 per cent of a district's target aid share and its prior year chapter 70 aid, minus the foundation aid increment; provided, that the target aid share shall be calculated in the same way as in fiscal year 2007 using updated income, equalized

There shall be credited to the fund any revenue from appropriations or other monies authorized by the general court and specifically designated to be credited to the fund, and any gifts, grants, private contributions, investment income earned on the fund's assets and all other sources.

Chap. 61

Money remaining in the fund at the end of a fiscal year shall not revert to the General Fund.

(c) Upon request of the group insurance commission established, the board may expend amounts in the fund, without further appropriation, to pay the costs of health care and other non-pension benefits for retired members of the state retirement system; provided, however, that said group insurance commission shall remain responsible for administering the payment of, and determining the terms, conditions, schedule of benefits, carriers and eligibility for, health care and other non-pension benefits for retired members of the state retirement system.

(d) Upon authorization by the board, any other retirement system of the commonwealth may participate in the fund using the same procedures required for participation in the PRIT Fund pursuant to section 22 of chapter 32.

(e) The fund shall be revocable only when all such health care and other non-pension benefits, current and future, payable pursuant to this chapter have been paid or defeased.

“Pediatric hospital”, an acute care hospital which limits services primarily to children and which qualifies as exempt from the Medicare Prospective Payment system regulations.

“Pediatric specialty unit”, a pediatric unit of an acute care hospital in which the ratio of licensed pediatric beds to total licensed hospital beds as of July 1, 1994 exceeded 0.20. In calculating that ratio, licensed pediatric beds shall include the total of all pediatric service

"Resident", a person living in the commonwealth, as defined by the office by regulation; provided, however, that such regulation shall not define as a resident a person who moved into the commonwealth for the sole purpose of securing health insurance under this chapter. Confinement of a person in a nursing home, hospital or other medical institution shall not in and of itself, suffice to qualify such person as a resident.

"Surcharge payor", an individual or entity that pays for or arranges for the purchase of health care services provided by acute hospitals and ambulatory surgical center services provided by ambulatory surgical centers, as defined in this section; provided, however, that the term "surcharge payor" shall not include Title XVIII and Title XIX programs and their beneficiaries or recipients, other governmental programs of public assistance and their beneficiaries or recipients and the workers' compensation program established under chapter 152.

Section 35. (a) There shall be established within the division of health care finance and policy a health safety net office which shall be under the supervision and control of a director. The director shall be appointed by the commissioner, in consultation with the secretary of health and human services and the Medicaid director, and shall be a person of skill and experience in the field of health care finance and administration. The director shall be the executive and administrative head of the office and shall be responsible for administering and enforcing the provisions of law relative to the office and to each administrative unit thereof. The director shall receive such salary as may be determined by law, and shall devote his full time to the duties of his office. In the case of an absence or vacancy in the office of the director, or in the case of disability as determined by the commissioner, the commissioner may designate an acting director to serve as director until the vacancy is filled

Chap. 61

or the absence or disability ceases. The acting director shall have all the powers and duties of the director and shall have similar qualifications as the director.

(b) The office shall have the following powers and duties: (1) to administer the Health Safety Net Trust Fund, established under section 36, and to require payments to the fund consistent with acute hospitals' and surcharge payors' liability to the fund, as determined under sections 37 and 38, and any further regulations promulgated by the office; (2) to set, after consultation with the office of Medicaid, reimbursement rates for payments from the fund to acute hospitals and community health centers for reimbursable health services provided to uninsured and underinsured patients and to disburse monies from the fund consistent with such rates; provided that the office shall implement a fee-for-service reimbursement system for acute hospitals; (3) to promulgate regulations further defining: (a) eligibility criteria for reimbursable health services; (b) the scope of health services that are eligible for reimbursement by the Health Safety Net Trust Fund; (c) standards for medical hardship; and (d) standards for reasonable efforts to collect payments for the costs of emergency care. The office shall implement procedures for verification of eligibility using the eligibility system of the office of Medicaid and other appropriate sources to determine the eligibility of uninsured and underinsured patients for reimbursable health services and shall establish other procedures to ensure that payments from the fund are made for health services for which there is no other public or private third party payer, including disallowance of payments to acute hospitals and community health centers for health services provided to individuals if reimbursement is available from other public or private sources; (4) to develop programs and guidelines to encourage maximum enrollment of uninsured individuals who receive health services reimbursed by the fund into health care plans and programs of health insurance offered by public and private sources and to promote the delivery of care in the most appropriate setting, provided that the programs and guidelines are developed in consultation with the commonwealth health insurance connector, established under chapter 176Q. These programs shall not deny payments from the fund because services should have been provided in a more appropriate setting if the hospital was required to provide the services under 42 U.S.C. 1395 (dd); (5) to conduct a utilization review program designed to monitor the appropriateness of services for which payments were made by the fund and to promote the delivery of care in the most appropriate setting; and to administer demonstration programs that reduce health safety net trust fund liability to acute hospitals, including a demonstration program to enable disease management for patients with chronic diseases, substance abuse and psychiatric disorders through enrollment of patients in community health centers and community mental health centers and through coordination between these centers and acute hospitals, provided, that the office shall report the results of these reviews annually to the joint committee on health care financing and the house and senate committees on ways and means; (6) to administer, in consultation with the office of Medicaid, the Essential Community Provider Trust Fund, established under section 2PPP of chapter 29, and to make expenditures from that fund without further appropriation

for the purpose of improving and enhancing the ability of acute hospitals and community health centers to serve populations in need more efficiently and effectively, including, but not limited to, the ability to provide community-based care, clinical support, care coordination services, disease management services, primary care services, and pharmacy management services through a grant program. The office shall consider applications from acute hospitals and community health centers in awarding the grants. The criteria for selection shall include, but not be limited to, the following: (a) the financial performance of the provider as determined, in the case of applications from acute hospitals, quarterly by the division of health care finance and policy and by consulting other appropriate measurements of financial performance; (b) the percentage of patients with mental or substance abuse disorders served by a provider; (c) the numbers of patients served by a provider who are chronically ill, elderly, or disabled; (d) the payer mix of the provider, with preference given to acute hospitals where a minimum of 63 per cent of the acute hospital's gross patient service revenue is attributable to Title XVIII and Title XIX of the federal Social Security Act or other governmental payors, including reimbursements from the Health Safety Net Trust Fund; (e) the percentage of total annual operating revenue that funding received in fiscal years 2005 and 2006 from the Distressed Provider Expendable Trust Fund comprised for the provider; and (f) the cultural and linguistic challenges presented by the populations served by the provider; (7) to enter into agreements or transactions with any federal, state or municipal agency or other public institution or with a private individual, partnership, firm, corporation, association or other entity, and to make contracts and execute all instruments necessary or convenient for the carrying on of its business; (8) to secure payment, without imposing undue hardship upon any individual, for unpaid bills owed to acute hospitals by individuals for health services that are ineligible for reimbursement from the Health Safety Net Trust Fund which have been accounted for as bad debt by the hospital and which are voluntarily referred by a hospital to the department for collection; provided, however that such unpaid charges shall be considered debts owed to the commonwealth and all payments received shall be credited to the fund; and provided, further, that all actions to secure such payments shall be conducted in compliance with a protocol previously submitted by the office to the joint committee on health care financing; (9) to require hospitals and community health centers to submit to the office data that it reasonably considers necessary; (10) to make, amend and repeal rules and regulations to effectuate the efficient use of monies from the Health Safety Net Trust Fund; provided, however, that the regulations shall be promulgated only after notice and hearing and only upon consultation with the board of the commonwealth health insurance connector, the secretary of health and human services, the director of the office of Medicaid and representatives of the Massachusetts Hospital Association, the Massachusetts Council of Community Hospitals, the Alliance of Massachusetts Safety Net Hospitals and the Massachusetts League of Community Health Centers; and (11) to provide an annual report at the close of each fund fiscal year, in consultation with the office of Medicaid, to the joint committee on health care financing and

Chap. 61

the house and senate committees on ways and means, evaluating the processes used to determine eligibility for reimbursable health services, including the Virtual Gateway. The report shall include, but not be limited to, the following: (i) an analysis of the effectiveness of these processes in enforcing eligibility requirements for publicly-funded health programs and in enrolling uninsured residents into programs of health insurance offered by public and private sources; (ii) an assessment of the impact of these processes on the level of reimbursable health services by providers; and (iii) recommendations for ongoing improvements that will enhance the performance of eligibility determination systems and reduce hospital administrative costs.

Section 36. (a) There shall be established and set up on the books of the commonwealth a fund to be known as the Health Safety Net Trust Fund, in this section and in sections 37 to 39, inclusive, called the fund, which shall be administered by the office. Expenditures from the fund shall not be subject to appropriation unless otherwise required by law. The purpose of the fund shall be to maintain a health care safety net by reimbursing hospitals and community health centers for a portion of the cost of reimbursable health services provided to low-income, uninsured or underinsured residents of the commonwealth. The office shall administer the fund using such methods, policies, procedures, standards and criteria that it deems necessary for the proper and efficient operation of the fund and programs funded by it in a manner designed to distribute the fund resources as equitably as possible.

(b) The fund shall consist of all amounts paid by acute hospitals and surcharge payors under sections 37 and 38; all appropriations for the purpose of payments to acute hospitals or community health centers for health services provided to uninsured and underinsured residents; any transfers from the Commonwealth Care Trust Fund, established under section 2000 of chapter 29; and all property and securities acquired by and through the use of monies belonging to the fund and all interest thereon. Amounts placed in the fund shall, except for amounts transferred to the Commonwealth Care Trust Fund, be expended by the office for payments to hospitals and community health centers for reimbursable health services provided to uninsured and underinsured residents of the commonwealth, consistent with the requirements of this section and section 39 and the regulations promulgated by the office; provided, however, that \$6,000,000 shall be expended annually from the fund for demonstration projects that use case management and other methods to reduce the liability of the fund to acute hospitals. Any annual balance remaining in the fund after these payments have been made shall be transferred to the Commonwealth Care Trust Fund. All interest earned on the amounts in the fund shall be deposited or retained in the fund. The director shall from time to time requisition from the fund amounts that he considers necessary to meet the current obligations of the office for the purposes of the fund and estimated obligations for a reasonable future period.

Section 37. (a) An acute hospital's liability to the fund shall equal the product of (1) the ratio of its private sector charges to all acute hospitals' private sector charges; and (2)

\$160,000,000. Annually, before October 1, the office, in consultation with the office of Medicaid, shall establish each acute hospital's liability to the fund using the best data available, as determined by the division, and shall update each acute hospital's liability to the fund as updated information becomes available. The office shall specify by regulation an appropriate mechanism for interim determination and payment of an acute hospital's liability to the fund. An acute hospital's liability to the fund shall in the case of a transfer of ownership be assumed by the successor in interest to the acute hospital.

(b) The office shall establish by regulation an appropriate mechanism for enforcing an acute hospital's liability to the fund in the event that an acute hospital does not make a scheduled payment to the fund. These enforcement mechanisms may include (1) notification to the office of Medicaid requiring an offset of payments on the Title XIX claims of any such acute hospital or any health care provider under common ownership with the acute care hospital or any successor in interest to the acute hospital, and (2) the withholding by the office of Medicaid of the amount of payment owed to the fund, including any interest and late fees, and the transfer of the withheld funds into the fund. If the office of Medicaid offsets claims payments as ordered by the office, it shall not be considered to be in breach of contract or any other obligation for the payment of non-contracted services, and providers whose payment is offset under an order of the division shall serve all Title XIX recipients under the contract then in effect with the office of Medicaid, or, in the case of a non-contracting or disproportionate share hospital, under its obligation for providing services to Title XIX recipients under this chapter. In no event shall the office direct the office of Medicaid to offset claims unless an acute hospital has maintained an outstanding obligation to the fund for a period longer than 45 days and has received proper notice that the division intends to initiate enforcement actions under regulations promulgated by the office.

Section 38. (a) Acute hospitals and ambulatory surgical centers shall assess a surcharge on all payments subject to surcharge as defined in section 34. The surcharge shall be distinct from any other amount paid by a surcharge payor for the services of an acute hospital or ambulatory surgical center. The surcharge amount shall equal the product of (i) the surcharge percentage and (ii) amounts paid for these services by a surcharge payor. The office shall calculate the surcharge percentage by dividing \$160,000,000 by the projected annual aggregate payments subject to the surcharge. The office shall determine the surcharge percentage before the start of each fund fiscal year and may redetermine the surcharge percentage before April 1 of each fund fiscal year if the office projects that the initial surcharge established the previous October will produce less than \$150,000,000 or more than \$170,000,000. Before each succeeding October 1, the office shall redetermine the surcharge percentage incorporating any adjustments from earlier years. In each determination or redetermination of the surcharge percentage, the office shall use the best data available as determined by the division and may consider the effect on projected surcharge payments of any modified or waived enforcement pursuant to subsection (e). The office shall incorporate all adjustments, including, but not limited to, updates or corrections or final settlement amounts, by prospective adjustment rather than by retrospective payments or assessments.

(b) Each acute hospital and ambulatory surgical center shall bill a surcharge payor an amount equal to the surcharge described in subsection (a) as a separate and identifiable amount distinct from any amount paid by a surcharge payor for acute hospital or ambulatory surgical center services. Each surcharge payor shall pay the surcharge amount to the office for deposit in the Health Safety Net Trust Fund on behalf of said acute hospital or ambulatory surgical center. Upon the written request of a surcharge payor, the office may implement another billing or collection method for the surcharge payor; provided, however, that the office has received all information that it requests which is necessary to implement such billing or collection method; and provided further, that the office shall specify by regulation the criteria for reviewing and approving such requests and the elements of such alternative method or methods.

(c) The office shall specify by regulation appropriate mechanisms that provide for determination and payment of a surcharge payor's liability, including requirements for data to be submitted by surcharge payors, acute hospitals and ambulatory surgical centers.

(d) A surcharge payor's liability to the fund shall in the case of a transfer of ownership be assumed by the successor in interest to the surcharge payor.

(e) The office shall establish by regulation an appropriate mechanism for enforcing a surcharge payor's liability to the fund if a surcharge payor does not make a scheduled payment to the fund; provided, however, that the office may, for the purpose of administrative simplicity, establish threshold liability amounts below which enforcement may be modified or waived. Such enforcement mechanism may include assessment of interest on the unpaid liability at a rate not to exceed an annual percentage rate of 18 per cent and late fees or penalties at a rate not to exceed 5 per cent per month. Such enforcement mechanism may also include notification to the office of Medicaid requiring an offset of payments on the claims of the surcharge payor, any entity under common ownership or any successor in interest to the surcharge payor, from the office of Medicaid in the amount of payment owed to the fund including any interest and penalties, and to transfer the withheld funds into said fund. If the office of Medicaid offsets claims payments as ordered by the office, the office of Medicaid shall be considered not to be in breach of contract or any other obligation for payment of non-contracted services, and a surcharge payor whose payment is offset under an order of the division shall serve all Title XIX recipients under the contract then in effect with the executive office of health and human services. In no event shall the office direct the office of Medicaid to offset claims unless the surcharge payor has maintained an outstanding liability to the fund for a period longer than 45 days and has received proper notice that the office intends to initiate enforcement actions under regulations promulgated by the office.

(f) If a surcharge payor fails to file any data, statistics or schedules or other information required under this chapter or by any regulation promulgated by the office, the office shall provide written notice to the payor. If a surcharge payor fails to provide required information within 14 days after the receipt of written notice, or falsifies the same, he shall

be subject to a civil penalty of not more than \$5,000 for each day on which the violation occurs or continues, which penalty may be assessed in an action brought on behalf of the commonwealth in any court of competent jurisdiction. The attorney general shall bring any appropriate action, including injunctive relief, necessary for the enforcement of this chapter.

Section 39. (a) Reimbursements from the fund to hospitals and community health centers for health services provided to uninsured and underinsured individuals shall be subject to further rules and regulations promulgated by the office and shall be made in the following manner:-

(1) Reimbursements made to acute hospitals shall be based on actual claims for health services provided to uninsured and underinsured patients that are submitted to the office, and shall be made only after determination that the claim is eligible for reimbursement under this chapter and any additional regulations promulgated by the office. Reimbursements for health services provided to residents of other states and foreign countries shall be prohibited, and the office shall make payments to acute hospitals using fee-for-service rates calculated as provided in paragraphs (4) and (5).

(2) The office shall, in consultation with the office of Medicaid, develop and implement procedures to verify the eligibility of individuals for whom health services are billed to the fund and to ensure that other coverage options are used fully before services are billed to the fund, including procedures adopted under section 36. The office shall review all claims billed to the fund to determine whether the patient is eligible for medical assistance under the provisions of this chapter and whether any third party is financially responsible for the costs of care provided to the patient. In making these determinations, the office shall verify the insurance status of each individual for whom a claim is made using all sources of data available to the office. The office shall refuse to allow payments or shall disallow payments to acute hospitals and community health centers for free care provided to individuals if reimbursement is available from other public or private sources; provided, that payments shall not be denied from the fund because services should have been provided in a more appropriate setting if the hospital was required to provide these services under 42 U.S.C. 1395(dd).

(3) The office shall require acute hospitals and community health centers to screen each applicant for reimbursed care for other sources of coverage and for potential eligibility for government programs, and to document the results of that screening. If an acute hospital or community health center determines that an applicant is potentially eligible for Medicaid or for the commonwealth care health insurance program, established pursuant to chapter 118H, or another assistance program, the acute hospital or community health center shall assist the applicant in applying for benefits under that program. The office shall audit the accounts of acute hospitals and community health centers to determine compliance with this section and shall deny payments from the fund for any acute hospital or community health center that fails to document compliance with this section.

(4) For the purposes of paying community health centers for health services provided to uninsured individuals under this section, the office shall pay community health centers a

Chap. 61

base rate that shall be no less than the then-current Medicare Federally Qualified Health Center rate as required under 42 U.S.C. 13951 (a)(3), and the office shall add payments for additional services not included in the base rate, including, but not limited to, EPSDT services, 340B pharmacy, urgent care, and emergency room diversion services.

(5) Reimbursements to acute hospitals and community health centers for bad debt shall be made upon submission of evidence, in a form to be determined by the office, that reasonable efforts to collect the debt have been made.

(6) The office shall reimburse acute hospitals for health services provided to individuals based on the payment systems in effect for acute hospitals used by the United States Department of Health and Human Services Centers for Medicare & Medicaid Services to administer the Medicare Program under Title XVIII of the Social Security Act, including all of Medicare's adjustments for direct and indirect graduate medical education, disproportionate share, outliers, organ acquisition, bad debt, new technology and capital and the full amount of the annual increase in the Medicare hospital market basket index. The office shall, in consultation with the office of Medicaid and the Massachusetts Hospital Association, promulgate regulations necessary to modify these payment systems to account for: (i) the differences between the program administered by the office and the Title XVIII Medicare program, including the services and benefits covered; (ii) grouper and DRG relative weights for purposes of calculating the payment rates to reimburse acute hospitals at rates no less than the rates they are reimbursed by Medicare; (iii) the extent and duration of covered services; (iv) the populations served; and (v) any other adjustments to the payment methodology under this section as considered necessary by the office, based upon circumstances of individual hospitals.

Following implementation of this section, the office shall ensure that the allowable reimbursement rates under this section for health services provided to uninsured individuals shall not thereafter be less than rates of payment for comparable services under the Medicare program, taking into account the adjustments required by this section.

(b) By April 1 of the year preceding the start of the fund fiscal year, the office shall, after consultation with the office of Medicaid, and using the best data available, provide an estimate of the projected total reimbursable health services provided by acute hospitals and community health centers and emergency bad debt costs, the total funding available, and any projected shortfall after adjusting for reimbursement payments to community health centers. If a shortfall in revenue exists in any fund fiscal year to cover projected costs for reimbursement of health services, the office shall allocate that shortfall in a manner that reflects each hospital's proportional financial requirement for reimbursements from the fund, including, but not limited to, the establishment of a graduated reimbursement system and under any additional regulations promulgated by the office.

(c) The executive office of health and human services directly or through the division shall enter into interagency agreements with the department of revenue to verify income data for patients whose health care services are reimbursed by the Health Safety Net Trust Fund

and to recover payments made by the fund for services provided to individuals who are ineligible to receive reimbursable health services or on whose behalf the fund has paid for emergency bad debt. The division shall promulgate regulations requiring acute hospitals to submit data that will enable the department of revenue to pursue recoveries from individuals who are ineligible for reimbursable health services and on whose behalf the fund has made payments to acute hospitals for such services or emergency bad debt. Any amounts recovered, including amounts received under chapter 62D, shall be deposited in the Health Safety Net Trust Fund, established in section 36.

(d) The office shall not at any time make payments from the fund for any period in excess of amounts that have been paid into or are available in the fund for that period, but the office may temporarily prorate payments from the fund for cash flow purposes.

SECTION 16. Subsection (d) of section 188 of chapter 149 of the General Laws, as appearing in the 2006 Official Edition, is hereby amended by adding the following sentence:- Before depositing the amounts, the director may deduct all administrative costs incurred by the division of unemployment assistance as a result of this section, including an amount as determined by the United States Secretary of Labor in accordance with federal cost rules. Except where inconsistent with this section, the terms and conditions of chapter 151A which are applicable to the payment and collection of contributions shall apply to the same extent to the payment and collection of any obligation under this section.

SECTION 17. Subsection (c) of section 46 of chapter 151A of the General Laws, as so appearing, is hereby amended by adding the following clause:-

(7) to the division of health care finance and policy, an interagency agreement for the administration and enforcement of sections 6B, 6C and 18B of chapter 118G and for the administration of the fair share employer contribution requirement under section 188 of chapter 149.

SECTION 18. Chapter 159B of the General Laws is hereby amended by striking out section 10, as so appearing, and inserting in place thereof the following section:-

Section 10. Each interstate carrier by motor vehicle transporting over the ways within the commonwealth for compensation shall register and identify with the department pursuant to the federal Unified Carrier Registration Act of 2005. Each registration shall be accompanied by a fee, the amount of which shall be determined by the board of directors of the federal Unified Carrier Registration Plan.

SECTION 19. Section 10 of chapter 218 of the General Laws, as so appearing, is hereby amended by striking out, in line 22, the words “district court of Marlborough”.

Not more than 55 per cent of the appointive members of the commission shall be members of the same political party. No member appointed by the governor shall be an insurance agent, broker, employee or officer of an insurance company. Upon the expiration of the term of office of an appointive member, his successor shall be appointed in like manner for a term of 3 years. The commission shall be provided with suitable offices and may, subject to appropriation, incur expenses and appoint an executive director who shall be the executive and administrative head of the commission and who shall not be subject to chapter 31. The commission may authorize the executive director to appoint such employees as may be necessary to administer this chapter. There shall be paid by the commonwealth to each appointive member of the commission the necessary expenses actually incurred in the discharge of his official duties. The commission shall adopt such reasonable rules and regulations as may be necessary for the administration of this chapter and shall make an annual report to the governor and to the general court which shall include any modifications or amendments made to contracts executed under this chapter. The rules and regulations shall be in such form as to enable employees to understand the benefits available from the insurance program, including the cost thereof.

NO SECTION 3B.

SECTION 3C. Said chapter 32A is hereby further amended by inserting after section 3A the following section:—

Section 3B. This chapter shall become effective for a commonwealth charter school by a majority vote of its board of trustees and, for an education collaborative, by a majority vote of its board of directors.

SECTION 3D. Section 2 of said chapter 32B, as so appearing, is hereby amended by striking out, in line 5, the word “and”.

SECTION 3E. Paragraph (a) of said section 2 of said chapter 32B, as so appearing, is hereby amended by inserting after the word “thereof”, in line 5, the following words:— and for the purposes of this chapter if a collective bargaining agreement is in place, as to a commonwealth charter school as defined by section 89 of chapter 71, the board of trustees and; as to an education collaborative, as defined by section 4E of chapter 40, the board of directions.

SECTION 4. Chapter 32B of the General Laws is hereby amended by striking out section 19, as so appearing, and inserting in place thereof the following section:—

Section 19. (a) Notwithstanding any other provision of this chapter, the appropriate public authority of a political subdivision which has undertaken to provide health insurance coverage to its subscribers by acceptance of any other section of this chapter may instead elect to provide health insurance coverage to all its subscribers pursuant to this section by entering into contracts with health insurance carriers or by transferring its subscribers to the commission under subsection (e). For the purposes of this section, the term “subscribers” shall mean employees, retirees, surviving spouses and dependents of the political subdivision and may include employees, retirees, surviving spouses and dependents of a district who previously received health insurance benefits through the political subdivision accepting this section. This section shall take effect in a political subdivision upon its acceptance in the following manner: in a county, except Worcester county, by a vote of the county commissioners; in a city having Plan D or a Plan E charter, by majority vote of the city council and approval by the manager; in any other city, by majority vote of the city council and approval by the mayor; in a town, by vote of the board of selectmen; in a regional school district, by vote of the regional district school committee; and in all other districts, by vote of the registered voters of the district at a district meeting.

Acceptance of this section shall not take effect until a written agreement has been reached between the appropriate public authority and the public employee committee, but the written agreement may condition acceptance of this section upon the transferring of subscribers into the commission under subsection (e).

A written agreement to transfer subscribers to the commission under this section shall be the sole means by which the subscribers of a political subdivision may be transferred to commission coverage.

Notwithstanding subsection (c) of section 4B of chapter 4, the acceptance of this section may be revoked in the same manner it was accepted in accordance with all other sub-

sections of section 4B of said chapter 4, subject to the requirements of any written agreements as provided in this section and chapter 150E. The revocation of this section shall not take effect until a written agreement providing for revocation is reached between the appropriate public authority and the employee committee established herein. Nothing in this section shall preclude an appropriate public authority from agreeing to establish a health and welfare trust fund under section 15.

Except as otherwise provided in subsection (e), a contract with a health insurance carrier shall be in conformity with an agreement reached by an appropriate public authority and a public employee committee. The election by the appropriate public authority may be renewed in conformity with any successor agreement reached with a public employee committee. The public employee committee shall include a representative of each collective bargaining unit with which the political subdivision negotiates under chapter 150E and a retiree representative. Either the public employee committee or the appropriate public authority may convene the initial meeting of the committee at any time upon 30 days notice. The retiree representative shall be designated by the Retired State, County and Municipal Employees Association. The retiree representative shall have a 10 per cent vote. The remaining 90 per cent vote shall be divided so that each collective bargaining unit represented on the public employee committee shall have a weighted vote equal to the proportion which the number of employees eligible for health insurance under this chapter employed in the bargaining unit he represents bears to the total number of employees eligible for health insurance in all bargaining units of the political subdivision. An agreement with the appropriate public authority shall be approved by 70 per cent of the weighted votes of the representatives on the public employee committee and shall be binding on all subscribers and their representatives. For the purposes of this section, a health insurance carrier shall include any insurance company organized pursuant to chapter 175, hospital service corporation organized pursuant to chapter 176A, medical service corporation organized pursuant to chapter 176B, health maintenance organization organized pursuant to chapter 176G, preferred provider organization organized pursuant to chapter 176I and, in the case of a political subdivision which is partially or fully self-insured with respect to health insurance coverage, any third party administrator selected by the political subdivision, which may include, but shall not be limited to, a health insurance carrier.

An agreement approved under this section shall be binding on all active and retired employees for whom health insurance coverage is being purchased, shall supersede any conflicting provision of a collective bargaining agreement and shall not be superseded in a statutory impasse proceeding under chapter 150E, but the agreement may include procedures for resolving an impasse in negotiations for a successor agreement. A dispute arising over the interpretation or application of the public employee committee agreement under this section may be submitted to binding arbitration under the labor arbitration provisions of the American Arbitration Association upon request of the public employee committee or the appropriate public authority, except as otherwise provided in subsection (f). A request shall

be approved by 70 per cent of the weighted votes of the representatives on the public employee committee as set forth in this section or, where applicable, by a majority vote of the appropriate public authority. A political subdivision which elects to provide health insurance coverage to subscribers under this section shall be deemed in full compliance with this chapter regulating the procurement of health insurance. A political subdivision which elects to provide health insurance coverage under this section pursuant to an agreement approved by a public employee committee, may provide such coverage either as a single political subdivision or, under section 12, through joint purchase with other political subdivisions or, with multiple political subdivisions, through a risk-sharing pool, trust or health insurance carrier or third party administrator, or by making payments to a health and welfare trust fund to provide health insurance coverage under this section either as a single political subdivision or with multiple political subdivisions. The appropriate public authority may contract with a health insurance carrier for direct coverage of subscribers for whom the carrier's geographic service area provides appropriate access and coverage for other subscribers in accordance with subsection (d).

(b) Nothing in this section shall require, preclude or permit a change in any aspect of health insurance coverage for subscribers authorized by this section except where an agreement to provide for such change is reached by an appropriate public authority and a public employee committee in an agreement entered into or modified after the effective date of this subsection except as otherwise provided in subsection (e). In the absence of a successor agreement approved under this section, the prior agreement of the public employee committee and the appropriate public authority regarding the provision of health insurance shall remain in effect.

(c) Nothing in this section shall relieve a political subdivision from providing health insurance coverage to an employee, retiree, surviving spouse or dependent to whom it has an obligation to provide coverage under any other provision of this chapter.

(d) The agreement reached between an appropriate public authority and the public employee committee shall provide for those subscribers who, by reason of residence or domicile, cannot be appropriately served within the service area of the health insurance carrier included in the agreement, subject to this subsection.

Coverage for subscribers under this subsection shall be pursuant to and in conformity with the agreement required by this section and shall conform to all requirements of this section. The agreement reached between an appropriate public authority and the public employee committee shall provide that a subscriber who for reasons of residency is not eligible for enrollment in any such plan offered by a political subdivision shall be covered under a plan offered under chapter 176I, if any such plan is provided for under the agreement, but a subscriber who lives 10 miles or more from the nearest primary care physician providing care under the plan shall have out-of-pocket payments and medical deductibles limited to the amount that he would have paid had he utilized the network of medical services of the plan offered under chapter 176I. If the agreement reached between the appropriate public authority and the public employee committee provides for only health maintenance organi-

zations or other health insurance carriers that limit enrollment to a particular geographic area, then notwithstanding any general or special law to the contrary, health maintenance organizations or other health insurance carriers shall provide for the coverage of services provided or arranged for all subscribers who do not reside within the geographic service area by providing the same benefit schedule and premium contribution provided to subscribers residing within the carrier's geographic service area including, but not limited to, covered services, out-of-pocket payments and medical deductibles for all medical services provided for or arranged under the agreement.

(e) Where an agreement, either executed or modified, reached by an appropriate public authority and the public employee so provides, the appropriate public authority shall notify the commission that it will transfer all subscribers for whom it provides health insurance coverage to the commission. The notice shall be provided to the commission by the appropriate public authority not later than October 1 of each year and the transfer of subscribers to the commission shall take effect on the following July 1. On the effective date of the transfer, the health insurance of all subscribers, including elderly governmental retirees previously governed by section 10B of chapter 32A and retired municipal teachers previously governed by section 12 of chapter 32A, shall be provided through the commission for all purposes and governed under this section. As of the effective date and for the duration of this transfer, subscribers transferred to the commission's health insurance coverage shall receive group health insurance benefits determined exclusively by the commission and the coverage shall not be subject to collective bargaining, except for contribution ratios which shall be determined by the written agreement.

Subscribers transferred to the commission who are eligible or become eligible for Medicare coverage shall transfer to Medicare coverage, as prescribed by the commission. In the event of transfer to Medicare, the political subdivision shall pay any Medicare part B premium penalty assessed by the federal government on retirees, spouses and dependents as a result of enrollment in Medicare part B at the time of transfer into the Medicare health benefits supplement plan. For each subscriber's premium and the political subdivision's share of that premium, the subscriber and the political subdivision shall furnish to the commission, in such form and content as the commission shall prescribe, all information the commission deems necessary to maintain subscribers' and covered dependents' health insurance coverage. The appropriate public authority of the political subdivision shall perform such administrative functions and process such information as the commission deems necessary to maintain those subscribers' health insurance coverage including, but not limited to, family and personnel status changes, and shall report all changes monthly to the commission. In the event that a political subdivision transfers subscribers to the commission under this section, subscribers may be withdrawn from commission coverage at either 3 or 6-year intervals from the date of transfer of subscribers to the commission, as determined by the written agreement which shall specify the withdrawal interval and withdrawal procedures. The written agreement may specify the procedures for resolving an impasse in

negotiations over whether to withdraw from commission coverage and for determining health insurance coverage and contribution ratios for subscribers for the year following withdrawal from the commission. In the event that binding arbitration is included in the written agreement, the agreement shall provide that the dispute shall be submitted to arbitration and, if no method is provided of arbitration is provided in the agreement, then the dispute shall be administered by the American Arbitration Association under the procedures set forth in its Labor Arbitration Rules.

The decision and notice to withdraw shall be made by October 1 of the year prior to the effective date of withdrawal. All withdrawals shall be effective on July 1 following the political subdivision's notice to the commission. Except as otherwise provided in the written agreement, withdrawal from commission coverage shall revoke acceptance of this section and any written agreements related to the implementation of this section as of the effective date of withdrawal. In the event that the acceptance of this section is revoked, the appropriate public authority of the political subdivision shall abide by all commission requirements for effectuating such withdrawal, including the notice requirements in this subsection. In the event a political subdivision withdraws from commission coverage under this section, such withdrawal shall be binding on all subscribers, including those subscribers who, prior to the transfer to the commission, received coverage from the commission under sections 10B and 12 of chapter 32A and, after withdrawal from the commission, those subscribers who received coverage from the commission under said sections 10B and 12 of said chapter 32A shall not pay more than 25 per cent of the cost of their health insurance premiums.

In the event of revocation of acceptance of this section, the political subdivision and public employee unions shall return to governance of negotiations of health insurance under chapter 150E and this chapter on the effective date of withdrawal from commission coverage, to negotiate healthcare coverage for subscribers thereafter.

(f) To the extent authorized under chapter 32A, the commission shall provide group coverage of subscribers' health claims incurred after transfer to the commission. The claim experience of those subscribers shall be maintained by the commission in a single pool and combined with the claim experience of all covered state employees and retirees and their covered dependents, including those subscribers who previously received coverage under sections 10B and 12 of chapter 32A.

Notwithstanding any general or special law to the contrary, a political subdivision that self-insures its group health insurance plan under section 3A and has a deficit in its claims trust fund at the time of transferring its subscribers to the commission and the deficit is attributable to a failure to accrue claims which had been incurred but not paid may capitalize the deficit and amortize the amount over 10 fiscal years in 10 equal amounts, or on a schedule providing for a more rapid amortization. Except as provided otherwise herein, subscribers eligible for health insurance coverage under subsection (e) shall be subject to all of the terms, conditions, schedule of benefits and health insurance carriers as employees and

dependents as defined by section 2 and commission regulations. The commission shall determine all matters relating to subscribers' group health insurance rights, responsibilities, costs and payments, excluding contribution ratios, and obligations, including but not limited to, the manner and method of payment, schedule of benefits, eligibility requirements and choice of health insurance carriers and these matters shall be determined exclusively by the commission and shall not be subject to collective bargaining, the written agreement under subsection (a) or to arbitration under the agreement. The commission may issue rules and regulations consistent with this section and shall provide public notice of any proposed rules and regulations and notice of thereof at the request of interested parties, together with an opportunity to review those rules and regulations and an opportunity to comment on those proposed rules and regulations in writing and at a public hearing, but the commission shall not be subject to chapter 30A.

The commission shall negotiate and purchase health insurance coverage for subscribers transferred under subsection (e) and shall promulgate regulations, policies and procedures for coverage of the transferred subscribers. The schedule of benefits available to transferred subscribers shall be determined by the commission pursuant to chapter 32A. The commission shall offer those subscribers the same choice as to health insurance carriers and benefits as those provided to state employees and retirees. The political subdivision's contribution to the cost of health insurance coverage for transferred subscribers shall be as determined under this section, and shall not be subject to the provisions on contributions in said chapter 32A. Any change to the premium contribution ratios shall become effective on July 1 of each year, with notice to the commission of such change not later than January 15 of the same year.

A political subdivision that transfers subscribers to the commission shall pay the commission for all costs of its subscribers' coverage, including administrative expenses, and the governmental unit's cost of subscribers' premium. The commission shall determine on a periodic basis the amount of premium which the political subdivision shall pay to the commission. If the political subdivision unit fails to pay all or a portion of these costs according to the timetable determined by the commission, the commission may inform the state treasurer who shall issue a warrant in the manner provided by section 20 of chapter 59 requiring the respective political subdivision to pay into the treasury of the commonwealth as prescribed by the commission the amount of the premium and administrative expenses attributable to the political subdivision. The state treasurer shall recoup any past due costs from the political subdivision's cherry sheet under section 20A of chapter 58 and transfer that money to the commission. If a governmental unit fails to pay to the commission the costs of coverage for more than 90 days and the cherry sheet provides an inadequate source of payment, the commission may, at its discretion, cancel the coverage of subscribers of the political subdivision. If the cancellation of coverage is for nonpayment, the political subdivision shall provide all subscribers health insurance coverage under plans which are the actuarial equivalent of plans offered by the commission in the preceding year until there is an agreement with the public employee committee providing for replacement coverage.

The commission may charge the political subdivision an administrative fee, which shall not be more than 1 per cent of the cost of total premiums for the political subdivision, to be determined by the commission which shall be considered as part of the cost of coverage for purposes of determining the contributions of the political subdivision and its employees to the cost of health insurance coverage by the commission.

(g) Any agreement reached between the political subdivision and the public employee committee, including an agreement to transfer subscribers to the group insurance commission, shall provide that within the same health insurance coverage plan the percentage contributed by the political subdivision to the premium or cost of health insurance coverage shall be the same for all subscribers covered under this section. These payments shall differ only by the type of coverage elected under the plan, including individual, family, optional Medicare extension or other coverage selections; but the percentage contributed by the political subdivision may vary among the different health insurance coverage plans offered under the agreement reached between the political subdivision and the public employee committee. The agreement reached shall provide that the percentage contributed by the political subdivision to the premium or cost of at least 1 Medicare extension plan available to all eligible subscribers shall be not less than the minimum percentage contributed by the political subdivision to any other health insurance coverage plan offered under the agreement reached. Any political subdivision that accepts this section shall establish by agreement with the public employee committee a contribution by the political subdivision to the premium or cost of health insurance coverage that provides for at least 50 per cent but not more than 99 per cent. Notwithstanding this subsection, where there is an agreement to transfer subscribers to the commission, subscribers whose coverage was governed by section 10B or 12 of chapter 32A before the date that the written agreement is executed, shall not be required to contribute more than 25 per cent of their health insurance premiums, but the written agreement may provide for a premium contribution paid by these subscribers of less than 25 per cent.

(h) If there is a revocation of acceptance or a withdrawal from the commission under this section, all retirees, their spouses and dependents insured or eligible to be insured by the political subdivision, if enrolled in Medicare part A at no cost to the retiree, spouse or dependents, shall be required to be insured by a Medicare extension plan offered by the political subdivision under section 11C or section 16. A retiree shall provide the political subdivision, in such form as the political subdivision shall prescribe, such information as is necessary to transfer to a Medicare extension plan. If a retiree does not submit the information required, he shall no longer be eligible for his existing health insurance coverage. The political subdivision may from time to time request from a retiree, a retiree's spouse and dependents, proof certified by the federal government of his eligibility or ineligibility for Medicare part A and part B coverage. The political subdivision shall pay the Medicare part B premium penalty assessed by the federal government on those retirees, spouses and dependents as a result of enrollment in Medicare part B at the time of transfer into the Medicare health benefits supplement plan.

(i) In the absence of a public collective bargaining unit, the chief executive officer of a municipality may authorize the transfer of subscribers to the commission.

SECTION 5. Where a public employee committee and governmental entity have in existence an agreement under section 19 of chapter 32A of the General Laws on July 31, 2006, that agreement shall remain in full force and effect and shall thereafter be governed by said chapter 32A. If the agreement provides for the transfer of subscribers to the group insurance commission, the public employee committee and the political subdivision shall amend the agreement, as necessary, to be consistent with state law.

SECTION 6. Notwithstanding any general or special law to the contrary, the town of Saugus may transfer subscribers to the group insurance commission in accordance with section 19 of chapter 32B of the General Laws on or after the effective date of this act.

Approved July 25, 2007.

A system found by the commission to have a funded ratio of less than 65 per cent and an average rate of return during the previous 10 years that is at least 2 percentage points less than that of the PRIT Fund rate of return over the same period shall be declared underperforming by the commission. The commission shall notify, in writing, any system deemed to be underperforming pursuant to this paragraph that it shall transfer ownership and control of all of its assets to the PRIM board. The notice shall include, without limitation: (i) a financial report on the specific underperforming system; (ii) a description of the rights and duties of the PRIM board; and (iii) a schedule for the transfer of ownership and control of a system’s assets to the PRIM board pursuant to this paragraph.

The review board may also consider the system's management costs, its risk return ratio and any other factors it deems appropriate. The grant of an exemption shall require the concurrence of at least 3 of the 4 members or their designees. The division and its staff shall be subject to the jurisdiction of the department of labor for all administrative

It is hereby declared to be the public policy of the commonwealth that the best interests of the people of the state are served by the prevention or prompt settlement of labor disputes; and it shall be the responsibility and objective of the division to take such steps as will most effectively and expeditiously encourage the parties to a labor dispute to agree on the terms of a settlement or to agree on the method and procedure which shall be used to resolve a dispute.

It is recognized that a constructive and harmonious long-term collective bargaining relationship is the most positive way to avoid labor disputes, and such a relationship can be effectively developed in the public sector through the use of joint labor management committees.

Section 9P. The dispute resolution office shall consist of hearing officers, mediators, arbitrators, investigators, and other skilled professionals who shall attempt, through the use of pre-hearing investigative conferences, expedited hearings, mediation, deferral to arbitration, and other dispute resolution procedures, to resolve any labor dispute brought to the attention of the division. The employer, the employee organization, or the person so complained of shall have the right to file an answer to the original or amended complaint within 5 days after the service of such complaint or within such other time as the division may require. Before the receipt of any answer, any complaint may be amended as of right, and, after the receipt of any answer, only with the permission of the division.

(b) The investigator may issue an order dismissing the complaint, deferring any complaint which is the subject of a pending grievance or arbitration, referring any complaint

to one of the division's mediators, or directing that a hearing take place. Unless the complaint is dismissed, deferred, or referred, the investigator shall promptly meet with the parties, investigate whether settlement of the complaint is possible, clarify and narrow the issues before the complaint is forwarded to a hearing, or dismiss the complaint without a hearing. The investigator may dismiss the complaint if she finds no probable cause to believe that a violation of this chapter has occurred or if she otherwise determines that further proceedings would not effectuate the purposes of this chapter.

(c) If a hearing is ordered, the division shall set the time and place for the hearing, which time and place may be changed by the division at the request of one of the parties for cause shown. Any party may file a motion to dismiss the complaint or for a summary decision prior to a hearing. At the hearing, which shall be presided over by a hearing officer, the employer, the employee organization, or the person so complained of shall have the right to appear in person or otherwise to defend against the complaint. At the discretion of the division, any person may be allowed to intervene in such proceeding. In any hearing, the division shall not be bound by the technical rules of evidence prevailing in the courts. The testimony, if any, may be preserved by a taped recording or, at the discretion of the parties who shall be responsible for the costs thereof, by stenographic transcription.

(d) At the conclusion of the hearing, the hearing officer shall issue written findings of fact and shall determine whether a practice prohibited under section 10 has been committed and, if so, shall issue an order requiring the charged party to cease and desist from such prohibited practice, and shall take such further affirmative action as will comply with the provisions of this section, including but not limited to the withdrawal of certification of an employee organization established by or assisted in its establishment by any such prohibited practice. The hearing officer shall order the reinstatement with or without back pay of an employee discharged or discriminated against in violation of the first paragraph of this chapter. If the hearing officer determines that a practice prohibited under section 10 has not been or is not being committed, the hearing officer shall state her findings of fact and issue an order dismissing the complaint.

(e) Any order issued pursuant to this section shall become final and binding unless, within 10 days after notice thereof, any party requests a review by the board. A review may be made upon the record, which shall consist of the pleadings, motions, rulings, and the testimony taken at the hearing, if any, or upon such portions of the record as the parties may designate.

(f) Upon any complaint made under this section and a petition filed by one or more parties to the proceeding, the board, in its discretion, and for good cause shown, may order that the hearing be conducted by the board itself. At such hearing the employer, the employee organization or the person so complained of shall have the right to appear in person or otherwise to defend against such complaint. At the discretion of the board, any person may be allowed to intervene in such proceeding. In any hearing, the board shall not be bound by the technical rules of evidence prevailing in the courts. The testimony, if any,

may be preserved by a taped recording or, at the discretion of the parties who shall be responsible for the costs thereof, by stenographic transcription.

(g) At the conclusion of the hearing, the board shall state its findings of fact and shall determine whether a practice prohibited under section 10 has been committed and if so, it shall issue an order requiring the charged party to cease and desist from such prohibited practice, and shall take such further affirmative action as will comply with the provisions of this section, including but not limited to the withdrawal of certification of an employee organization established by or assisted in its establishment by any such prohibited practice. The board shall order the reinstatement with or without back pay of an employee discharged or discriminated against in violation of the first paragraph of this chapter. If the board determines that a practice prohibited under section 10 has not been or is not being committed, it shall state its findings of fact and issue an order dismissing the complaint.

(h) Whenever it is alleged that a party has refused to bargain collectively in good faith with the exclusive representative as required in section 10 and that such refusal is based upon a dispute involving the appropriateness of a bargaining unit, the division shall, except for good cause shown, issue an interim order requiring the parties to bargain pending its determination of the dispute. Where such interim order is issued, the board shall hold a hearing on the charge in a summary manner and shall speedily determine the issues raised and shall make an appropriate decision.

(i) The board may institute appropriate proceedings in the appeals court for enforcement of its final orders. Any party aggrieved by a final order of the board may institute proceedings for judicial review in the appeals court within 30 days after receipt of the order. The proceedings in the appeals court shall, insofar as applicable, be governed by section 14 of chapter 30A. The commencement of such proceedings shall not, unless specifically ordered by the court, operate as a stay of the board's order.

SECTION 8. Notwithstanding any general or special law to the contrary, the division shall have all of the legal powers, authorities, responsibilities, duties, rights, and obligations previously conferred on the labor relations commission, the board of conciliation and arbitration, and the joint-labor management committee, including without limitation those set forth in chapter 23C, chapter 150, chapter 150A, and chapter 150E of the General Laws. The commissioners of the labor relations commission holding office upon the effective date of this act may serve on the commonwealth employment relations board until the expiration of their current terms.

“Substantial action”, adopting, publicizing, and implementing a formal plan to cease scrutinized business operations within 1 year and to refrain from any such new business operations; undertaking humanitarian efforts in conjunction with an international organization, the government of Sudan, the regional government of southern Sudan, or a non profit entity; and evaluated and certified by an independent third party to be substantial in relationship to the company’s Sudan business operations and of benefit to 1 or more marginalized populations of Sudan; or through engagement with the government of Sudan, materially improving conditions for the population victimized by genocide in Darfur.

SECTION 2. Within 90 days of the effective date of this act, the public fund shall make its best efforts to identify all scrutinized companies in which the public fund has direct or indirect holdings or could possibly have such holdings in the future. The identification of scrutinized companies shall be the responsibility of an independent, third-party research firm, as identified by the public fund, and based on the criteria set forth in this act. By the first meeting of the public fund following the 90-day period, the public fund shall assemble all scrutinized companies identified into a scrutinized companies list. The public fund shall update the scrutinized companies list on a quarterly basis based on evolving information from the aforementioned independent, third-party research firm.

SECTION 3. The public fund shall adhere to the following procedure for companies on the scrutinized companies list:-

(a)(1) the public fund shall immediately determine the companies on the scrutinized companies list in which the public fund owns direct or indirect holdings;

(2) if, and only while such company continues to have scrutinized active business operations, the public fund shall sell, redeem, divest, or withdraw all publicly-traded securities of each company identified in paragraph (1) with active business operations, except as provided below, according to the following schedule: (i) at least 50 per cent of such assets shall be removed from the public fund's assets under management by 6 months after the company's most recent appearance on the scrutinized companies list (ii) 100 per cent of such assets shall be removed from the public fund's assets under management within 12 months after the company's most recent appearance on the scrutinized companies list;

(3) during the time period outlined in paragraph (2) the public fund may, but is not required to, sign onto engagement letters or participate in shareholder resolutions regarding the scrutinized business operations of companies identified in paragraph (1) with active or inactive business operations in which the public fund still owns direct or indirect holdings;

(4) If a company identified in paragraph (1) with only inactive business operations converts such operations to active business operations, paragraph (2) will immediately apply. The company shall also be immediately reintroduced onto the scrutinized companies list.

(b) At no time shall the public fund acquire securities of companies on the scrutinized companies list that have active business operations, except as provided in subsections (c) and (d).

(c) No company which the United States government affirmatively declares to be excluded from its present or any future federal sanctions regime relating to the government of Sudan shall be subject to divestment or investment prohibition pursuant to subsections (a) and (b).

(d) Notwithstanding anything herein to the contrary, subsections (a) and (b) shall not apply to indirect holdings in actively managed investment funds. The public fund shall, however, submit letters to the managers of such investment funds containing companies with scrutinized active business operations requesting that they consider removing such companies from the fund or create a similar actively managed fund with indirect holdings devoid

of such companies. If the manager creates a similar fund, the public fund shall replace all applicable investments with investments in the similar fund in an expedited time frame consistent with prudent investing standards. For the purposes of this section, private equity funds shall be deemed to be actively managed investment funds.

SECTION 4. The public fund shall file a report with the clerks of the senate and the house of representatives and the attorney general that includes the scrutinized companies list within 30 days after the list is created. Annually thereafter, the public fund shall file a report to the clerks of the senate and the house of representatives and the attorney general and send a copy of that report to the United States presidential special envoy to Sudan, or an appropriate designee or successor, that includes: (1) all investments sold, redeemed, divested, or withdrawn in compliance with subsection (a) of section 3; (2) all prohibited investments under subsection (b) of section 3; and (3) any progress made under subsection (d) of section 3.

SECTION 5. With respect to actions taken in compliance with this act, including all good faith determinations regarding companies as required by this act, the public fund shall be exempt from any conflicting statutory or common law obligations, including any such obligations in respect to choice of asset managers, investment funds, or investments for the public fund's securities portfolios.

SECTION 6. Notwithstanding anything herein to the contrary, the public fund shall be permitted to cease divesting from certain scrutinized companies pursuant to subsection (a) of section 3 or reinvest in certain scrutinized companies from which it divested pursuant to said subsection if clear and convincing evidence shows that the value for all assets under management by the public fund becomes equal to or less than 99.5 per cent (50 basis points) of the hypothetical value of all assets under management by the public fund assuming no divestment for any company had occurred under said subsection. Cessation of divestment, reinvestment, or any subsequent ongoing investment authorized by this section shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in the preceding sentence. For any cessation of divestment, reinvestment, or subsequent ongoing investment authorized by this subsection, the public fund shall provide a written report to the attorney general, the senate and house committees on ways and means and the joint committee on public service in advance of initial reinvestment, updated semi-annually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease divestment, reinvest, or remain invested in companies with scrutinized active business operations. This section has no application to reinvestment in companies on the ground that they have ceased to have scrutinized active business operations.

SECTION 7. This act shall expire when the government of Sudan is not the subject of sanctions, relative to genocide, imposed by the government of the United States.

Whereas, the supreme judicial court has stated with respect to legislation dealing with public assets that: (i) the legislation must be explicit concerning the land involved; (ii) it must acknowledge the interest being surrendered; (iii) it must recognize the public use to which the land is to be put; (iv) the action must be for a valid public purpose; and (v) where there may be benefits to private parties, those private benefits must not be primary but merely incidental to the achievement of the public purpose; and

Whereas, exempting existing and future uses, structures, and improvements on landlocked tidelands from the licensing requirements established by chapter 91 of the General Laws, serves proper public purposes, including, but not limited to, maintaining marketable titles, continuing the beneficial redevelopment and revitalization of landlocked tidelands, and encouraging public access to the waterfront; and

Notwithstanding section 3 of chapter 83 of the General Laws or any general or special law, rule or regulation to the contrary, the town of Charlton board of water and sewer commissioners, in this act called the "board" or "water and sewer commission", and which in this act shall also mean any other board or officer having charge of the repair and maintenance of sewers in the town of Charlton, may, in its discretion, allow buildings upon land abutting upon a public or private way in which a common sewer has been laid to be connected with that sewer, but shall not be obligated to allow these connections, except with respect to requests for connections for residential use for which a sewer betterment has been assessed, which shall be permitted in accordance with section 3 of chapter 83 of the General Laws. In exercising its discretion under this section, the commission shall consider matters involving the capacities and capabilities of the town's wastewater treatment plant, sewage and other infrastructure and equipment, and the desirability of prioritizing connections for commercial and residential properties within the original planned service area, as well as those with on-site septic systems that are in failure or at risk of failing.

SECTION 2. No owner of land connected to the common sewer shall reconstruct, enlarge, alter or renovate an existing structure on that land or expand, change or alter an existing use of that land without a permit from the board. The board may permit continued use of an existing sewer connection, but shall not be obligated to do so. No permit under this section shall be required for the reconstruction, change or alteration of existing single or two-family residential structures if the reconstruction, enlargement, alteration or renovation will not change the use of the property or increase the number of living units in the existing structure.

SECTION 3. Notwithstanding any general or special law, rule or regulation to the contrary, the town of Charlton may establish a special account to be known as the town of Charlton Sewer System Capital Improvement Fund in this act called the Sewer Fund. The Sewer Fund shall be maintained by the treasurer of the town of Charlton, and expenditures therefrom shall be made subject to appropriation initiated by the water and sewer commission and approved by a majority vote of the town meeting.

SECTION 4. Payments to the Sewer Fund shall be made by applicants for connection to the common sewer, pursuant to section 1, and those applicants required to obtain a permit for increased use of existing connections, pursuant to section 2. The amount of these payments from private sources shall be as determined by a schedule of fees to be set by the water and sewer commission. The schedule shall provide for the method of determining the amount of each payment from applicants based upon their anticipated sewage flow. The sewer improvement fee assessed shall be proportionate to the total estimated cost to the town of designing, constructing, reconstructing, reducing infiltration or inflow or expanding capacity of the wastewater treatment plant serving the Charlton sewer system, pumping stations and related facilities, to handle an incremental amount of wastewater equal to the excess flow to be generated by the property or by the increase in use of the property and shall be proportionate to the betterments and privilege fees previously assessed, or the sewer improvement fee assessed under this act, upon other property owners for such improvements.

SECTION 5. All sewer improvement fees collected shall be deposited into the Sewer Fund. Monies deposited into the Sewer Fund shall be used only for the purposes set forth in this act, as may be determined by the board. SECTION 9. The water and sewer commission may adopt rules and regulations for the implementation and administration of the Sewer Fund and to set fees, and may adopt other rules and regulations as may be in furtherance of its responsibilities and the purpose of this act.

SECTION 13. Section 8 of said chapter 255E, as so appearing, is hereby amended by striking out the third paragraph and inserting in place thereof the following 8 paragraphs:-

The commissioner shall inspect a licensee's relevant records and evidence of compliance with the provisions of this chapter or any rule or regulation issued hereunder and with any other law, rule or regulation applicable to the conduct of the business for which it is licensed under this chapter. For the purposes of such inspection, the commissioner or a representative of the commissioner shall have access to the offices and place of business, books, accounts, papers, records and files of all such licensees. The commissioner, and any person designated by him, may require the attendance and testimony of any person whom the commissioner deems necessary relative to the conduct and operation of such business. The total cost for any such inspection, which shall be paid by the licensee within 30 days after the receipt of an invoice therefore, shall be in accordance with fees determined annually by the commissioner of administration pursuant to section 3B of chapter 7, including expenses for necessary travel outside the commonwealth for the purposes of conducting such inspections.

During the course of such inspection, a mortgage lender that has made 50 or more home mortgage loans in the last calendar year shall be examined for its compliance with fair lending laws including, but not limited to, the requirements of the federal Equal Credit Opportunity Act, Home Mortgage Disclosure Act, and the Predatory Home Loan Practices Act. Such examination shall also include an evaluation of such mortgage lender's: (a) origination of loans and other efforts to assist low and moderate income residents, without distinction, to be able to acquire or to remain in affordable housing at rates and terms that are reasonable considering the lender's history with similarly situated borrowers, the availability of mortgage loan products suitable for such borrowers, and consistency with safe and sound

business practices; (b) origination of loans and other efforts to assist low and moderate income residents' ability to acquire or to remain in affordable housing; (c) origination of loans that show an undue concentration and a systematic pattern of lending resulting in the loss of affordable housing units; (d) efforts working with delinquent residential mortgage customers to facilitate a resolution of the delinquency; and (e) other efforts, including public notice of the scheduling of examinations and the right of interested parties to submit written comments relative to any such examination to the commissioner, as, in the judgment of the commissioner, reasonably bear upon the extent to which a mortgage lender is complying with the requirements of fair lending laws and helping to meet the mortgage loan credit needs of communities in the commonwealth.

Upon the completion of such examination, the commissioner shall prepare a written evaluation of such lender's record of performance, which shall be open to public inspection upon request, and said written evaluation shall include: (a) the assessment factors utilized to determine the mortgage lender's descriptive rating; (b) the commissioner's conclusions with respect to each such assessment factor; (c) a discussion of the facts supporting such conclusions; and (d) the mortgage lender's descriptive rating and the basis therefor.

Based upon such examination, the mortgage lender shall be assigned 1 of the following descriptive ratings: (a) outstanding record of performance in meeting the mortgage loan credit needs of communities in the commonwealth; (b) high satisfactory record of performance in meeting the mortgage loan credit needs of communities in the commonwealth; (c) satisfactory record of performance in meeting the mortgage loan credit needs of communities in the commonwealth; (d) needs to improve record of performance in meeting the mortgage loan credit needs of communities in the commonwealth; or (e) substantial noncompliance in meeting the mortgage loan credit needs of communities in the commonwealth.

Notwithstanding the foregoing, the commissioner may establish an alternative examination procedure for any mortgage lender, which, as of the most recent examination, has been assigned a rating of outstanding or high satisfactory for its record of performance in meeting its community mortgage loan credit needs.

In considering an application from a licensed mortgage lender for a renewal of a license issued pursuant to this chapter, the commissioner shall consider, but not be limited to, the record of performance of any such lender in accordance with this section. Said record of performance may provide the basis for the denial of any such renewal application.

For the purposes of this section, no mortgage lender may include a loan origination or loan purchase for consideration as part of its examination under this section if another mortgage lender claims the same loan origination or purchase for its review under this section or under section 14 of chapter 167.

The commissioner shall adopt regulations implementing the requirements of this section.

SECTION 14. Section 10 of said chapter 255E, as so appearing, is hereby amended by striking out the first sentence and inserting in place thereof the following sentence:-

Whoever violates section 2 or any rule or regulation promulgated thereunder shall be punished by a fine of not more than \$2,000 or by imprisonment in the house of correction for not more than 2 ½ years or by imprisonment in state prison for not more than 5 years, or both such fine and imprisonment.

SECTION 15. The General Laws are hereby amended by inserting after chapter 255E the following chapter:-

CHAPTER 255F.

LICENSING OF MORTGAGE LOAN ORIGINATORS.

Section 1. As used in this chapter, the following words shall, unless the context otherwise requires, have the following meanings:-

“Commissioner”, the commissioner of banks.

“Division”, the division of banks.

“Entity”, a person or entity that is a licensee under chapter 255E, as regulated by the division.

“Mortgage loan originator”, a natural person who:- (a) is employed by or associated with 1 and not more than 1 entity; and (b) negotiates, solicits, arranges, provides or accepts residential mortgage loan applications, or assists consumers in completing such applications, except that employees whose responsibilities are limited to clerical and administrative tasks and who do not solicit borrowers, accept applications or negotiate the terms of residential mortgage loans on behalf of the employer shall not be considered mortgage loan originators and do not require licenses.

“Mortgage loan”, a loan or an extension of credit including, but not limited to, an extension of credit pursuant to a contract or an assigned contract for the sale of goods or services, made to a natural person, the proceeds of which are to be used primarily for personal, family or household purposes, and which is secured wholly or partially by a mortgage on residential property.

“Residential property”, real property located in the commonwealth having thereon a dwelling house with accommodations for 4 or less separate households and occupied, or to be occupied, in whole or in part by the obligor on the mortgage debt.

Section 2. No natural person shall act as a mortgage loan originator unless such person has first obtained a mortgage loan originator license from the commissioner. An entity shall not knowingly employ or retain a mortgage loan originator unless the mortgage loan originator is licensed under this chapter.

Section 3. (a) The application for a mortgage loan originator license shall be in the form prescribed by the commissioner and shall contain the name, address and license number of the entity with whom a mortgage loan originator is or will be employed or associated with and other information as the commissioner may require, including evidence of compliance with subsection (b). The application shall also include a description of the activities of the applicant, in such detail and for such periods as the commissioner may require, and such further information as the commissioner may require. The commissioner may obtain, pursuant to section 172J of chapter 6 all available criminal offender record information from

the criminal history systems board on an applicant for a mortgage loan originator license by means of fingerprint checks, and from the Federal Bureau of Investigation for a national criminal history records check. The information obtained thereby may be used by the commissioner to determine the applicant's eligibility for licensing under this chapter. Receipt of criminal history record information by a private entity is prohibited. Each application for a license shall be accompanied by an investigation fee. Investigation and license fees shall be determined annually by the secretary of administration under section 3B of chapter 7, but such total annual fees shall be not less than \$500; provided, that such investigation and license fees shall not apply to any community development corporation as defined in section 1 of chapter 40F and organized under the General Laws.

(b) An applicant shall have completed a residential mortgage lending course, approved by the division, not later than the 2 year period immediately preceding the date of the application.

Section 4. If the commissioner finds that the financial responsibility, character, reputation, integrity and general fitness of the applicant is such as to warrant belief that the applicant will act honestly, fairly, soundly and efficiently in the public interest, consistent with the purposes of this chapter, the commissioner shall issue the applicant a license to engage in the business of a mortgage loan originator upon payment of the required fees. If the commissioner shall not so find, or if the applicant's criminal history demonstrates any felony convictions or other convictions or admissions to sufficient facts involving fraud or if the applicant has had any adverse civil judgments involving fraudulent dealings, the commissioner shall not issue a license and shall notify the applicant of the denial. Within 20 days thereafter, the commissioner shall enter upon the division's records a written decision and findings containing the reasons supporting the denial and shall forthwith give written notice thereof by registered mail to the applicant. Within 30 days after receipt of such notice, the applicant may seek judicial review of the denial in accordance with section 14 of chapter 30A.

Section 5. A mortgage loan originator may transact business only for an employing entity. Each original license issued to a mortgage loan originator must be provided to and maintained by the employing entity at the entity's main office. If the employment of a mortgage loan originator is terminated, the employing entity shall return the mortgage loan originator's license to the division within 5 business days after termination. The reason for termination shall be given in a format determined by rules and regulations of the commissioner. For a period of 1 year after the termination of employment, the mortgage loan originator may request the re-assignment of the license to another entity by submitting an application to the division, along with a fee established by the division by rule. The return of the license of any mortgage loan originator to the division that is not re-assigned to another entity terminates the right of the mortgage loan originator to engage in any residential mortgage loan origination activity until division procedures have been followed to reactivate such license. The license of any mortgage loan originator that has been returned to the division and not re-assigned to another entity within 1 year of termination of employment shall be cancelled.

Each license shall state the name of the mortgage loan originator licensee and the name and main office address of the entity employing such mortgage loan originator.

The commissioner may establish an expedited re-assignment process of a mortgage loan originator's license to another entity if the reason for such re-assignment is directly related to increased responsibilities or compensation.

The commissioner may adopt, amend or repeal rules and regulations to aid in the administration and enforcement of this chapter.

Section 6. Each application for a license shall be accompanied by an investigation fee. Investigation and license fees shall be determined annually by the secretary of administration under section 3B of chapter 7 provided that such total annual fees shall be not less than \$500; provided further, that such investigation and license fees shall not apply to any community development corporation as defined in section 1 of chapter 40F and organized under the General Laws. The license of a mortgage loan originator shall expire annually. Each licensee, shall annually, on or before a date to be determined by the commissioner, submit a license renewal application. The license renewal application shall be on a form prescribed by the commissioner, signed under the pains and penalties of perjury, containing such information as the commissioner may require.

As determined by the commissioner, licensees shall complete at least 8 hours of residential mortgage lending continuing education courses every 3 years. Failure of the licensee to satisfy the continuing education requirement shall render the mortgage loan originator ineligible for renewal and such license shall be deemed to be inactive. A mortgage loan originator who neglects to file an application or fails to amend the same within 15 days of notice from the commissioner directing that the application be amended shall be deemed inactive. Inactive mortgage loan originators shall be prohibited from engaging in business as a mortgage loan originator.

Section 7. The commissioner may suspend, revoke or refuse to renew any license issued pursuant to this chapter if the commissioner finds that:- (1) the licensee has violated this chapter or any rule or regulation adopted hereunder, or any other law applicable to the conduct of its business; (2) any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted the commissioner in refusing to issue such license; or (3) the licensee has committed any fraud, misappropriated funds or misrepresented any of the material particulars of a mortgage loan transaction.

Except as provided in section 8, no license shall be revoked or suspended except after notice and a hearing thereon pursuant to chapter 30A. Any order issued pursuant to this section shall be subject to judicial review in accordance with section 14 of said chapter 30A.

A licensee may surrender his license by delivering to the commissioner written notice that he hereby surrenders such license, but such surrender shall not affect the civil or criminal liability of the licensee for acts committed before such surrender.

Section 8. (a) If the commissioner determines, after giving notice of and opportunity for a hearing, that a licensee has engaged in an act or practice constituting a violation of this chapter or a rule, regulation or order promulgated hereunder, the commissioner may order such licensee to cease and desist from such unlawful act or practice and take such affirmative

action as in the commissioner's judgment will affect the purposes of this chapter.

(b) If the commissioner makes written findings of fact that the public interest will be irreparably harmed by delay in issuing an order under subsection (a), the commissioner may issue a temporary cease and desist order. Upon the entry of a temporary cease and desist order, the commissioner shall promptly notify, in writing, the licensee and the employing entity affected thereby that such order has been so entered, the reasons therefore, and that, within 20 days after the receipt of a written request from such licensee, the matter will be scheduled for hearing to determine whether such temporary order shall become permanent and final. If no such hearing is requested and none is ordered by the commissioner, the order shall remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after giving notice of and opportunity for a hearing to the licensee and the employing entity subject to said order shall, by written findings of fact and conclusions of law, vacate, modify or make permanent the order.

(c) No order issued pursuant to this section, except an order issued pursuant to subsection (b), may be entered without prior notice of and opportunity for a hearing. The commissioner may vacate or modify an order under this section upon finding that the conditions which required such an order have changed and that it is in the public interest to so vacate or modify.

Any order issued pursuant to this section shall be subject to judicial review in accordance with section 14 of chapter 30A.

Section 9. The commissioner may enforce this chapter, or restrain any violations thereof, by filing a civil action in any court of competent jurisdiction.

Section 10. Whoever violates section 2 or any rule or regulation promulgated thereunder shall be punished by a fine of not more than \$2,000 or by imprisonment in the house of correction for not more than 2 ½ or by imprisonment in state prison for not more than 5 years, or by both such fine and imprisonment. Each day such violation occurs or continues shall be deemed a separate offense. The penalty provision of this section shall be in addition to any other law applicable to a licensee or other person for violating section 2 or any rule or regulation made thereunder.

Section 11. (a) Whenever the commissioner finds that any licensee has violated this chapter or any rule or regulation promulgated thereunder, or any other law of the commonwealth applicable to the conduct of a mortgage loan originator on residential property in the commonwealth, the commissioner may, by order, in addition to any other action authorized under this chapter or any rule or regulation made thereunder, impose a penalty upon the person which shall not exceed \$5,000 for each violation up to a maximum of \$100,000 for such violation plus the costs of investigation. The commissioner may impose a penalty which shall not exceed \$5,000 for each violation of this chapter, or any rule or regulation promulgated hereunder, by a person other than a licensee, plus the costs of investigation.

(b) Nothing in this section shall limit the right of any individual or entity who has been injured as a result of any violation of this chapter by a licensee, or any person other than

a licensee, to bring an action to recover damages or restitution in a court of competent jurisdiction.

(c) Any findings or orders issued by the commissioner pursuant to this section shall be subject to review as provided in chapter 30A.

Section 12. (a) Whenever the commissioner determines that any person has, directly or indirectly, violated this chapter or any rule or regulation promulgated hereunder, applicable to the conduct of a mortgage loan originator on residential property in the commonwealth, any order issued by the commissioner pursuant to this chapter or any written agreement entered between the licensee and the commissioner, the commissioner may serve upon that person a written notice of intention:-

(1) to prohibit the person from performing in the capacity of a principal employee on behalf of any licensee for a period of time that the commissioner considers necessary;

(2) to prohibit the person from applying for or obtaining a license from the commissioner for a period up to 36 months following the effective date of an order issued under subsection (b) or (c); or

(3) to prohibit the person from any further participation, in any manner, as a mortgage loan originator in the commonwealth or to prohibit the person from being employed by, as agent of, or operating on behalf of a licensee under this chapter or any other business which requires a license from the commissioner.

(b) A written notice issued under subsection (a) shall contain a written statement of the facts that support the prohibition and shall give notice of an opportunity for a hearing to be held thereon. The hearing shall be fixed for a date not more than 30 days after the date of service upon the commissioner of the request for a hearing. If the person fails to submit a request for a hearing within 20 days of service of notice under subsection (a), or otherwise fails to appear in person or by a duly authorized representative, the party shall be considered to have consented to the issuance of an order of prohibition in accordance with the notice.

(c) In the event that consent is granted by operation of subsection (b), or if after a hearing the commissioner finds that any of the grounds specified in the notice have been established, the commissioner may issue an order of prohibition in accordance with subsection (a) as the commissioner finds appropriate.

(d) An order issued under subsection (b) or (c) shall be effective upon service upon the person. The commissioner shall also serve a copy of the order upon the licensee of which the person is an employee or on whose behalf the person is performing. The order shall remain in effect and enforceable until it is modified, terminated, suspended or set aside by the commissioner or a court of competent jurisdiction.

(e) Except as consented to in writing by the commissioner, any person who, pursuant to an order issued under subsection (b) or (c), has been prohibited from participating in whole or in part as a mortgage loan originator may not, while the order is in effect, continue or commence to perform in the capacity of a mortgage loan originator, or otherwise participate in any manner, if so prohibited by order of the commissioner, in the conduct of the affairs of:-

- (1) any licensee under this chapter;
- (2) any other business which requires a license from the commissioner; or
- (3) any bank as defined under section 1 of chapter 167 or any subsidiary thereof.

Section 13. The commissioner may suspend, revoke or refuse to renew the license of the entity employing any licensed mortgage originator if the commissioner finds that: (a) the entity knew or should have known that the mortgage loan originator violated this chapter or any rule or regulation promulgated hereunder, or any other law applicable to the conduct of its business; (b) the entity knew of any fact or condition to exist which, if it had existed at the time of the original application for such license, would have warranted the commissioner in refusing to issue such license; (c) the mortgage loan originator committed any fraud, misappropriated funds or misrepresented any of the material particulars of a mortgage loan transaction approved by the entity; or (d) The entity has failed to comply with the reporting requirements set forth in section 15.

Section 14. Each licensee shall, when directed by the commissioner, permit the commissioner or a duly authorized representative to inspect its relevant records and evidence of compliance with this chapter or any rule or regulation issued hereunder and with any other law, rule and regulation applicable to the conduct of a mortgage loan originator licensed under this chapter.

Such guidelines and counseling shall provide for best practices that: (a) attain a minimal risk of high cost lending; (b) have a demonstrated ability to avoid foreclosures; (c) have a demonstrated record of pricing that ensures uniformity of lending; (d) avoid a disparity of pricing in low and moderate income census tracts; and (e) maintain foreclosure prevention practices that meet or exceed standards met by government sponsored enterprises.

Such pilot program shall also provide for foreclosure training to 10 or more foreclosure education centers for counseling and assistance to owner-occupied 1 to 4 family dwellings in such geographic areas.

On or before December 31, 2008, the division of banks shall report the results of such pilot program to the general court.

SECTION 1. Notwithstanding sections 12 and 17 of chapter 138 of the General Laws or any other general or special law or rule or regulation to the contrary, the licensing board of the city of Gardner may grant 3 additional licenses for the sale of all alcoholic beverages to be drunk on the premises, subject to the conditions set forth in this section.

The licensing board shall restrict the granting of the licenses issued pursuant to this act to the area designated as an Urban Renewal Area for the purpose of downtown revitalization and to promote economic vitality. The area is more particularly shown on a plan entitled "Urban Renewal Area", which is on file with the licensing board of the city of Gardner.

Notwithstanding said section 12 of said chapter 138, the additional licenses shall be subject to an annual fee of \$2,500 more than the annual fee for existing all alcoholic beverages licenses in the city of Gardner. The additional \$2,500 fee shall be deposited into an economic development account in the city of Gardner and expended consistent with the purpose of such account.

Notwithstanding said sections 12 and 17 of said chapter 138, the licensing board shall restrict the licenses granted pursuant to this act to restaurants providing direct bar service only to patrons eating a meal at the bar or waiting to be seated for a meal and the license holder shall maintain a direct management role in the daily operation of the restaurant. Any such restaurant shall be determined to be a bona fide restaurant if it operates a full kitchen for a minimum of 8 hours per day or, if it is open for less than 8 hours per day, it operates a full kitchen for the entire period it is open.

The licensing board and the alcoholic beverages control commission shall determine reasonably whether an applicant or licensee meets the criteria set forth in this act.

Notwithstanding any general or special law or any rule or regulation to the contrary, the licensing board shall not approve the transfer of the license to any other location. The

Chap. 226

license may be granted by the licensing board at the same location if an applicant for the license files with the authority a letter in writing from the department of revenue indicating that the license is in good standing with the department and that all applicable taxes have been paid.

If a license granted under this act is cancelled, revoked or no longer in use, it shall be returned physically, with all of the legal rights, privileges and restrictions pertaining thereto, to the licensing board and the board may then grant the license to a new applicant at the same location and under the same conditions as specified in this section.
