RE: **Updated Application for Seniors and People Needing Long-Term-Care Services (SACA-2)**

Background

MassHealth has updated the Application for Health Coverage for Seniors and People Needing Long-Term-Care Services (SACA-2). Revised March 2026, the application is for the following populations in Massachusetts.

- A person 65 or older and living at home who is
 - not the live-in parent of a child younger than 19;
 - not an adult relative living with and taking care of a child younger than 19 years old when neither parent is living in the home;
 - disabled and working 40 hours or more a month or is currently working and has worked at least 240 hours in the six months immediately before the month of application; or
 - has received the MassHealth CommonHealth benefit for 10 years, regardless of employment status.
- A person of any age who needs long-term-care services in a medical institution or a nursing facility.
- A person who is eligible under certain programs to get long-term-care services to live at home.
- A member of a married couple living with their spouse when
 - both spouses are applying for health coverage;
 - there are no children younger than 19 living with them; and
 - one spouse is 65 or older and the other spouse is younger than 65 years old.

A person 65 or older should complete the Application for Health and Dental Coverage and Help Paying Costs (ACA-3) if they meet any of the following exceptions.

- They are a parent of a child younger than 19 who lives with them.
- They are an adult relative living with and taking care of a child younger than 19 when neither parent is living in the home.

Summary of Changes

The following changes were made in the March 2026 version of the SACA-2.
