Notice of Funding Availability - Public Housing Innovations (PHI)

Partnership to Expand Housing Opportunities (PEHO) Round II & Gateway Cities Revitalization Programs

EXTENSION OF DEADLINE FOR RESPONSES TO PEHO ROUND II NOFA TO May 15, 2020: DHCD has extended the deadline for responses to the Notice of Funding Availability (NOFA) for Public Housing Innovations. The previously extended deadline for responses to the Partnership to Expand Housing Opportunities (PEHO) Round II – has been further extended from April 15, 2020, to May 15, 2020. This is to allow Local Housing Authorities (LHAs) additional time to draft, issue, and review the responses to an LHA-issued Request for Proposals (RFP), and to reply to DHCD's NOFA. There will be no further extensions.

The deadline for the Gateway Cities Neighborhood Revitalization program within the NOFA **HAS NOT** been extended, and remains February 12, 2020.

Applications maybe be submitted prior to the new deadline, but no awards will be made in either program until after February 12, 2020 and no awards pursuant to PEHO will be made until after May 15.

GENERAL NOTICE: Prospective applicants should review the original NOFA, all addenda and all related attachments to the NOFA before drafting their applications for funding. **All documents can be found at: https://www.mass.gov/service-details/public-housing-admin-notices under the heading "2019-14 Public Housing Innovations (PHI)."**

If you have additional questions about the NOFA, please submit them via email to ben.stone@mass.gov and paul.mcpartland@mass.gov.
