**114.3 CMR 40.00: Rates for Services under M.G.L. c. 152, Worker's Compensation Act
Clarification of the Computation of Partial Services Units for Restorative Services**

January 7, 2010

The Division of Health Care Finance and Policy (Division), under the authority of 114.3 CMR 40.01(3), is issuing this bulletin to clarify the calculation of partial restorative services units for billing purposes.

The Division's regulation, 114.3 CMR 40.05(13)(h), stipulates that "[w]hen determining the correct units allowed, round partial units to one decimal place." This provision applies to all time-based restorative service units listed in 114.3 CMR 40.06 (12), not just to physical therapy modalities.
