ADMINISTRATIVE BULLETIN 15-13

**114.1 CMR 41.00: Rates of Payment for Services Provided to
Industrial Accident Patients by Hospitals**

Effective October 1, 2015

Publication of the Hospital Uniform Assessment Percentage

The Executive Office of Health and Human Services, pursuant to 114.1 CMR 41.05(4), is issuing this bulletin to publish the updated Hospital Uniform Assessment Percentage for outpatient services provided by Massachusetts acute hospitals to industrial accident patients. This percentage is also known as the “Health Safety Net Uniform Assessment Percentage.”

Effective October 1, 2015, for services rendered on or after this date, the Hospital Uniform Assessment percentage is 0.82%. This percentage is to be applied to acute hospital charges for outpatient services provided to industrial accident patients, and in accordance with 114.1 CMR 41.04(1)(d). This percentage is also to be applied to outpatient restorative services and ambulatory surgical facility group fees for services provided to industrial accident patients, and to acute care hospital charges when the payment for the industrial accident patient is based on the ambulatory fees set forth in 114.3 CMR 40.00: *Rates for Services under M.G.L. c. 152, Workers’ Compensation Act.*
