Publication of Payment on Account Factors (PAFs) for Hospital Services

The Executive Office of Health and Human Services (EOHHS), pursuant to 114.1 CMR 41.05(1) and (3), is publishing the Payment on Account Factors (PAF) for acute and non-acute hospital services rendered to industrial accident patients. The application of the PAF to all billed charges payable pursuant to 114.1 CMR 41.00 results in the payment of the average percentage of charges paid by the private sector to each hospital for its services and shall be deemed to meet the test of reasonable cost of medical services prescribed by M.G.L. c. 152, the Workers' Compensation Act. No lesser amount shall be paid unless agreed to by the provider, insurer, and employer.
