**Publication of the Health Safety Net Uniform Assessment Percentage**

The Executive Office of Health and Human Services, pursuant to 114.1 CMR 41.05(4), is issuing this bulletin to publish the updated Health Safety Net Uniform Assessment for hospital outpatient workers' compensation charges.

**The revised percentage change from 0.82% to 0.80% will be effective for services rendered on or after October 1, 2016**, and may be added to acute hospital charges in accordance with 114.1 CMR 41.04(1)(d).
