HCPCS Updates

Under the authority of 114.3 CMR 22.00, the Executive Office of Health and Human Services is issuing this bulletin to establish rates for four new Healthcare Common Procedure Coding System (HCPCS) Level II codes, effective for services provided on or after July 1, 2017.

As described in 114.3 CMR 22.03(16), and until appropriate rates are otherwise developed, new codes with associated Medicare fees are set at a percentage of prevailing Medicare fees. Rates for new codes without associated Medicare fees are set based on the individual consideration (IC) methodology at adjusted acquisition cost (AAC) plus the standard markup, as defined in 114.3 CMR 22.02.

The new codes and rates are:
