Administrative Bulletin 20-70

101 CMR 359.00: Rates for Home and Community Based Services Waivers

Effective July 10, 2020

Additional Rate Provision Applicable to Providers of Day Services to Address Changes in Service Modalities Associated with Coronavirus Disease 2019 (COVID-19)

Purpose, Scope, and Effective Period

The Executive Office of Health and Human Services (EOHHS) is issuing this administrative bulletin pursuant to the authority of COVID-19 Order No. 20: Order Authorizing the Executive Office of Health and Human Services to Adjust Essential Provider Rates During the COVID-19 Public Health Emergency and Executive Order 591: Declaration of State of Emergency to Respond to COVID-19. In light of the state of emergency declared in the Commonwealth due to COVID-19, EOHHS is establishing an additional rate provision under 101 CMR 359.00: Rates for Home and Community Based Services Waivers to address required changes in service modalities for the provision of Day Services due to COVID-19, and as further described in this administrative bulletin.

This administrative bulletin is effective as of July 10, 2020, and shall apply to dates of service from July 1, 2020, through July 31, 2020.

Disclaimer: This administrative bulletin is not authorization for a provider’s use of the rates listed below. Authorization for the provision of, and billing and payment for, Day Services are pursuant to authorization by the purchasing governmental unit.

Background

The COVID-19 public health emergency has required the temporary closure of Day Services program sites and forced providers of Day Services to modify both the manner in which they deliver services and the hours and scope of their services. These changes in modality are not contemplated in the current rate structure for Day Services under 101 CMR 359.00. Accordingly, EOHHS is establishing an additional rate provision under 101 CMR 359.00 to address the changes in modality associated with COVID-19 and which will ensure the continued delivery of these critical services.
Additional Rate Provisions to Address COVID-19

The regulation at 101 CMR 359.03 is being temporarily expanded at 101 CMR 359.03(4) to include the following additional rate for Day Services in the rate chart contained therein. It is intended to address the required changes in service modality for Day Services as a result of COVID-19.
