Effective November 1, 2021

Allocation and Requirements of Trust Fund Payments

The Executive Office of Health and Human Services (EOHHS) is issuing this Administrative Bulletin pursuant to 101 CMR 701.01(2) to

- identify amounts and recipients of payments from the Community Hospital Reinvestment Trust Fund (the “Trust Fund”) for state fiscal year 2021 (SFY2021); and
- set forth compliance criteria and reporting requirements relating to Trust Fund payments.

Payment amounts are determined by EOHHS, using the methodology described in 101 CMR 701.04(4), based on data reported to the Center for Health Information and Analysis (CHIA).

- b. EOHHS anticipates that SFY2021 payments will be disbursed during or around November 2021. Once EOHHS distributes SFY2021 payments, those payment amounts will be deemed final and will not be revised by EOHHS.

- c. Although EOHHS has elected not to require acute care hospitals receiving SFY2021 payments from the Trust Fund to submit reports to EOHHS describing their activities supported by those payments, acute care hospitals that received payments from the Trust Fund in prior state fiscal years must continue to comply with any reporting requirements that EOHHS attached to those payments. See [Administrative Bulletin 18-05](#).

2. Noncompliance

EOHHS may deny, reduce, or withhold payment to an eligible acute care hospital that fails to comply with any condition of payment or reporting requirement set forth in 101 CMR 701.00 or this Administrative Bulletin. EOHHS will notify the acute care hospital of its intention to deny, reduce, or withhold payment.
