**Administrative Bulletin 22-12**

**101 CMR 322.00: Durable Medical Equipment, Oxygen and Respiratory Therapy Equipment**

Effective June 3, 2022

**Rate Updates for Certain Absorbent Products Subject to a Preferred Supplier Agreement**

Under the authority of 101 CMR 322.00, the Executive Office of Health and Human Services (EOHHS) is issuing this bulletin to establish differential rates for certain products. Pursuant to 101 CMR 322.01(6)(b), EOHHS has the authority to establish differential rates via administrative bulletin for durable medical equipment or medical supplies (DME) subject to a preferred supplier agreement or agreements between a manufacturer and a governmental unit or units.

As EOHHS has a preferred supplier agreement with Geriatric Medical Supply, Inc., effective since January 1, 2018, EOHHS is hereby establishing new differential rates set forth in the table on page two of this administrative bulletin for specific absorbent products provided to MassHealth members by MassHealth providers.

The rates set forth in this table are based on the preferred supplier's wholesale pricing available to MassHealth providers, plus a uniform mark-up. MassHealth providers are not required to utilize the preferred supplier. However, MassHealth DME providers are required to furnish products to MassHealth members of equivalent or better quality than those offered by the preferred supplier, consistent with applicable quality standards established and updated by EOHHS.

The rates set forth in this table are the updated rates for products corresponding to the codes below, provided to MassHealth members by MassHealth providers, until such time as this bulletin is rescinded, modified, or superseded. In the event this bulletin is rescinded without replacement, any rates set forth for the covered products in the version of 101 CMR 322.00 then in effect will apply.

The issuance of this bulletin supersedes specific rates that were established under [Administrative Bulletin 18-15](#), effective April 15, 2018, and [Administrative Bulletin 21-23](#) effective September 23, 2021.
