101 CMR 334.00: Prostheses, Prosthetic Devices and Orthotic Devices

Effective January 1, 2023

CPT/HCPCS Coding Updates

The Executive Office of Health and Human Services (EOHHS) is adding new service codes, effective for dates of service on or after January 1, 2023, under the authority of 101 CMR 334.01(4).

In accordance with 101 CMR 334.01(4)(d), for new codes for which there are Medicare fees, payment rates will be set at a percentage of prevailing Medicare fees. For new codes for which there are no Medicare fees available, rates are set at individual consideration, as defined in 101 CMR 334.02. Rates in this administrative bulletin apply until EOHHS issues revised rates.

The appearance of a code in the tables below does not constitute authorization for, or approval of, the procedures or services for which rates are determined pursuant to 101 CMR 334.00. Governmental units that purchase care are responsible for the definition, authorization, and approval of care to publicly aided individuals.
