### **Administrative Bulletin 23-16**

#### **101 CMR 317.00: Rates for Medicine Services**

Effective July 7, 2023

#### **Addition of a Certain Targeted Case Management Code**

In accordance with 101 CMR 317.01(5): *Coding Updates and Corrections*, the Executive Office of Health and Human Services (EOHHS) is adding a new service code, effective for dates of service on and after July 7, 2023. The following lists specify the code and rate that have been added. For entirely new codes that require new pricing and have Medicare-assigned relative value units (RVUs), rates are to be calculated according to the rate methodology used in establishing rates for physician services. As the new code does not have Medicare assigned RVUs, they will be reimbursed at individual consideration (I.C.). The rate listed in this administrative bulletin is applicable until a revised rate is established by EOHHS.
