Effective October 1, 2023

Addition of New Codes for Certain Prostheses, Prosthetic Devices, and Orthotic Devices

Summary

Under the authority of 101 CMR 334.01(4), the Executive Office of Health and Human Services (EOHHS) is adding new service codes, effective for dates of service on and after October 1, 2023.

In accordance with 101 CMR 334.01(4)(d), for new codes for which there are Medicare fees, payment rates will be set at a percentage of prevailing Medicare fees. Rates in this administrative bulletin are applicable until revised rates are issued by EOHHS.

The appearance of a code in the table below does not constitute authorization for, or approval of, the procedures or services for which rates are determined pursuant to 101 CMR 334.00.

Governmental units that purchase services are responsible for the definition, authorization, and approval of care to publicly aided individuals.
