101 CMR 334.00: *Rates for Prostheses, Prosthetic Devices, and Orthotic Devices*

Effective January 1, 2024

Code Updates for Certain Prostheses and Orthotic Devices

Summary

The Executive Office of Health and Human Services is adding new service codes, deleting outdated codes, cross-walking deleted codes to replacement codes, and revising code descriptions, effective for dates of service on or after January 1, 2024. These updates are allowed under 101 CMR 334.01(4): *Coding Updates and Corrections*.

For new codes with Medicare fees, payment rates will be set at a percentage of prevailing Medicare fees. For existing codes where only the description has changed, the rates are unchanged. For new codes for which there are no Medicare fees available, rates are set at individual consideration, as defined in 101 CMR 334.02. Rates listed in this administrative bulletin are applicable until revised rates are issued by EOHHS. These updates are allowed under 101 CMR 334.01(4)(d).

The appearance of a code in the tables below does not authorize or approve the use of the procedures or services for which rates are determined under 101 CMR 334.00. Governmental units that purchase care must define, authorize, and approve of care to publicly aided individuals.
