### **114.1 CMR 41.00: *Rates of Payment for Services Provided to Industrial Accident Patients by Hospitals***

Effective July 1, 2024

#### **Publication of Payment on Account Factors for Hospital Services**

#### **Payment on Account Factors for Hospital Services Provided to Industrial Accidental Patients Effective July 1, 2024**

The Executive Office of Health and Human Services (EOHHS), pursuant to 114.1 CMR 41.05(1) and (3) and in accordance with Section 123 of Chapter 224 of the Acts of 2012, is publishing the Payment on Account Factors (PAFs) for acute and nonacute hospital services provided to industrial accident patients effective July 1, 2024. The current PAFs for acute and nonacute hospital services will continue through December 31, 2024, when EOHHS anticipates publishing updated PAFs for acute and nonacute hospital services effective January 1, 2025, based on updated hospital cost reporting required pursuant to 957 CMR 9.04: *Hospital Cost Reporting*.

The application of a PAF to all billed charges payable pursuant to 114.1 CMR 41.00 results in the payment of the average percentage of charges paid by the private sector to each hospital for its services. This payment calculation shall be deemed to meet the test of reasonable cost of medical services prescribed by M.G.L. c. 152, the Workers' Compensation Act. No lesser amount will be paid unless agreed to by the provider, insurer, and employer.

Below are the PAFs for acute and nonacute hospital services provided on or after July 1, 2024.
