## **Administrative Bulletin 25-11**

### **114.1 CMR 41.00: Rates of Payment for Services Provided to Industrial Accident Patients by Hospitals**

Effective January 1, 2025

#### **Publication of Payment on Account Factors for Hospital Services**

#### **Background**

The Executive Office of Health and Human Services (EOHHS), pursuant to 114.1 CMR 41.05(1) and (3) and in accordance with M.G.L. c. 118E, s. 13, is publishing the Payment on Account Factors (PAFs) for acute and non-acute hospital services provided to industrial accident patients, effective January 1, 2025. The PAFs were computed using data from each hospital's most recently completed cost report fiscal year.

The application of the PAFs to all billed charges payable pursuant to 114.1 CMR 41.00 results in the payment of the average percentage of charges paid by the private sector to each hospital for its services. This payment calculation shall be deemed to meet the test of reasonable cost of medical services prescribed by M.G.L. c. 152, the Workers' Compensation Act. No lesser amount will be paid unless agreed to by the provider, insurer, and employer.
