2025 Annual Return and Revenue Statement Filing Reminder Notice

Issued: February 27, 2026

The deadline for Massachusetts telecommunications service providers ("TSPs") to file their calendar year 2025 Annual Return and Revenue Statement is **March 31, 2026**. All TSPs registered with the Massachusetts Department of Telecommunications and Cable ("Department") **must file an Annual Return and Revenue Statement reporting their intrastate telecommunications operating revenues for the previous calendar year, ending December 31st**, pursuant to G.L. c. 159, § 32 and G.L. c. 166, § 11. TSPs failing to file by the March 31st deadline may be subject to per diem statutory forfeitures and other enforcement action including, but not limited to, cancellation of the company's authority to provide telecommunications services in the state. See G.L. c. 166, § 12.

All TSPs other than Independent Payphone Providers ("IPPs") (e.g., laundromats, variety stores) must complete the multi-page form entitled *Annual Return and Revenue Statement*. Incumbent carriers must also complete the four attachments to the multi-page form: (a) Statement of Income for Year, (b) Balance Sheet, (c) Analysis of Telephone Plant, and (d) Station and Grade of Service Data. IPPs must complete the one-page form entitled *IPP Revenue Statement*. **The Department will not accept inaccurate or incomplete filings; forms must be completed in their entirety.**

If a company has not generated intrastate revenues for the reporting period, the company is directed to file a *written statement* in lieu of an annual return or revenue statement and must include a signature of a company officer. The statement must include the reporting calendar year 2025, the company's federal identification number, exact registered name, all doing business as ("DBA") names, and principal address. If a company is no longer doing business in the state or has ceased operations, the company should also file a *Certificate of Withdrawal*. Additional information about withdrawing a registration can be found at <https://www.mass.gov/how-to/withdraw-a-telecom-registration>.

TSPs may file by emailing all required forms as an attachment to dtc.efiling@mass.gov or submit an original completed form to the address below. TSPs are required to **submit to the address below a \$5.00 filing fee check**, indicating the filing company's name and made payable to the "Commonwealth of Massachusetts," regardless of filing method.

Ursula Estremera, Department Secretary
Department of Telecommunications and Cable
