

Adult Vaccine Availability Table – Effective April 2026 –

Eligibility:

- The Vaccine Program provides a limited supply of vaccines for uninsured and underinsured¹ adults seen in public sector sites.² **Employees of public sector sites are not eligible for state-supplied vaccine.**
- The Vaccine Program **does not** provide vaccines for adults seen at private provider sites. Availability of vaccines may change during an outbreak.
- Sites with billing capacity should purchase vaccine and seek reimbursement from health insurers.

Vaccine	Adults Eligible for State-Supplied Vaccine

Zoster (Shingles) Vaccine⁵	<ul style="list-style-type: none"> • Only for uninsured or underinsured adults in recommended groups³ seen at public sites²

¹ **Underinsured:** A person who has health insurance, but the insurance does not cover the cost of any vaccines; a person whose insurance covers only selected vaccines; a person whose insurance does not provide first-dollar coverage for vaccines. First-dollar coverage includes copays, coinsurance and deductibles. Copays, coinsurance or deductibles will not apply for the administration of any ACIP or MDPH recommended vaccines.

² **Public Sector Sites include:**

- Local health departments
- Community health centers
- Free community-based clinics
- TB clinics
- Public hospitals
- Public Colleges
- Correctional facilities
- State Agencies
- Integrated Counseling Testing and Referral Sites
- Health care for the homeless

³ **Recommended Groups:** Groups that are recommended for vaccines have been recommended for routine use either by the CDC's Advisory Committee for Immunization Practices or by the DPH Commissioner as outlined at: <https://www.mass.gov/info-details/dph-recommended-guidance-for-vaccines>

⁴ **Sanofi Patient Assistance Connection:** Sites may consider using the Sanofi Patient Assistance Connection (<http://www.sanofipatientconnection.com/patient-assistance-connection>) program to receive certain vaccines at no cost if program eligibility requirements are met.

⁵ **Merck Vaccine Assistance Program:** Sites may consider using the Merck Vaccine Assistance Program (www.merck.com/merckhelps/vaccines/home.html) to receive free doses of vaccine for eligible uninsured adults.
