Adult Day Health Bulletin 39

DATE: July 2025

TO: Adult Day Health Providers Participating in MassHealth

FROM: Mike Levine, Undersecretary for MassHealth

RE: **Cessation/Discontinuation of Adult Day Health Admission and Re-engagement Services**

Background

In July 2023, the Executive Office of Health and Human Services promulgated two new service codes under 101 CMR 310.00: *Rates for Adult Day Health Services* to facilitate re-engaging members with Adult Day Health (ADH) services and to increase the use of ADH services by new members. Details about these codes and services can be found in the [Adult Day Health Bulletin 38](#).

As of July 1, 2025, ADH Admission and Reengagement services (S5105 and S5105 KZ, respectively) are discontinued. To allow for the submission of claims associated with these services, the codes will remain active until September 30, 2025, for admission and re-engagement services provided through June 30, 2025.

Nondiscrimination

As a reminder, ADH providers are required to comply with all laws and regulations for the delivery of ADH services, including, but not limited to, 130 CMR 450.202: *Nondiscrimination*, which prohibits providers from discriminating against any individual in the enrollment and delivery of services based on disability, including the care and services an individual requires because of their disability.
