Massachusetts Board of State Examiners of Plumbers and Gas Fitters,
OCTOBER 3RD, 2018 BOARD MEETING AGENDA

9: A.M. AGENDA REVIEW: By Chairman Joseph McNamee

9: A.M.: APPROVAL OF PREVIOUS MEETING MINUTES:

- The September 5th, 2018 Board Meeting Minutes
- The August 1st, 2018 Board Meeting Minutes
- The August 1st, 2018 Executive Session Minutes

Appeal of an Inspector's Decision

IAD – 50 - Dan Laque - 4602 Oak Point Drive – Middleboro

Dan Laque has formally appealed the Local Plumbing Inspectors decision and is seeking the Boards interpretation of 248 CMR 10.19 (2) (a) and (d)

- (a) Plumbing in manufactured homes shall comply to the latest Rules and Regulations established by the Secretary of the Department of Housing and Urban Development authorized by the National Manufactured Home Construction and Safety Standards.
- (d) Additions or renovations made to the Plumbing and/or Gas Systems of such units shall be made in compliance with all provisions of M.G.L. c. 142 and 248 CMR 3.00 through 10.00. His permit indicated replacement of: bathtub, dishwasher, food disposer, kitchen sink, two lavatories, shower stall, two toilets, and 1 hot water heater all types. The Local Plumbing Inspector believes this is a renovation.

VARIANCE REQUESTS

Massachusetts Board of State Examiners of Plumbers and Gas Fitters,
OCTOBER 3RD, 2018 BOARD MEETING AGENDA

PV-51-MBTA-Red Line Test Track – 160 B Street- Boston

MBTA is seeking relief from 248 CMR 10.06 (2) (b) – Allowable Materials – Storm and Sanitary below Ground. Due to the location of an existing storm drainage pipe running below the footprint of the building and the potential for stray electrical current in the ground, the project requests the use of HDPE Pipe (24” in Diameter) in lieu of product accepted materials. This is a state project therefore, the Boston Board of Health has not been notified.

PV-52- Peter Riva - Jamsan Hotel – 110 Hartwell Ave. - Lexington

Peter Riva is requesting the use of a Ejector Pump system rather than allow the sanitary system to drain by gravity. The Town of Lexington has been notified.

PV- 53 – Night Shift Brewing – 160 – 170 N. Washington Street – Boston

Night Shift Brewing are proposing gender neutral toilet facilities within the establishment. Rather than individual toilet stalls they are proposing an individual toilet room with a water closet only then shared or common use lavatories within the universal bathroom area. The total occupancy of the pub shall be set at 480 persons. The Boston Assistant Commissioner of Inspectional Services Department has been notified.

PV- 29-A. Deangelis P&H- 1180 Beacon Street Suite 2D / 2B – Brookline

A. Deangelis P&H are seeking relief from 248 CMR 10.10 (18) Table 1. The existing dental office contains two toilet rooms, each containing one water closet and one lavatory. The new space will have one toilet room, with a fixture count of one water closet and one lavatory. The use of the new restroom is for staff only. The Brookline Health Department has been notified.

PV-54-Boston Public Market Association - 10 –Park Plaza, Suite 4160 - Boston

Boston Public Market Association is requesting gender neutral toilet facilities within the establishment. They intend on removing two urinals from one of the two men room and designate that room a gender neutral

PV-55 - David Murray - 225 Beacon Street - Boston

David Murray of Sea-Dar Construction is seeking relief from 248 CMR 10.05 (1) for the installation of a custom brass sink. Boston Inspectional Services have been properly notified.

PV-56- U-Name-It Self Storage – 203 Circuit Avenue – West Springfield

Robert Kushner of U-Name-It Self Storage is seeking relief from 248 CMR 10.09 Interceptors, Separators, and Holding Tanks. They are requesting the use of spill containment curbs rather than the removal of approximately six acres of concrete flooring. The Town of West Springfield Board of Health has been properly notified.

PV- 57 – Wayland High School – 260 Old Connecticut Path – Wayland

Weston and Sampson are seeking a variance on behalf of the Wayland High School for relief of 248 CMR 10.10 (18) Table 1 minimum facilities in stadiums. The stated total capacity of the proposed bleacher

Massachusetts Board of State Examiners of Plumbers and Gas Fitters,
OCTOBER 3RD, 2018 BOARD MEETING AGENDA

construction project is 1400 persons. The facilities proposed in the new construction include 5 female water closets, 2 male water closets and 3 urinals. The Wayland Board of Health has been properly notified.

PV- 58- DCR- Pilgrim Memorial Park Comfort Station – 79 Water Street – Plymouth

DCR is requesting a variance for the installation of an exterior drinking water fountain and bottle filling station. An overhang will be constructed to prevent the rainwater from entering the sanitary drainage system. This is a state project therefore Board of Health notification is not required.

PV- 59 - Jamie Baird - 81 Leonard Drive - Barnstable

Jamie Baird is seeking relief from 248 CMR 10.02 Principal #26 Materials and designs. He is requesting to install non-product accepted custom concrete trough sink in the bathroom and an inter grated marble apron front kitchen sink. Both sinks will be sealed with Drytreat stain proof premium impregnating sealer. The Barnstable Board of Health has been properly notified.

PV- 60- The Metropolitan – 35 Lincoln Street – Reading

Mr. Chad Perry is seeking a Post-Installation variance for the Metropolitan on 35 Lincoln Street, Reading MA. The Cultec System for the storm drains was installed by site work contractors not by the plumber. The Reading Board of Health has been notified.

PV- 61 - Brave All Stars Cheer Inc. – 35 Sixth Road - Woburn

Brave All Stars Cheer Inc. are seeking a variance from 248 CMR 10.10 (18) Table 1. Since the occupancy are primarily women they would like permission to remove the ADA bathroom to provide more space. Applicant states the occupancy issued by the town is 74 and the square feet of the space is 3680. The Woburn Board of Health has been notified.

PV- 62 – Andranik Movsisyan – 1 Paddock Way – Littleton

Andranik Movsisyan is seeking relief from 248 CMR 10.10 Fixtures. The product purchased Mesa 608 P Steam Shower and Jetted Tub is not on the Accepted list for plumbing products. The Littleton Board of Health has been notified.

PV - 64 – Boylston Properties - 485 Arsenal Street Buildings C, D, and F - Watertown

R.W. Sullivan are seeking relief from 248 CMR 10.09 (1) (b) 3.a.i and 10.22 Figure 15. The sand oil separator is located below the invert elevation of the sanitary sewer on site, therefore the affluent from the sand oil separator must be ejected. The Watertown Board of Health has been notified.

PV - 65 – Bank of America – 375 Main Street – Woburn

Approach Architects are seeking a variance from 248 CMR 10.10 (18) (i) 4. They are requesting the installation of one ADA compliant gender neutral single user bathroom. The lease space is 2631 square feet. There will be between two to five employees. The Woburn Board of Health has been notified.

Massachusetts Board of State Examiners of Plumbers and Gas Fitters,
OCTOBER 3RD, 2018 BOARD MEETING AGENDA

PV - 66 –Lutheran Church of the Redeemer – 60 Forest Park Road - Woburn

Approach Architects are seeking a variance from 248 CMR 10.10 (18) (h). They are requesting to install two gender neutral ADA compliant bathrooms for congregants at services as well as for morning day care and after school programs employees and handicapped student use. The applicant has provided an occupant calculation with the variance application. The Woburn Board of Health has been properly notified.

FYI – Board Delegated Staff Approvals – Board Vote Not Required

Delegated Plumbing Variances:

DAPV-46-Kay Kaufman Shelemay – 60 Walker Street - Cambridge

The continued use of 1-1/2" tub drain for new shower replacement. Conditions included: only one shower, a note from a health professional, 6" threshold from shower drain to top of barrier lip and only one 2.5 gallon shower head. The City of Cambridge Board of Health has been notified.

DAPV-47-Susan Rosenkaimer-13 Dante Ave. – Franklin

The continued use of 1-1/2" tub drain for new shower replacement. Conditions included: only one shower, a note from a health professional, 6" threshold from shower drain to top of barrier lip and only one 2.5 gallon shower head. The Town of Franklin's Board of Health has been notified

DAPV- 63 - Falmouth High School Athletic Complex – 874 Gifford Street – Falmouth

Falmouth Public Schools has been granted relief from 248 CMR 10.10 (18) Table 1 Minimum facilities for stadiums via Board sanctioned delegated authority. The total seating capacity of 828, they have exceeded the 50% threshold in the renovation. Potty Parity has been met. The Falmouth Board of Health has been notified.

Full operation of unlisted gas equipment

DAGV – 76 – FY-18 – Coating Systems Inc. – 90 Phoenix Ave.- Lowell

Full operation of the unlisted gas convection / cure and I/R Oven manufactured by General Automatic Transfer CO., Serial # 17028, subject to the approval of the Local Plumbing Inspector.

DAGV – 151 – FY-18 – Entegris, Inc. – 129 Concord Road - Bellerica

Full operation of the unlisted gas equipment (a gas dryer) subject to the approval of the Local Plumbing Inspector.

Vocational School Projects

V1) Smith Vocational & Agricultural High School-North Amherst Community Farm-189 N. Pleasant St. Amherst-MA, remodel of an old farmhouse, converting to a two family home. No gas work within the scope of this project.
