Next Meeting

Adjourn

\* Future Meeting Dates - July 13, 2017 and October 12, 2017

I have been asked to advise attendees of our meeting that they should try to not engage in conversation in the atrium. Please wait until you get to the conference room because noise in the atrium is becoming a serious problem for the 40+ biologists working above it. The clerk at the front desk will direct you to the room.
