## Stakeholder Outreach Meetings Coastal and Marine Dissolved Oxygen Criteria Review Agenda

---

**May 14<sup>th</sup>, 2019**

**1 PM – 3 PM**

MassDEP's Central Regional Office, 8 New Bond Street, Worcester, MA

and

**May 15<sup>th</sup>, 2019**

**9 AM – 11 AM**

John W. McCormack Building, 1 Ashburton Place, Boston, MA

---

**PURPOSE:** MassDEP has been conducting an ongoing three-year review of our coastal and marine dissolved oxygen (DO) criteria. The purpose of these two outreach meetings is to provide a technical overview of the work conducted to date and to discuss our preliminary findings.

- **Welcome, Introductions, and Goals for the Meeting** (*MassDEP*)
- **Overview of MassDEP's Coastal and Marine DO Criteria Review: Phases I, II, and III** (*MassDEP*)
- **Water Quality Criteria Terminology: Primer** (*MassDEP*)
- **MassDEP's Coastal and Marine DO Criteria Review Process**
  - **Phases I and II: Magnitude** (*Tetra Tech and Normandeau*)
  - **Phase III: Duration and Frequency Components and Monitoring Considerations** (*Tetra Tech and Normandeau*)
  - **Phase III: Draft Criteria Application** (*MassDEP*)
- **Summary and Next Steps** (*MassDEP*)
- **Question and Answer Session**
- **Wrap-up** (*MassDEP*)
