

Are you safe at home?

SafeLink is a 24/7 statewide referral line for people who experience domestic and sexual violence.

Call 1-877-785-2020

OTHER RESOURCES

Other services and support are available for survivors of domestic violence when you are ready.

Abuse Protection Orders and Harassment Prevention Orders are available if you need them. For additional help, you may contact your local court. After court hours, call 911 or your local police department.

For additional free resources, contact the Massachusetts Office for Victim Assistance.
