Re: Request for Information

[REDACTED]

Thank you for the information submitted to the Department of Public Health ("Department") on April 25, 2017 outlining the individuals serving in the required roles for Brighton Health Advocates, Inc. This letter is to inform you that the Department has reviewed that information against the Character and Competency forms that have been submitted by the applicant to the Department. The *Application of Intent* (Application 3 of 3) requires the following information before the Department may complete its evaluation:

1. Please submit Character and Competency forms for the following individuals, as they have not yet been submitted by the applicant: Chief Executive Officer and Member of the Board of Directors, [REDACTED]; Individual responsible for the RMD security plan and security operations, [REDACTED] and Chief Executive Officer of Pharmacann LLC, an entity contributing 5% or more of initial capital, Theodore Scott.

Please remember to type all responses in the information or materials resubmitted to the Department, other than any required signatures, as well as include the name of the Applicant Non-Profit Corporation *and* the number of the application (e.g., Application 1 of 1) at the top of each page of the resubmitted information or materials.

Please resubmit the additional or revised information as outlined above, via U.S. mail or hand-delivery, to:

Department of Public Health
Medical Use of Marijuana Program
RMD Applications
99 Chauncy Street, 11th Floor
Boston, MA 02111

Upon receipt, the Department will review the information and will notify the applicant if it is invited to submit a *Management and Operations Profile* or if further information is required before the applicant may proceed.

If you have questions or need assistance, you may contact the Department at 617-660-5370 or RMDapplication@state.ma.us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Eric Sheehan', written over a faint, illegible typed name.

Eric Sheehan, J.D.
Bureau Director
