Citizenship Affirmation I am a U.S. Citizen

Residency Affirmation I am a resident of the Commonwealth of Massachusetts

Statement of Intent I intend to comply with and advance the policy established by this Act.

Statement of Interest

I am interested in this Commission because I want to see the influence of big money to be removed from politics. Since 2015, I've seen the influence that billionaires have had on politicians; using contributions to make special interests more of a priority than the needs of constituents. Democracy is stronger when citizens and representatives are in clear communication. Massachusetts has the capacity to lead the nation in strengthening democracy, and I wish to help in this effort.
