Re: **Final Decision** - Denial of Pharmacy Technician Registration

Dear Ms. Tran:

By letter dated August 17, 2011, the Board of Registration of Pharmacy ("Board") informed you of its preliminary denial of your application for Massachusetts licensure as a Pharmacy Technician ("application") and of your right to request an opportunity for a hearing on such preliminary denial within 21 days of the August 17th letter. You did not submit a request for hearing by September 2, 2011 and have therefore waived any right to such hearing.

Based on the documentation and other information upon which the Board based its preliminary denial of your application, set forth in the Board's August 17, 2011 letter, and as you have not contested the basis for such preliminary denial, the Board hereby informs you of its FINAL DECISION to deny your application for licensure as a Pharmacy Technician.

Please be advised that federal law mandates the Board to report this application denial to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

Sincerely,

Stanley Walczyk, R.Ph.  
President

**RIGHT TO APPEAL**

You are hereby notified that you may appeal this Final Decision pursuant to Massachusetts General Laws Chapter 30A, sections 14 and 15, within thirty (30) days of receipt of this Final Decision.
