MassHealth  
Transmittal Letter ALL-168  
June 2009

**TO:** All Providers Participating in MassHealth  
**FROM:** Tom Dehner, Medicaid Director   
**RE:** All Provider Manuals (Revised Appendix C)

For members who have other insurance, the MassHealth Eligibility Verification System (EVS) reports the coverage type, carrier code, and policy number of the insurance listed on file. Appendix C of all MassHealth provider manuals lists, in numeric order by carrier code, the name and address of the other insurance so that you can bill that insurance before billing MassHealth.

If you receive written evidence (for example, an explanation of benefits or a letter from an employer) that a member does not have the insurance identified on EVS, has different insurance than what is reported on EVS, or no longer has insurance coverage, please mail or fax the information to the following address. If you find a member has a new or different insurance not identified on EVS, please fill out a third-party-liability (TPL) indicator form and mail or fax it to the address below. You can find the TPL Indicator Form in the Provider Library at the link below.

This letter transmits an updated Appendix C for all provider manuals. The effective date is May 26, 2009. You can also view, print, or download Appendix C from the MassHealth Web site at [www.mass.gov/masshealthpubs](http://www.mass.gov/masshealthpubs). Click on Provider Library, then MassHealth Provider Manual Appendices. The downloadable version of Appendix C is searchable, a significant advantage over the printed version.

### **Important Notice Concerning Medicare D Eligible Carrier Code Change**

### **Third-Party-Liability Codes**

A searchable version of this appendix is available on the MassHealth Web site at [www.mass.gov/masshealth](http://www.mass.gov/masshealth). MassHealth will update Appendix C as needed. Paper copies of this appendix will not be mailed automatically, but can be requested by calling 1-800-841-2900, by e-mailing your request to [publications@mahealth.net](mailto:publications@mahealth.net), or by faxing your request to 617-988-8973.

This appendix contains a list of third-party-liability (TPL) coverage-type codes and a numeric list of carrier codes, including carrier names and addresses. For members with a temporary MassHealth card, any applicable TPL coverage-type and carrier codes are printed on the card itself.

#### **Important Notice Concerning Appendix C**

With the implementation of NewMMIS, Appendix C has been completely revised. Changes have been made to coverage types and carrier codes. Please discontinue using the prior carrier codes and use the new carrier codes provided below. The carrier codes now contain seven digits. It will be necessary for you to enter these codes on all claim submissions to MassHealth when there is other insurance for a MassHealth member, including Medicare.

EVS (Eligibility Verification System) in NewMMIS will now provide the insurance information for the member. This system now replaces the REV's system. Please check EVS before submitting your claim. Refer to the applicable billing guide or companion guide for instructions on using EVS. These guides are available on the Web at [www.mass.gov/masshealth](http://www.mass.gov/masshealth).

#### **I. Third-Party-Liability Coverage-Type Codes**

The following is a list of TPL coverage-type codes that identify the type of insurance a member has. If you use the MassHealth Eligibility Verification System (EVS) Automated Voice Response (AVR) system, you will be given the following TPL coverage-type code.

##### **NewMMIS Coverage Codes**

<u>Code</u>	<u>TPL Coverage Description</u>	<u>Code</u>	<u>TPL Coverage Description</u>
