All Provider Bulletin 156
August 2006

TO: All Providers Participating in MassHealth
FROM: Beth Waldman, Medicaid Director *BW*
RE: **Downloading and Ordering Forms and Other MassHealth Publications Online**

**Ordering Forms and
Other Publications
Online**

MassHealth providers can now use a new search feature on the MassHealth Web site to download forms and other publications, such as brochures and booklets, or to request a supply of them online. This new feature means that you can have better and faster access to the forms and other publications when you need them. Whether you need a quick printout of a brochure or a supply of claim forms, you can get what you need through the MassHealth Web site.

This bulletin describes this new feature and provides instructions for downloading and ordering your forms and other MassHealth publications online.

Note: This search feature is for forms, brochures, and other publications issued by MassHealth. It does not include transmittal letters and bulletins. To find and download a transmittal letter or bulletin, go to www.mass.gov/masshealthpubs, and click on Provider Library.

**Setting up a Customer
Service Web Account**

You need a Customer Service Web Account to order or download publications online and to request transportation for a member online. (See All Provider Bulletin 157 for instructions about requesting transportation online.)

Setting up a Customer Service Web account is easy.

1. Go to www.mass.gov/masshealth.
2. Click on Set up a Provider Customer Service Web Account in the Online Services box.
3. Fill out the online form, which has space for you to indicate additional users. Then click Send.

Each user will receive a username and password in two separate e-mails. The primary user may add users to, or remove users from, the account at any time by filling out another Customer Service Web Account form.
