RE: **Changes to MassHealth's Accountable Care Organizations on January 1, 2026**

Introduction

Changes to MassHealth Accountable Care Organizations (ACOs) take effect on January 1, 2026. This bulletin lists health plan, service areas, hospitals, and provider changes for January 1, 2026.

Changes to Available Health Plans in 2026

As of January 1, 2026, the Tufts Health Together Managed Care Organization (MCO) will be discontinued. Members currently enrolled in the Tufts Health Together MCO will be re-assigned, if possible, to the health plan in which their primary care provider (PCP) will be participating moving forward. Members will receive a notification letter about their new health plan assignment and additional information about their health plan options, including how to change health plans.

Leading up to January 1, 2026, MassHealth will work with the Tufts Health Together MCO and the members' future health plans to coordinate transitions of care, including exchanging information about prior authorizations and referrals.
