

**We are changing our name to
Mass General Brigham Health Plan
on January 1, 2023**

November 2022

Dear Member,

We are excited to let you know that AllWays Health Partners will officially become Mass General Brigham Health Plan on January 1, 2023. **Please note that we plan to send you new ID cards reflecting our new name later in 2022, in advance of this January 1, 2023 effective date.**

This name change reflects Mass General Brigham's vision for a unified, world-class academic healthcare system that improves health outcomes, reduces costs, and transforms the healthcare experience for everyone involved. Our name change will not affect your current Group Insurance Commission (GIC) coverage through June 30, 2023.

Since this change is happening in the middle of the GIC plan year, you will continue to see references to AllWays Health Partners in the GIC's web content, communications, forms, and systems.

There is nothing you need to do as a result of this news. We're keeping you up to date on this planned change as you may start to see news and advertising using our new name. We will be in touch with you again as we get closer to our name change. You can also visit allwayshealthpartners.org/new-name for more information and frequently asked questions.

Thank you for your continued membership, and we wish you the best of health.

Sincerely,

A handwritten signature in black ink that reads "Jonathan Biron".
