Directions:

The Massachusetts Technology Collaborative is located about 30 miles west of Boston in Westborough, Massachusetts, near the intersection of the Massachusetts Turnpike I-90 and I-495.

From the north or south: Take I-495 to Exit 23B (Route 9, westbound). Proceed west on Route 9 for 3.3 miles to its intersection with Route 135. Turn right onto 135 west and follow it 0.4 mile to North Drive. Once on North Drive proceed up the hill, passing the Kariotis Center on your left, and follow the road where it turns left further up the hill. Pass the Innovation Center on your right and park in the lot just past that building; you'll see the Weiss Conference Center across the street (mailbox says #100, not 75). Enter the building through the front doors and turn right to find room 102 at the end of the hall on the right.
