Citizenship Affirmation	I am a U.S. Citizen
Residency Affirmation	I am a resident of the Commonwealth of Massachusetts
Statement of Intent	I intend to comply with and advance the policy established by this Act.
Statement of Interest	<p>I formally submit my application in answer to the call for volunteers for a newly forming Citizens Commission on the topic of a Constitutional Amendment. As a non-partisan citizen, it would be my sheer honor to serve the Commonwealth and my Country in such a capacity. I have prior experience with non-partisan civic research committees through local, state, and national chapters of the LWV. Over the last two years, I've increased my focus on learning the nuances of the legislative and citizen initiative/referendum/amendment processes (from both public servant and lobbyist perspectives). I have accepted a nomination to participate in an upcoming CLS with our Senate. I would leverage my 12 years of experience in game theory, community management, and behavioral economics to identify exploits in existing and proposed solutions. My international network of veteran game designers, community managers, statisticians, legal, and science professionals would be used for the benefit of the Commonwealth during this effort as needed. Above all else, I believe that good governance requires that citizens engage regularly, and that we heed the call when the Electorate is in need. It would be my duty and honor to heed this call.</p> <p>With Sincerity, Amanda Grow Norwood, MA</p>
