#### **AMENDMENT #1**

#### TO THE

#### THIRD AMENDED AND RESTATED

#### ACCOUNTABLE CARE PARTNERSHIP PLAN CONTRACT

#### FOR THE

#### MASSHEALTH ACCOUNTABLE CARE ORGANIZATION PROGRAM

WHEREAS, the Executive Office of Health and Human Services ("EOHHS") and the Contractor identified in Appendix X ("Contractor") entered into the Contract effective August 25, 2017, and with an Operational Start Date of March 1, 2018, to improve the MassHealth Member experience of care, health of the population, and efficiency of the MassHealth program by substantially shifting towards accountable and integrated models of care and to provide comprehensive health care coverage to MassHealth Members; and

**WHEREAS,** EOHHS and the Contractor last amended and restated the Contract effective January 1, 2021, (the Third Amended and Restated Accountable Care Partnership Plan Contract);

WHEREAS, in accordance with Section 6.8 of the Contract, EOHHS and the Contractor desire to amend the Contract effective January 1, 2021; and

WHEREAS, EOHHS and the Contractor agree that the terms stated herein are subject to all required approvals of the federal Centers for Medicare and Medicaid Services (CMS);

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements contained herein, the Contractor and EOHHS agree as follows:

- 1. **Section 2, Contractor Responsibilities,** is hereby amended by adding a new **Section 2.7.D.6.c** as follows:
  - "c. If the Contractor does not comply with this **Section 2.7.D.6**, with respect to its payments to hospitals, EOHHS may decrease the stop-loss payment made to the Contractor as described in **Sections 4.3.H** and **6.5.K.12**."
- 2. **Section 2, Contractor Responsibilities,** is hereby amended by deleting "as directed by EOHHS:" in **Section 2.7.D.7.b** and inserting in place thereof the following: "as directed by and at a rate specified by EOHHS."
- 3. Section 2, Contractor Responsibilities, is hereby amended by deleting Sections 2.7.D.7.b.1-3 in their entirety.

- 4. Section 4, Payment and Financial Provisions, is hereby amended by adding a new Section 4.2.L as follows:
  - "L. Loss of Program Authority

As required by CMS, should any part of the scope of work under this contract relate to a state program that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), the Contractor must do no work on that part after the effective date of the loss of program authority. The state must adjust capitations to remove costs that are specific to any program or activity that is no longer authorized by law. If the Contractor works on a program or activity no longer authorized by law after the date the legal authority for the work ends, the Contractor will not be paid for that work. If the state paid the Contractor in advance to work on a no-longer-authorized program or activity and under the terms of this contract the work was to be performed after the date the legal authority ended, the payment for that work should be returned to the state. However, if the Contractor worked on a program or activity prior to the date legal authority ended for that program or activity, and the state included the cost of performing that work in its payments to the Contractor, the Contractor may keep the payment for that work even if the payment was made after the date the program or activity lost legal authority."

- 5. Section 4, Payment and Financial Provisions, is hereby amended by deleting Section 4.3.C.3 in its entirety and replacing it with the following Section 4.3.C.3:
  - "3. The Supplemental Specialized Inpatient Psychiatric Services Payment and associated expenditures shall be included in the risk sharing arrangement calculations set forth in **Section 4.5**, as part of the Non High Cost Drug/Non-HCV Medical Component and actual medical expenditures, respectively."
- 6. **Section 4, Payment and Financial Provisions,** is hereby amended by adding a new **Section 4.3.H** as follows:
  - "H. Stop-loss Payment

EOHHS shall pay the Contractor a stop-loss payment as follows and as further specified by EOHHS:

- 1. The stop-loss payment shall be an amount equal to 95 percent (95%) of allowed expenditures in excess of an attachment point per Enrollee hospital inpatient admission as determined by EOHHS and set forth in **Appendix D**.
- 2. EOHHS shall pay the Contractor such amount as set forth above for each loss on an interim schedule as determined by EOHHS.

- 3. If EOHHS determines that a payment by the Contractor for an inpatient hospital admission does not comply with **Section 2.7.D.6**, EOHHS may decrease a stop-loss payment made to the Contractor in accordance with **Section 6.5.K12**."
- 7. **Section 4, Payment and Financial Provisions,** is hereby amended by adding in **Section 4.5.B.3.b** ", including any Claims run-out specified by EOHHS" after "risk sharing arrangement".
- 8. **Section 4, Payment and Financial Provisions**, is hereby amended by adding a new **Section 4.5.B.6** as follows:
  - "6. EOHHS may verify any data the Contractor submits to EOHHS in a manner it determines appropriate."
- 9. **Section 4, Payment and Financial Provisions**, is hereby amended by deleting **Section 4.5.C** in its entirety and replacing it with a new **Section 4.5.C** as follows:
  - "C. Market-Wide Risk Sharing Arrangement ("Market Corridor") for the Contract Year

For all Regions and Rating Categories, the Contractor and EOHHS shall share risk for the Non-High-Cost Drug /Non-HCV Medical ("Core Medical") Component of the Base Capitation Rate and Supplemental Specialized Inpatient Psychiatric Services Payment set forth in **Section 4.3.C** in accordance with the following provisions.

1. Overall Approach

As further described in this section, this risk sharing arrangement shall be based on certain revenue and expenditures across MassHealth managed care plans, described as Market Corridor revenue and Market Corridor expenditures, respectively.

2. Market Corridor Revenue

EOHHS shall first determine the Market Corridor revenue. For each MassHealth Accountable Care Partnership Plan ("ACPP"), Managed Care Organization ("MCO"), Primary Care Accountable Care Organization ("PCACO"), and the Primary Care Clinician Plan ("PCC Plan") (each a "plan"), EOHHS shall multiply by Region and Rating Category each plan's respective Core Medical component of the Base Capitation Rate or total cost of care (TCOC) benchmark, as applicable, for the Contract Year, per member, per month, by each plan's experienced member months for the Contract Year as determined by EOHHS, and by each plan's concurrent risk scores. The sum of such calculation across plans, plus any Supplemental Specialized Inpatient Psychiatric Services Payment and

benchmark adjustment, as applicable, for each plan, shall equal the Market Corridor revenue.

# 3. Market Corridor Expenditures

EOHHS shall then determine the Market Corridor expenditures. Such expenditures shall equal the sum across plans of Core Medical actual medical expenditures related to ACO Covered Services in **Appendix C**, as well as MCO covered services (for MCOs), services included in TCOC (for PCACOs), and comparable services for the PCC Plan, including those services related to the Supplemental Specialized Inpatient Psychiatric Services Payment and benchmark adjustment, as applicable, for the applicable Contract Year in aggregate across all Regions and Rating Categories, as applicable, and based on data provided by ACPPs and MCOs, including by the Contractor in accordance with **Section 4.5.B**, and EOHHS data for PCACOs and the PCC Plan.

- a. Such expenditures shall exclude any and all case management costs.
- b. Such expenditures shall exclude expenditures for which EOHHS makes a payment to the Contractor, and related payments or adjustments for other plans, pursuant to stop-loss provisions at **Section 4.3.H.**
- c. EOHHS may make appropriate adjustments as necessary related to the Market Corridor expenditure calculation described above.
- 4. If the Market Corridor expenditures, as determined by EOHHS in accordance with the above provisions, are greater than or less than the Market Corridor revenue, as determined by EOHHS in accordance with the above provisions, the Contractor shall share in the resulting loss or gain in accordance with **Appendix D**.
- 5. In addition, the Contractor's share of the resulting loss or gain, as set forth above, shall be an adjustment applied to the Contractor's Core Medical revenue for the purposes of calculating the Contract-Wide Risk Sharing Arrangement in **Section 4.5.D** below.
- 6. EOHHS shall exclude from all calculations related to this risk sharing arrangement the Contractor's reinsurance premiums paid and recovery revenues received if the Contractor chooses to purchase reinsurance."
- 10. Section 4, Payment and Financial Provisions, is hereby amended by renumbering existing Sections 4.5.D-K as Sections 4.5.E-L accordingly and adding a new Section 4.5.D as follows:

"D. Contract-Wide Risk Sharing Arrangement ("Plan Corridor") for the Contract Year

For all Regions and Rating Categories, the Contractor and EOHHS shall share risk for the Non-High-Cost Drug /Non-HCV Medical ("Core Medical") Component of the Base Capitation Rate, any Market Corridor adjustment as described in **Section 4.5.C**, and Supplemental Specialized Inpatient Psychiatric Services Payment set forth in **Section 4.3.C** in accordance with the following provisions.

### 1. Overall Approach

As further described in this section, this risk sharing arrangement shall be based on certain revenue and expenditures for the Contractor, described as Plan Corridor revenue and Plan Corridor expenditures, respectively.

# 2. Plan Corridor Revenue

EOHHS shall first determine the Plan Corridor revenue. EOHHS shall multiply by Region and Rating Category the Contractor's Core Medical component of the Base Capitation Rate, for the Contract Year, as set forth in **Appendix D**, per member, per month, by the Contractor's experienced member months for the Contract Year as determined by EOHHS, and by the Contractor's concurrent risk scores. Such product, plus any Market Corridor adjustment as described in **Section 4.5.C** and plus any Supplemental Specialized Inpatient Psychiatric Services Payment shall equal the Plan Corridor revenue.

#### 3. Plan Corridor Expenditures

EOHHS shall then determine the Contractor's Plan Corridor expenditures. Such expenditures shall equal the Contractor's Core Medical actual medical expenditures in aggregate across all Regions and Rating Categories related to ACO Covered Services in **Appendix C**, including those services related to the Supplemental Specialized Inpatient Psychiatric Services Payment and benchmark adjustment, as applicable, for the applicable Contract Year based on data provided by the Contractor in accordance with **Section 4.5.B**.

- a. Such expenditures shall exclude any and all case management costs.
- b. Such expenditures shall exclude expenditures for which EOHHS makes a payment to the Contractor pursuant to stop-loss provisions at **Section 4.3.H**.
- c. EOHHS may make appropriate adjustments as necessary related to the Plan Corridor expenditure calculation described above.

- 4. If the Contractor's Plan Corridor expenditures, as determined by EOHHS in accordance with the above provisions is greater than or less than the Contractor's Plan Corridor revenue, the Contractor and EOHHS shall share the resulting loss or gain in accordance with **Appendix D**, subject to the adjustment in **Section 4.5.L** below.
- 5. If the Contractor incurs a loss that would require EOHHS to make a risk sharing payment to the Contractor, and the Contractor has paid an amount for ACO Covered Services that exceeds the amount that EOHHS would have paid for the same services in accordance with EOHHS's fee schedule, then EOHHS may reprice the Contractor's paid Claims to reflect EOHHS's fee schedule for the purposes of calculating the risk-sharing payment described in this section. If EOHHS has approved an Alternative Payment Methodology (APM) for the Contractor, EOHS shall apply an adjustment to the Contractor's repriced paid claims comparable to the APM adjustment that EOHHS used with respect to the Contractor during Capitation Rate development for the Contract Year. If such repricing results in the Contractor incurring a gain, EOHHS shall cap the EOHHS share of such gain at \$0.
- 6. EOHHS shall exclude from all calculations related to this risk sharing arrangement the Contractor's reinsurance premiums paid and recovery revenues received if the Contractor chooses to purchase reinsurance."
- 11. **Section 4, Payment and Financial Provisions**, is hereby amended by inserting after "For RCs I Child and II Child," in **Section 4.5.E** and **Section 4.5.F** (as renumbered) the following: "and for Enrollees in other RCs as determined appropriate by EOHHS,".
- 12. Section 4, Payment and Financial Provisions, is hereby amended by deleting Section 4.5.L (as renumbered) in its entirety and replacing it with a new Section 4.5.L as follows:
  - "L. Quality Score Modifier to Plan Corridor in Section 4.5.D

Upon determination by EOHHS of the resulting Contractor's share of gains or losses from the Plan Corridor as a result of the methodology described in **Sections 4.5.D** and **Appendix D**, EOHHS shall adjust the amount of the Contractor's share of gains or losses based on the Contractor's Quality Score, as follows:

- 1. EOHHS shall calculate the Contractor's Quality Score as described in **Appendix Q**. The Contractor's Quality Score shall be a number between zero (0) and one (1);
- 2. If the Contractor has a gain on the Plan Corridor, EOHHS shall multiply the amount of the Contractor's share of such gain by the Contractor's Quality Score. The resulting amount shall be the final amount of the Contractor's share of the gain on the Plan Corridor;

- 3. If the Contractor has a loss on the Plan Corridor, eighty percent (80%) of the Contractor's share of such loss shall not be impacted by the Contractor's Quality Score. EOHHS shall multiply the remaining twenty percent (20%) of the Contractor's share of such loss by an amount equal to one (1) minus the Contractor's Quality Score. Such product, plus the unmodified eighty percent (80%) of the Contractor's share of the loss, shall equal the final amount of the Contractor's share of the loss on the Plan Corridor."
- 13. **Section 6, Additional Terms and Conditions**, is hereby amended by adding a new **Section 6.3.K.12** as follows:
  - "12. If the Contractor does not comply with **Section 2.7.D.6** with respect to its payments to hospitals, EOHHS may decrease the stop-loss payment made to the Contractor as described in **Section 4.3.H**.
