Re: Massachusetts FY21-25 STIP Amendment #1 (Transit Only)

Dear Mr. Mohler:

The Federal Transit Administration (FTA) has reviewed the transit portions of the Fiscal Years 2021-2025 Statewide Transportation Improvement Program (STIP) Amendment #1 sent by the Massachusetts Department of Transportation (MassDOT) on December 28, 2020 and the revised project listing and financial constraint sent on December 31, 2020. This amendment incorporates changes made to transit projects programmed in the Transportation Improvement Programs (TIPs) by the Boston Region Metropolitan Planning Organization (MPO), Central Mass MPO, Montachusett Region MPO, Northern Middlesex MPO, Old Colony MPO, Pioneer Valley MPO and Southeastern Mass MPO.

In accordance with the 1990 Clean Air Act Amendments and 23 C.F.R. §450.218(b), a new conformity determination is not required. Furthermore, we make the following determinations:

1. The projects in the STIP are based on a planning process that substantially meets the requirements of Title 23 U.S.C. 134 and 135, 49 U.S.C. Section 5303-5305, and 23 C.F.R. 450 Subparts A, B, and C.
2. The component TIPs are based on a continuing, comprehensive transportation planning process carried on cooperatively with the State, the MPOs, and the transit operators in accordance with the provisions of 23 U.S.C. 134 and 135 and 49 U.S.C. 5303-5305.
3. The changes called for in this STIP amendment maintain financial constraint as required under 23 C.F.R. 450.218.

On behalf of the Federal Highway Administration, the FTA has determined that the STIP, as revised, substantially meets all requirements and is hereby approved. Our initial approval of the FY 2021-2025 STIP, provided on October 15, 2020, was subject to the resolution of one corrective action to bring all self-certification statements into compliance. On December 29, 2020, MassDOT submitted copies of the necessary updated self-certifications to FHWA and FTA to resolve the corrective action. We look forward to continuing to work with MassDOT to address the recommendations also provided with our October 15th findings and to receiving regular updates on the status of those recommendations.

If you have any questions, please contact Leah Sirmin (617-494-2459 | leah.sirmin@dot.gov).

Sincerely,

Peter Butler
